Herbert Hutton Hedgehog here, nice to talk to you all again.

Hope you are getting out all your winter woollies as the temperature is starting to drop. Now me, not wearing anything but spikes, just put an extra layer of fat on to keep me warm but more importantly to help feed my body through the cold times when I hibernate.

You know nature is wonderful because just as I need to eat more the nights are longer to give me more time to do more eating, Yum Yum. I really do appreciate all of you lovely people who are putting food and water out for me, don't worry if it isn't eaten every night as there are still a lot of beetles and grubs about. If you want some hints on what I like to eat you can't go wrong with some cat biscuits just somewhere dry and where the pesky cats can't get to it first. I also love a bit of dog Pate, or tins of cat or dog food, just not in gravy or fish ones. Bread, milk and mealworms are vey bad for me but I love eating them, easier if you just keep temptation away from me.

When the temperature is below 5 degrees for four or five nights I will be tucked up in my nest, if we have a warm spell for a few nights I do come out to look for food so would love it if a few of you would keep the biscuits out, the beetles and worms are never as easy to find. Water would also be really appreciated.

I can't promise to pay you any rent but if I can find a quiet dry place in your garden, just a paving slab over a few bricks somewhere sheltered works, I may move in. Now I'm not lazy or anything but if you stuff it with hay and don't be too precious about clearing leaves away I will nest very happily. I love leaves, I roll myself in them flattening them against my spines and keep increasing the numbers until they end up like the leaves of a book wrapped round me, I can keep a constant temperature like this even in the harshest of winters.

It's been lovely talking to you just one last thing before I go, a bonfire looks just like a perfect nest to me and I might have just stopped for an over day nap in yours so please check very carefully before you light one. Just poking the bottom with a stick won't move me because I just roll into a ball and play dead when threatened. If you can lift up the bottom and shine a torch in for a really good look, light it from one side to give me a side to run out or best of all move it all to a new site, don't have to move it far.

If in doubt about a hedgehog the wonderful people at HHH can be reached on 07563917914 to the local number is 07722483845.

LIVING WITH UNCERTAINTY

Wouldn't it be great if we could predict what the weather was going to do from day to day? Paul Hudson on Look North does his best, but there are so many factors to consider, and at its best any kind of forecasting is therefore an inexact science.

The most unpredictable factor in any situation, in my experience, is the "H Factor" – the Human Factor. People can be wonderfully kind, generous, helpful and courageous; but, equally, they can be unkind, stingy, unhelpful and cowardly. It sometimes seems as if it depends which side they (or – let's be honest - we!) get out of bed on a particular morning.

On Remembrance Sunday, 10 November, and Armistice Day, 11 November, many of us across the UK and beyond will be remembering those who have laid down their lives for others in war, whether long ago or much more recently. In times of war, we see both "the best of the best" and "the worst of the worst"...

For Christians, any talk of sacrifice takes us to the symbol of the cross, which - if you think about it - is at the heart of our national flag. The cross reminds us of a man called Jesus, who - the Bible tells us - laid down his life for us. Not just for "the best of the best", but, equally, for "the worst of the worst" ... not to mention all those (most of us) who live, most of the time, somewhere in between those two extremes...

LOVE IN A SHOEBOX

For many years the Churches in Hutton Cranswick have supported the Jacob's Well Charity in Beverley by filling shoe-boxes (or similar size) for children and young people who have so little to call their own.

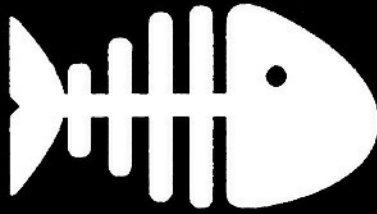

If you are able to support the appeal, the boxes will be collected at St Peter's and at the Methodist Church on Sunday 8 December at the morning services. Please mark your box to say whether it is suitable for a boy or a girl and an approximate age. We would also appreciate £1 per box to help with transport costs. If you are unable to attend the service, you may leave your box at the home of Ruth & Andrew Pickles, 71, Hutton Road, Hutton Cranswick (tel 270474), in the week before 8 December, or with any church member.

- It is useful to attach a checklist of contents for customs (see below). Please wrap the lid of the box separately from the bottom and secure the lid with rubber bands (NOT sellotape). We are asked NOT to include any type of sweets. Include a greeting card if you like, with a short personal message
- We are also collecting **WARM CLOTHING** for both adults and children, to go to the same charity (but not the same destination) also bedding and blankets.
- Below are some ideas - just tick anything that is included.

HUTTON CRANSWICK WI MEETING OCTOBER 2019.

President Lyn Neill welcomed members and guests and the folk version of Jerusalem was sung.

Treasurer's reports were given and secretary Gwynneth invited us to learn cake icing at the WI office, or four different Christmas crafts at Beverley cricket club.

We are invited to join with other WIs at St Michael the Belfry in York to celebrate the centenary of all the Yorkshire federations on 29th February.

Birthday cards were given and Happy Birthday sung to Gwynneth, Sue, Sylvia and Shirley.

We have had a thankyou letter from Breast Cancer Care, members had donated money for refreshments, which are usually free.

Our speaker for the evening was Mrs D. McKeown on Camping around Europe.

Back in the sixties Mrs McKeown and her husband had bought a small van and converted it for living in with bed, cupboards and camping gas stove. They then proceeded to tour Europe reporting on how each country had progressed since the end of the war.

We learned that Dunkerque had barely changed since the last soldier left, Lichtenstein was making a living out of false teeth and sausage skins and Julie Andrews was filming the Sound of Music in Salzburg. From Britain down to Greece it was a meandering journey and so interesting.

Members were reminded about the Group Rally on Friday, it should be good fun.

Christmas party this year will actually be a Christmas dinner with entertainment from a ukulele band.

Book club is 22nd October at Jenny's. We are reading "Those who are loved" by Victoria Hislop.

Coffee Stop is 25th October at the Garden Centre.

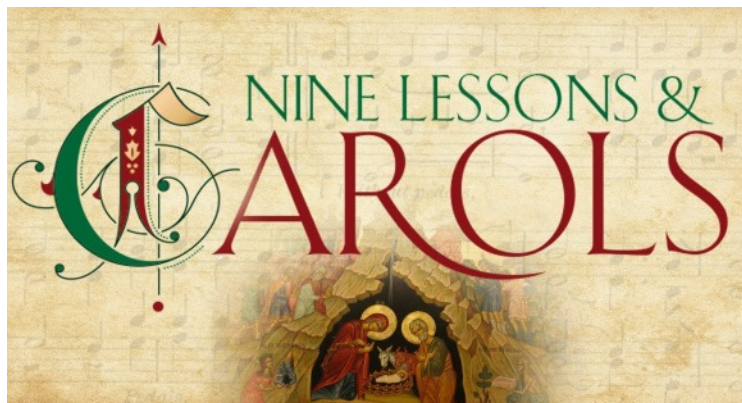

The competition, an old holiday photo was won by Lyn, 2nd Jo, 3rd Gwynneth.

November competition is a Pretty cup and saucer.

Next meeting is 12th November, speakers Yvonne and Julie (Tickton Tarts).

If you wish to book the WI Hall for your next event then please contact the caretaker, Paul Sedman on 07814 272818.

After a break of a few years the Traditional Carol Service is being re-introduced at St. Peter's church. It will be led by the St. Peter's choir and the date of this popular event is Wednesday, 18th. December at 7.00pm. The service will tell the story of Christ's birth in readings and music and there will be plenty of well known Carols for all to sing and enjoy.

For any other information, please contact the choir director, Peter Maw on 01377 232609. No charge for entry but an offertory will be taken during the course of the Service.

THANK YOU

I would like to say thank you to some people who helped me with the quiz last month, Gwynneth for doing the peas, Val and Rose for helping me with the uncooperative pies, Joan for doing the Quiz Questions, and last but not least Mike for doing the bar and helping with the tables etc. Thank you all so much Sylvia

Hutton Cranswick Methodist Church

Sunday Service: Cranswick 10.30

Minister : Rev'd Robert Amos – 01377 252105

Inter-Church Prayer Fellowship

Mondays 9.30 am at 13a Orchard Lane

Introducing our new Superintendent Minister : Rev'd Richard Teal

Hello, and thank you for your very kind invitation to contribute to your village newsletter.

I arrived as the new Superintendent Minister of the Driffield-Hornsea Circuit at the beginning of September and both Sue and I have been made to feel very welcome. A little information about myself which is what has been requested.

I was born into a tenant farming family in the Yorkshire Dales with no church connections. My childhood ambition was to be a music teacher and then one day the minister from the village's Methodist Church asked if I would play the piano at worship for them. Usually I would take a book to read during the sermon, but one day I forgot and listened and as Wesley said, 'my heart was strangely warmed'. From that moment I was converted to Christ.

When I was 16, I was working in the fields when I heard a voice say three times, 'Richard I want you for the ministry'. I knew that to be the voice of God, so rather than music, that is the path I followed. My minister advised I 'taste life' before moving into ministry so I took a job in sales and production. In 1978 I went to train at Wesley College, Bristol. At the end of my third year I was pulled out early due to the shortage of ministers. Newly married to Susan, we moved to Gateshead. By the age of 28 I was Superintendent Minister of the Berwick upon Tweed Circuit and then moved to Beverley.

I became Chair of the Cumbria Methodist District in 2008. As Chair of District I have represented Methodism on three national ecumenical committees as well as serving on the Methodist Medical Committee and as a Director of the Methodist Housing Society. I have recently completed my term as co-chair of the national Methodist/URC Rural strategy group. It has been a huge honour and privilege to have served as a Chair of District but no more so than being a Circuit minister. I have always said I would return for my last appointment to Circuit ministry never thinking it would be in Driffield near to where my two sons live who are both involved in the Agricultural Industry.

What are my particular interests in ministry?

- 1: I am passionate about ecumenical relationships. During my time in Cumbria we created the 1st ecumenical county.
- 2: Pastoral Care: I am a great believer in the Pastoral Care of people both in the church and community.
- 3: Rural Churches: I am concerned that rural churches grow and develop and committed to a Christian presence in every village.
- 4: Mission: I am committed to each church having a Mission Action Plan with direct mission focus.
- 5: Relevant Worship: Worship is our primary reason for being. It must be of the best quality that we can offer.

Thank you once again for this opportunity and I look forward to getting to know you.

Richard

Having reported over the past couple of Bulletins on our public performances, there is something of a lull this time round. Instead we are now starting to put together some Christmas numbers in time for the Mulled Wine and Mince Pie evening with community singing which will be held at The White Horse Inn on Monday, December 16th. All are welcome and it promises to be a fun evening, with plenty of traditional carols and a little bit more. You even have the chance to join in - you could treat it as a sort of audition for the choir! As you probably already know, we don't require auditions and are happy to welcome all comers. All you need is a love of music (but no ability to necessarily read it) and a wish to help raise money for good causes.

The choir continues to grow in number and we have been delighted to welcome several new members in the past few weeks. However, we are still desperately short of tenors. We are not choosy, so that could be tenor men or tenor ladies. Even if it's not for you, maybe you could mention it to people you know? There is no need for people to be resident in the village - we'll take anyone!!!

One other thing to report on was our first choir social: a group of us had a lovely evening at the Flemingate theatre watching an ABBA tribute band. We were so good that we were invited to act as backing singers for them - mind you, so was everyone else in the audience....Our next social event will be the Christmas Dinner at The White Horse in December, which we were all looking forward to.

So remember, if you or anyone you know are fed up of watching 'Deadenders' on a Monday evening and want to do something more fun and more productive, then why not come along and give the choir a try? Some people believe that singing actually releases more endorphins than going down the gym. And if nothing else, you can have a good chinwag afterwards whilst downing your favourite tippie.

Scouts 
Hutton Cranswick

On one of the wettest and muddiest days of October we held a family activity day at Raywell, for our members and their families to come and join us. The wet weather didn't dampen our spirits as we tried many different activities.

Beavers have learnt about hygiene using uv lights and special hand gel.

Cubs have recently completed a weekend camp at Melton, where they cooked their own meals, made shelters and had a great time. They all definitely needed a bath when they got home!

Scouts have been cooking in cardboard ovens, before accidentally setting one alight!

Places available in all sections, please email for details – cranswickscouts@gmail.com

We've recently lost one of our Cub leaders as he has joined the Navy, so we're looking for another pair of hands to join us! Full training and support is given for whatever you can offer.

If you can help in any way the young people of our village would love to hear from you and benefit from your time. Volunteering is rewarding!

We believe in bringing people together to enjoy fun, friendship and adventure in a place they can belong.

Do more. Share more. Be more.

We believe a more modern building would greatly enhance the facilities within the village and offer a greater choice of activities.

We are now planning to build this new facility for the village which will meet these aspirations. To do this we will need to raise £560,000. We are putting the project plan and detail in place so that we can identify the next steps for creating the new building.

We are seeking funding through various charities and trusts. We are looking locally to suppliers and trades people who are prepared to offer their expertise in creating our new building. Please get in touch with Mike Wardell on 07814 923699.

Have your next “do” at the SRA

Organising a celebration - Birthday, Wedding anniversary, a “works do” or fund raising activity - then the SRA at Hutton Cranswick is an ideal location.

Plenty of car parking, grass area, hall, kitchen and bar facilities makes it the ideal venue for your next event.

If you wish to book the SRA hall for your next event then please contact Frances Johnson on

The Pirate

The pirate was evil. He cannoned other pirate ships and he stabbed his enemy through the heart. He wears a blood red coat below his razor-sharp sword. He is called Blackbeard.

The Rainforest

I care a lot about the animals in the rainforest because they are like any other animal and should be treated well.

Have you ever wondered what it would be like without the rainforest this means the local people in the rainforest will have to move to the city and their homes and way of life will be destroyed.

I have really good ideas about stopping deforestation, helping animals, making sure crops can still grow and people's life in the rainforest is the same and all the animal's habitats are safe and happy.

Anyone who likes the rainforests plants and animals will think the same as me, they want the animal life to stay the same and it not to be burned down to the ground.

Wouldn't you like the rainforests plants and animals to be the same as they always have been?

However, you can change it and stop deforestation and if you are HURRY UP!

Childhood Experiences of WW2

We interviewed Milly Smith and we got a lot of information from her about her childhood during World War 2.

Rations

Milly told us about rationing during the war. She reported that one adult would only get 2oz of butter, 4oz of margarine, 2oz of cheese, 4oz of lard, 1 egg or one dried egg, 4oz of ham, 8oz of sugar, 3pints of milk and 2oz of tea. That amount of food needed to last for a week and was not a lot to feed a whole family. Since rationing was a long time ago she might have missed a couple of foods that were also rationed. Even though the war ended rations still went on for a few more years until food supplies were increased.

Air Raids

Milly lived in a tri-house of 16 so she didn't have a back garden. This meant they didn't have an air raid shelter of their own. Luckily the city had some shelters built. Milly lived in Hull so she was bombed regularly so she spent most nights in an air raid shelter. Once Milly was in the street and suddenly she noticed a doodlebug lying on the floor so she ran as fast as she could and screamed for help!

Celebrations at the end of the war

We asked Milly how she felt at the end of the war and she replied by saying she felt joyful. The road that she lived on held a street party as a celebration. Milly wasn't allowed out into the street for the party but she watched from a window.

The Second World War

Five 2nd World War Children shared their childhood memories with young people from Hutton Cranswick Primary School. The Year 6 pupils prepared for the interviews, producing a range of questions and the 2nd WW children produced mementoes and photographs from their childhood in the 1940s. More reports will be published in the New Year.
