

STEPHAN HAUSNER

ABOUT STEPHAN

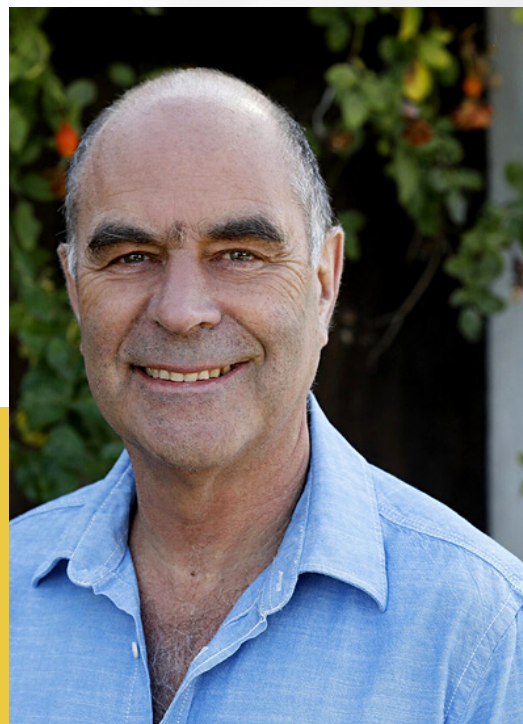

With a background in Traditional Chinese Medicine, Homoeopathy and Osteopathy, Stephan Hausner applies Systemic Constellation Work to the field of chronic illness and health; since more than 25 years. He has worked, taught and trained in more than 50 countries and is dedicated to explore the healing potential of Systemic Constellation Work. The past 10 years Stephan also includes Mindfulness Based Therapies, moving from solution- towards transformation-orientation.

Stephan is driven by his contribution to the global change in culture and consciousness for the sustainable health of all living beings and improvement in the quality of life of all people and our planet. He travels all over the world to share his expertise, unique in his method and subject
