

Hulme Hall Pre-School

Smoking and Vaping Policy

The statutory framework for the Early Years Foundation Stage 3.57 details all necessary requirements on the position of smoking. Hulme Hall Pre-School will adhere to all recommended requirements.

Hulme Hall Pre-School holds a strict **No Smoking Policy**. Smoking is prohibited on the school grounds; this includes the indoor play spaces and outdoor play spaces where children have regular contact. Smoking includes all cigarettes, cigars and electrical smoking devices.

Parents are asked not to distinguish any smoking device on the school car park or entrance areas. All visitors to the setting must be made aware of the No Smoking Policy when signing themselves into the provision.

Hulme Hall Pre-School practitioners are not allowed to smoke or vape whilst wearing the Hulme Hall Pre-School uniform.
