Luna LP Elite 2700K

- Luna LP Elite er en innovativ, elegant flimmerfri LED downlight med et højt lysudbytte og høj farvegengivelse, som er godkendt til direkte indbygning i isolering og brændbart materiale.
- Velegnet til akustiklofter.
- Indbygningshøjden på kun 33 mm gør det muligt, at montere Luna LP Elite de fleste steder.
- LED-driveren kan nemt adskilles fra armaturet, hvilket kan være en fordel i forbindelse med malerarbejde.
- Det er muligt at montere med kabel eller 16 mm flexrør.
