IMPORTANT NOTES

- 1) If you wish to remove your child from the school, you must under the terms of your agreement with the school give written notice of your intention to remove the child. Written notice must reach the school not later than the 1st day of the term at the end of which the removal is to take effect. If you fail to give a clear term's notice as set out above, you will have to pay fees for the next full term even though your child may not be enjoying the facilities provided by the school.
- 2) If a termly account is not paid by the first day of that term, or if any payment under a direct debit is not made on the due date, the school may at its discretion refuse entry to the child for that term (or for the remainder of the term as appropriate) and under your agreement with the school you will be deemed to have withdrawn your child without proper notice so that the fees for the term following that during which the child last attends school will become due.
- 3) If fees are not paid in the manner and on the dates required by the terms set out above, the parent will become liable for an interest charge of 2 per cent per month on the amount of fees outstanding. In addition, the School may recharge to you costs associated with the follow up of unpaid fees. These costs may include, but are not limited to, letters, postage, time spent by the Finance team, external costs of Debt Collection organisations and legal costs.
- 4) In the event of a revision in teachers' salaries or a similar rise in costs, the Governors reserve the right to increase fees by up to 10% without notice, or to introduce a more substantial revision of fees at short notice, though where circumstances permit, a full term's notice will be given.
- 5) A Parent who has signed the Acceptance Form jointly with the other Parent of the same Pupil may only withdraw from this Contract with the School by providing a Term's Notice and the written consent of the other Parent. An agreement between the Parents and a third party (for example, a grandparent or trust) to pay Tuition Fees or any other Fees payable to the School will not release the Parents from responsibility and liability for the relevant Fees if the third party fails to make the relevant payment.

If you have any queries or require further information in relation to these Fee Regulations please do not hesitate to contact the Finance Office where a member of the team will answer any questions you may have.
