Hello,

December dawns! The Church rises to celebrate the start of a brand new year! The season of Advent is here, and the festive time of Christmas is upon us!

It all starts on Sunday, 1st December with the celebration of Advent Sunday. St Peter's Church opens its doors with bell ringing to welcome John Sentamu, the Right Reverend Archbishop of York, as he leads the congregation in our morning communion service.

Advent, a part of the Christian calendar since Pope St Gregory the Great (591-604). Advent the first season of the Church year leading up to Christmas and including the four preceding Sundays. Advent, according to the Oxford English Dictionary, the season before Nativity; the coming of an important person or event. Yes, it's the season of Advent, heralding a time of preparation, as we wait for the Nativity of Jesus at Christmas; and the return of Jesus at His Second Coming. And as we look forward to Christmas Day and all the celebrations of the day, so we prepare ourselves, week by week, Sunday by Sunday.

There is much to look forward to in Advent. The Advent wreath with its four coloured candles, lit each Sunday; and the large central white candle, lit on Christmas Day. The Advent Calendar, daily taking us closer and closer to the day of Jesus' birth. The Advent Candle, standing tall, and lit each day, till the light of Christ comes into the world. All these wonderful preparations drawing us nearer and nearer to that day of joy as God's Son is born. Will we be ready to welcome Jesus into our homes and into our hearts?

Along the way there are events to enjoy. For those who want further understanding, on 3rd December at the Methodist Chapel at 7pm, there is an **Advent Reflection on 'Christmas – what is it really about?'**. Then for those who love singing and hearing the Christmas readings, on 18th December, at St Peter's Church at 7pm, **Nine Lessons and Carols**. On 22nd December there are two events, firstly at St Peter's Church at 10.45am, a **Christmas Big Sing**; followed at 4.00pm by the **Village Nativity**, this time taking place in the Simpson's Stable down Sheepman Lane, a must for all families. Again for families and especially children, 24th December sees our annual **Crib Service** at 4.00pm. Finally at 10.30am at the Methodist Chapel we celebrate **Christmas Day** with a **Family Christmas Service**. Everyone is welcome, do come and join us.

Wishing you a Merry Christmas and a Happy New Year  
Love  
Trish

## LOVE IN A SHOEBOX

For many years the Churches in Hutton Cranswick have supported the Jacob's Well Charity in Beverley by filling shoe-boxes (or similar size) for children and young people who have so little to call their own.

If you are able to support the appeal, the boxes will be collected at St Peter's and at the Methodist Church on Sunday 8 December at the morning services. Please mark your box to say whether it is suitable for a boy or a girl and an approximate age. We would also appreciate £1 per box to help with transport costs. If you are unable to attend the service, you may leave your box at the home of Ruth & Andrew Pickles, 71, Hutton Road, Hutton Cranswick (tel 270474), in the week before 8 December, or with any church member.

- It is useful to attach a checklist of contents for customs (see below). Please wrap the lid of the box separately from the bottom and secure the lid with rubber bands (NOT sellotape). We are asked NOT to include any type of sweets. Include a greeting card if you like, with a short personal message
- We are also collecting **WARM CLOTHING** for both adults and children, to go to the same charity (but not the same destination) also bedding and blankets.
- Below are some ideas - just tick anything that is included.

## Hutton Cranswick Methodist Church

Sunday Service: Cranswick 10.30

Minister : Rev'd Robert Amos – 01377 252105

### Inter-Church Prayer Fellowship

Mondays 9.30 am at 13a Orchard Lane

Dear Friends

There always seem to be sensational headlines, just recently there was one seeking to ban Christmas Crackers! At first it sounded as though someone wanted to take us back to puritan times and take the joy out of Christmas. On further reading I think the real headline was the cutting down on useless plastic gifts with which I agree!

The Christmas Cracker is another good way of telling the Christmas story.

The BANG reminds us how terrified and astonished the shepherds were when told by the 'heavenly host' of the good news of the birth of Jesus.

The hat is always a CROWN to remind us of The King -Jesus of course, and also The Three Wise men and King Herod.

The original crackers would have had a MOTTO or wise saying but this was later replaced with a JOKE that hopefully, just like Christmas makes you smile and brings you joy.

The GIFT reminds us of the Gold, Frankincense and Myrrh brought by the wise men; hopefully the plastic replaced with something useful) and also the gift of Emmanuel- Jesus God's son.

It's good to have a recycling bin for the waste paper, and linked that to Mary who kept and pondered what had happened -- recycling ideas and memories of the birth, and making sure that the story was not just for Christmas but for life.

Hope you have a joyful and blessed Christmas!

Regards, Rev Robert Amos

PS What's your favourite Cracker joke?

What do you call it when a bunch of sheep roll down a hill? A Lambslide

What did the grape say when the elephant stepped on it? Nothing. It just let out a little wine.

Why did the man get the sack from the orange juice factory? Because he couldn't concentrate.

What did the inflatable teacher at the inflatable school say to the inflatable child caught holding a pin? You let me down, you let your friends down, you let your school down but most of all... you let yourself down.

## Young visitors for Christmas/New Year?

Are you expecting young visitors to stay with you over Christmas/New Year? If so, you might be able to utilise some children's household equipment which I have "inherited", but have no use for this festive season - though I would eventually like it back! On offer (foc of course):

One collapsible travel cot with some bedding

One high chair on wheels

One buggy

Several stairgates

I can deliver if you would like to get in touch with me at 57 Main Street (01377-270173) or e-mail [ginasimpson@btinternet.com](mailto:ginasimpson@btinternet.com) - or you are welcome to pop round and I can show you what is on offer and you can see if it fits your requirements.

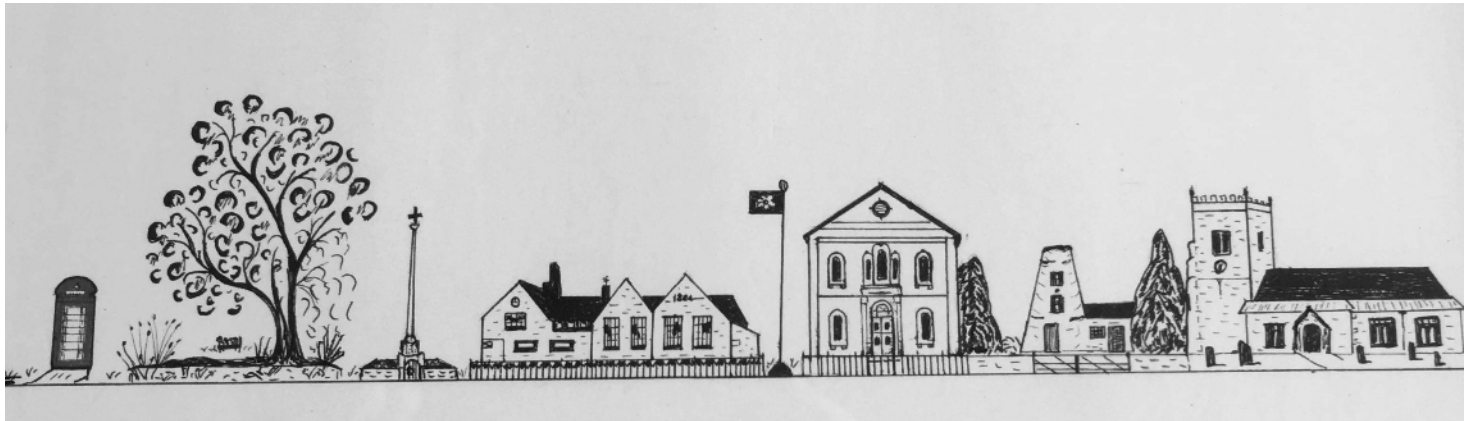

Thanks, Gina Simpson

**19/225 Minutes – Resolved** – That the Minutes of the Meeting of the Council held on the 25<sup>th</sup> September, 2019, be approved and signed as a correct record (proposed Cllr Teare/seconded Cllr Thompson).

**19/226 Matters arising** – Further to minute 19/200, it was noted, there was to be no changes to the usual arrangements for the Remembrance Service.

**19/227 Police Report** – PC Martin Phillips gave an overview of Humberside Police current policing numbers and recruitment strategy and the operational priorities of the Driffield Neighbourhood Policing Team. Consideration was being given for the current Fire Station site in Driffield to become a joint station for Police, the Ambulance Service and the Fire Brigade Service.

Crime in the Driffield Area had remained static over the last year. The Team was focussing on the dangers of speeding vehicles and recent lead thefts. The introduction of the use of CCTV had proved a successful crime prevention measure. The Community Alert initiative had also proved a success, where the public can make the Police aware of incidents and vice versa. It was suggested Parish Councils consider the use of CCTV.

PCSO Sharp had reported Main Street, Cranswick was not a suitable location for a speed survey, however, next week a test was to be carried out on Station Road.

Updates for East Wolds and Coastal and Driffield/Rural for September, 2019 were noted.

**19/228 Public Participation:** Paul Lisseter referred to the earlier discussion on speeding surveys and agreed to see if he still had some old planning information that included some speed data for Station Road.

**19/229 Planning Matters** – The following decisions were noted:

- (a) **19/02570/PLF:** Erection of a single storey extension to side and rear with render finish, following demolition of existing utility area, installation of replacement windows, removal of existing chimney stack on east elevation and erection of a detached garage at The Firs, 20 Orchard Lane, Hutton, East Riding of Yorkshire, YO25 9PZ – Full Planning Permission – Approved – 4 Conditions.
- (b) **19/02492/PLF:** Erection of a single storey extension to rear, following removal of existing, internal and external alterations, including the construction of two dormers to the front, with alterations to the existing front dormer at 7 Southgate, Hutton Cranswick, East Riding of Yorkshire, YO25 9QT – Full Planning Permission – Approved – 3 Conditions.
- (c) **19/02689/PLF:** Erection of single storey extension at The Nook, 18 Station Road, Hutton Cranswick, East Riding of Yorkshire, YO25 9QZ – Full Planning Permission – Approved – 3 Conditions.

#### **19/230 Planning Applications:**

**19/03241/TCA:** CONSERVATION AREA - HUTTON - Fell maple tree due to overshadowing and future risk of subsidence at 11 Mill Street, Elm Cottage, 13 Mill Street, Hutton, East Riding of Yorkshire, YO25 9PU – Tree in Conservation Area – **Resolved** – Not to object to the application (proposed Cllr Poolford/seconded Cllr Thompson).

#### **19/231 Representatives reports:**

- (a) **In Bloom** – Cllr Mrs Simpson reported the revamp of all containers was complete. A plant sub-group had been set up to buy in seed and plants and advise on planting. The Team had received donations of good quality top soil and manure. Further assistance at the Station was required. Unfortunately, there was very little progress in completing the improvement work at the Station. The wall remained in a dangerous condition. Two Members of the Team were to attend a Rail promotion Event on the 31<sup>st</sup> October, 2019. The Team was to support the Santa Special on the 14<sup>th</sup> December, 2019. The Advent Trail Windows was to be repeated again in December. The next Team meeting was on the 12<sup>th</sup> November, 2019.
- (b) **Pond** – Cllr Sibley-Calder had purchased replacement lighting and it would be installed on the 27<sup>th</sup> October, 2019. Cllr Poolford reported that the weed was under control at present. He would continue to closely monitor for any further weed growth.

**19/232 Play Area** – Cllr Thompson reported on obtaining grants to part fund the proposed improvements to the Play Area. A meeting with East Riding of Yorkshire Council, relating to a commuted sum allocation, was planned for the 29<sup>th</sup> October, 2019. The Clerk was to seek further clarification regarding inspections.

**19/233 Community Safety** – Cllr Richardson reported the footpath from South Lodge to the Trout Stream was overgrown and could prove dangerous.

A proposal from the Scouts to hold an event on The Green on the 2<sup>nd</sup> December, 2019 was noted. Further consideration would be given to the final arrangements for the event at the next Meeting.

#### **19/234 Clerk's report:**

- (a) **Speed Survey – Resolved** – To accept the offer from the East Riding of Yorkshire Council to look into undertaking a speed survey in the Spring of 2020.
- (b) **School Crossing Patrol Officer** – East Riding of Yorkshire Council continued its efforts to recruit a School Crossing Patrol Officer. An advert would be placed in the Bulletin.

**19/237 Parish Plan** – Cllr Teare was to provide a draft report for discussion at the next Meeting.

**19/238 Sign at the junction of Hutton Balk with A164** – Cllr Mrs Simpson reported that she had cleared the site, following the damage caused to the sign. It was noted that it appeared that East Riding of Yorkshire Council had commenced work to provide a replacement sign.

**19/240 Survey on Allowances – Resolved** – To inform East Riding of Yorkshire Council that Hutton Cranswick Parish Council did not wish to pay an allowance to the Chairman or its Members (proposed Cllr Teare/seconded Cllr Richardson).

**19/241 Creation of an area for dogs at the School** – A request received from a resident was withdrawn.

**19/242 Consultation from BT on the proposed removal public payphones – Resolved** – To purchase the BT public phone on Main Street, Cranswick for £1 (proposed Cllr Kelly/seconded Cllr Alderton).

**19/243 Tree Management Plan for The Green – Resolved** – To accept the Plan, as presented, by Cllr Poolford (proposed Cllr Poolford/seconded Cllr Thompson).

**19/244 Interim Audit of the 2019-20 Accounts** – The Auditor remained satisfied that the accounts and records of the Council continue to be well maintained. There were no matters arising from the audit and no significant areas of concern to which the attention of the Council needed to be drawn.

A matter raised regarding the changes to the Council's insurance policy had been satisfactorily explained to the auditor. The Council further reviewed the key changes to the Policy and had no concerns with the changes (proposed Cllr Poolford/seconded Cllr Lock).

**19/245 Noticeboards – Resolved** – To seek finalised costs for the aluminium classic style noticeboards (proposed Cllr Poolford/seconded Cllr Teare).

**19/246 2020-21 Parish Council Budget** – A draft Budget was discussed and noted. The allocation for allotments was increased by £500.00 to £2500.00. Approval was deferred to a future Meeting, pending the East Riding of Yorkshire Council confirming the 2020-21 Tax Base figure for Band D equivalent properties for the Parish.

## Help wanted with a craft project

I am in the process of up-dating and reproducing a new Family Tree and it isn't something I can tackle on the web. The original (large size - A1) is framed and hand-written and is fine as far as it goes - but it hasn't been up-dated since 2000. I have a full size copy of this original to work. It is written in small italic letters and the up-date needs to match. Is there any craft-orientated person out there with calligraphy skills who might be able to add the information I can provide. This isn't a massive project but I need to complete before the end of December if possible. If you think you might be able to assist (or even provide suggestions as to where to look/who else to tackle), please contact Gina Simpson on 01377-270173

With all other festivities now out of the way, it is time for us to really concentrate on Christmas and what I am sure will be a busy and hopefully hugely enjoyable period. Monday nights at The White Horse are currently echoing to the joyful, if perhaps not quite yet tuneful, sounds of carols old and new.

Although not officially performing, we are hoping to have a good number of the choir at the turning on of the Christmas lights on the Green on Monday, December 2nd to add a little volume to the proceedings. So please, come along and give us a hand - we need it!!!

However, the major performance for this period will be the Mulled Wine and Mince Pie Evening which will be held at The GeeGee on Monday, December 16th, starting at 7.30pm. This will be a very informal evening of community carol singing plus a little bit more. If we can manage to get our act together and learn a couple of songs, the choir should also be regaling you with a tune or two. Everyone is more than welcome and it gives the opportunity for the community to come together for an evening of celebration and enjoyment in a very relaxed setting. You will get the chance to sing along, have a drink or two and just enjoy yourselves - I know we will. Make sure you wear your silliest Christmas jumper/ scarf / dress or whatever and be prepared to join in. There will be a raffle with all proceeds going to charity. You will also have the chance to meet us and see that we are a very ordinary, mixed bunch who just enjoy singing and don't take ourselves too seriously. Who knows, if you like what you see, you may want to give it a try.

We meet every Monday evening in the back room at The White Horse from 7.30 till 9. Subs are only £2 per week and no one has to be an

experienced singer or even have the ability to read music. There are no auditions and we never kick anyone out - which is the only reason why I am still there! We like to think it is a fun evening which also has the benefit of raising money for local good causes.

Many of us also stay on for a bit of a natter over a beer or a wine afterwards and it's a great way of meeting new people.

Following the Mulled Wine Evening, around 40 of us will be returning to the pub for our Choir Christmas Dinner on Wednesday, 18th, which we are all eagerly looking forward to. Many thanks to Clive and Scott for helping us to make this happen.

After that, we will be having a few weeks break, before returning on Monday, January 13th to start the preparation in earnest for our First Birthday Party which will be an absolutely packed evening of entertainment and fun on Saturday 14th March. Put the date in your diary now - it will be held at Foreman's Garage (huge thanks to the wonderful Janet for all of her help with this) on Saturday, March 14th. More details on tickets will follow in the new year.

Hoping to see as many of you as possible on the 16th ready to warble, grunt, squark, shout, scream or maybe even just sing, but most of all, ready to enjoy yourselves.

In harmony

### Floods happen quickly and often without warning.

There is nothing you can do to prevent a flood, and scientists warn that an effect of climate change will be more frequent flash flooding in the future.

#### Flooding facts

- Just 150mm (six inches) of fast-flowing water can knock an adult off their feet
- Electric current can pass along downed power lines in floodwaters
- A car can float in just 600mm (two feet) of water
- Flash floods can cause walls of water 10 to 20 feet high
- Around five million people in the UK live in areas at risk of flooding.

#### Important flood safety advice

Remember flood water will probably contain sewage, which can cause disease. Always wash your hands/arms/ legs after coming into contact with floodwater with hot water and soap.

Keep contaminated footwear and clothing away from children. Do not allow children to play in floodwater.

As well as the risk of disease, grates and covers may have dislodged under the pressure of floodwater which can create a drowning risk.

If you need to walk through floodwater consider using a pole (brush handle) to test the ground in front of you.

#### Driving on flooded roads

Stay in first gear and **drive slowly** as the wash from your car could flood properties and oncoming vehicles.

Slip the clutch to keep the engine speed higher than normal avoiding a stall.

Where possible drive towards the middle of the road to avoid the deeper water.

Floodline 0845 988 1188.

In an emergency, residents can contact the ERYCouncil on (01482) 393939.

#### Allotments:

These are situated on Beverley Road. There are a number of plots currently available.

We'd like to say a big thank you to Scott, Kylie, all the Cranbury team, and everyone that supported it. We were very kindly given a donation of 6 benches by them. It's great to know that money spent in our village has directly benefited young people in the village too. Here are our Scouts pictured with the new benches.

Our Bonfire night went well, with all our Beavers and Cubs enjoying the night. All sections have been out walking in the dark and having fun with glowsticks whilst out. The younger sections have also had a visit to Tophill Low nature reserve, and have been learning about how to identify different trees, by their leaves and shapes of twigs and bark.

Scouts have been working on their photography skills and learning news ones for their photography badge.

## Your Sports and Recreation Association

We believe a more modern building would greatly enhance the facilities within the village and offer a greater choice of activities.

We are now planning to build this new facility for the village which will meet these aspirations. To do this we will need to raise £560,000. We are putting the project plan and detail in place so that we can identify the next steps for creating the new building.

We are seeking funding through various charities and trusts. We are looking locally to suppliers and trades people who are prepared to offer their expertise in creating our new building. Please get in touch with Mike Wardell on 07814 923699.

**Friday 13 December 7.30 pm**

**Entrance £5.00**

**Includes supper**

**Please phone Mike on 07814 923699

A Trip to Murton Park

On Tuesday we went to Murton Park eventually we went on the bus and finally we got to York. When we got off the bus we met Mrs A. Next we talked about the war after that we heard the Prime Minister. Then we washed the shirts soon we hanged it up it was really fun then we went outside in the bunkers the man threw stones on the bunkers. Then we went back in, before we went to play in the park, to have a biscuit and cocoa then we went back outside to play in the park. The alarm went off and we went in the bunkers and the man throw stones on them again then we washed our hands for lunch. After lunch we got a gas mask then we went to the museum.

How People on the Home Front helped in the World War Effort

Dig for Victory

In World War 2 it was a big battle. In the World War if you grew food you get to eat it because there was not a lot of food that's how some people died.

Evacuation

Evacuation was important. Children got evacuated because Germans bombed Britain children had to go to the countryside so they could not die. On the train they went there until the world war finished.

Rationing

Most of the food in the war most food was rationed each week they didn't get lots of food you needed 3 books and they were called id card and ration book and gas mask and it has black rubber inside the gas mask.

My River Journey

I was born as a puddle in the misty woods. I got pulled into a river.

I grew tough as leather. Ducklings started to swim on my back. People began to have a swim in me!

I became a waterfall, falling down a stream. I panicked I tried to go back up!

I tumbled into the sea. I cried for HELP but I am not me I belong to the big, blue sea.

By **Matilda**

My River Journey

I was born as a raindrop coming down from the blue clouds. I giggled and tickled the fish as I slowly walked past them.

I grew up into a strong river. I shoved and pushed the banks as I sprinted quickly passed.

I became one handsome river you could imagine. People started to paddle in me. I was happy I was loved.

I tumbled into the beautiful arms of the sea. I am no longer me I belong to the sea.
