The Governors are seeking to appoint committed and enthusiastic Learning Support Assistants. The post-holders will be working as part of our Enrichment Team and will support children in the Senior School, working at both Key Stage 3 and Key Stage 4 in class and within the Enrichment Department delivering small group intervention lessons. Our successful Enrichment / SEND team provide opportunities for pupils with a wide range of difficulties to make excellent progress and we encourage all children to succeed.

Our Learning Support Assistants (LSAs) have a variety of skills and we endeavour to make sure that our staff are given high quality professional development to enable them to progress either within our school or beyond. Many of our LSAs have gone on to teach or to take up further positions of responsibility. Opportunities are given in school to develop a wider range of inclusion skills which will enhance career progression, for many this has led to a promotion of position and / or enrolment on to teaching courses. We are a team that recognises the worth of the individual and as such strive to support all SEND pupils to allow them to be successful in every way and achieve their goals and aspirations.

We would welcome applications from enthusiastic candidates who believe in a strong team ethic, have a passion for SEND and inclusion, can set high expectations for themselves and others, are flexible and adaptable and can demonstrate a resilience in ensuring every individual is recognised for their potential.

We encourage applications both from those wishing to begin a career working in schools and those with experience who wish to further develop their skills and expertise. The successful candidates will report to the Enrichment Department Manager.
