

RULES OF ORDER FOR HUNETORP KLIT

For the sake of fire related hazard

- any kind of open bonfire is prohibited
- any kind of fireworks is prohibited
- show utmost care when smoking tobacco outdoors
- clean the spark arrestor of the chimney regularly
- observe the location of the nearest fire extinguisher depot

For the sake of protecting nature

- do not walk outside natural paths and roads in the dune area
- waste disposal in nature is strictly prohibited
- never dig into the dunes as storm quickly enlarges any hole

For the sake of the environment

- keep your property clean and tidy – even during any remodeling/extension of the property
- do not place any caravan nor tent on your property for a long period of time
- avoid parking cars, motorhomes, caravans, trailers etc. in common areas for a long time
- secure waste containers from tipping over and thus being accessible to foxes and the like

For the sake of your neighbours

- always keep dogs on a leash outside your own property
- only use outdoor lighting to a limited extend and preferably directed downwards. Use a motion sensor if necessary
- by the end of any remodeling/extension on your property, any damaged common roads must be restored
- refrain from private use of drones. Commercial drone flight is permitted in accordance with applicable legislation
- do not use radio and music equipment outdoors
- avoid unnecessary noise
- avoid traffic on other people's property
- strictly comply with the 30 km speed limit in the area

Adopted by the house owners' association Hunetorp Klit, May 2023
