## Support our colour theme for 2019

It's 25 years since Hutton Cranswick in Bloom was formed in 1994. It seems appropriate to mark this in our floral displays this year. At the recent meeting of the In Bloom group we decided to concentrate on **the colours of the Yorkshire flag: blue, white, yellow and green for the annual displays** in containers and hanging baskets, with a touch of silver to mark the Silver Anniversary of getting started.

### Reminder for the container & photographic competitions

#### Spring Container Competition

The Spring 2019 container competition will be:

#### Planting in a Recycled Container.

Judging will take place by **mid-April 2019**. Confirmation of the exact date will depend on the judge's availability.

#### Help needed

We rely on volunteers to help with planting up and watering the containers. There have been one or two changes recently in volunteers' ability to do this, either because of work commitments or health issues or moving away.

In particular, we need someone to look after the two large metal troughs situated either side of Hotham Road junction. Ideally it would mean planting them up and watering through the growing season. If anyone feels able to take this on, please contact:  
Gina Simpson: 01377 270173, email: [ginasimpson@btinternet.com](mailto:ginasimpson@btinternet.com)

#### Spring Photographic Competition

The Spring Photographic Competition is:

#### A Spring Visitor.

**Printed** photographs - **minimum size** 17 cm by 12 cm (7" by 5") should be delivered or sent to Margaret Jenkins at 2 Pinfold Close, Hutton Cranswick, YO25 9YU  
**Digital images:** No more than two photographs – can be sent as an email or WhatsApp attachment to:  
Richard Alderton, email: [r.w.alderton@googlemail.com](mailto:r.w.alderton@googlemail.com)

The **closing date** for the photographs is:

**Tuesday, 2<sup>nd</sup> April 2019**

#### "In Bloom" meeting

The next meeting of the 'Village in bloom' group will take place on **Tuesday 5<sup>th</sup> March** at **2.00 pm** in the **Conservatory** at **Cranswick Garden Centre**.

Come and join us.

More volunteer gardeners are always welcome.

As I write this piece, the early signs of spring are starting to show through. Snowdrops can be seen in gardens and on the verges at the side of some roads, crocus and daffodil plants are poking their green shoots through and some early buds are starting to form on branches of fruit trees.

This is a great reminder for us that the circle of life goes on, season after season, year after year. The world around us will change at different times and seasons, but that cycle will keep on following the same pattern, year on year. Or will it?

Recently there were reports that many species of insects could be extinct within a century. Whilst we might see many insects as being a pest, we have to remember they play a vital part in pollinating our crops. Without insects,

our food supplies would be severely interrupted.

Insects are a vital part of the food chain – without insects the whole balance of nature would be upset.

School children have been on strike protesting that our governments are not doing enough to prevent climate change. It started with one sixteen-year-old in Sweden who stood up to be counted and now it has spread to other counties. It is easy to dismiss them as pupils who simply want to skip lessons, but I have no doubt that many of these protestors are genuine in their concerns.

I do not claim to be a climate change expert – I am not a great scientist who has done lots of research – but I can read. I can read the reports that qualified people have put together, and I can make my own conclusions. I am aware that some people see the changes in our climate as simply being part of a natural cycle. Other disagree and are sure that human activity is contributing to these changes. Whilst there might be uncertainty in some peoples' minds, can we afford to take that risk? Can we afford to sit back and do nothing in the hope that things will get better? I don't think we can.

Some will argue that there is little that we can do as individuals that will make a real difference – but that doesn't mean we stop trying. Each little step helps –

each little step shows that we care.

Whether you believe that the world and all that inhabits it was created by God, or whether you believe that it all started with a big explosion millions of years ago, the fact is that this is the only planet we have. It is a planet that provides what we need to maintain life, and we need to take care of it. As you enjoy those green shoots of spring that are starting to show through, let's ensure that we take the action needed for those green shoots to be seen by future generations.

Martin

## ***FLICKS IN THE STICKS***

**SATURDAY 2 MARCH 6.30 PM : AT ST PETER'S CHURCH, HUTTON : CLASSIFICATION PG**

This film follows ex-convict Jean Valjean (Hugh Jackman) after his release from prison. Valjean meets the broken-spirited Fantine, promises to care for her daughter Cosette as Fantine is about to die, and finds his own life completely changed as a result of that promise.

This is a deeply powerful film that's rich with raw feeling, the grittiness of life in 19th century France, and the conflict between right, wrong and the concept of redemption.

***You are invited to come and discuss the different themes raised in the film at St Peter's Church on Tuesdays March 12 - April 9 as this year's Lent course. Coffee 7.00 pm. Discussion and extracts from the film 7.30 - 9.00 pm.***

**THURSDAY 14 MARCH 7.30 PM : AT CRANSWICK METHODIST CHURCH : CLASSIFICATION PG**

You are invited to the magical Greek island of Kalokairi in an all-new original musical based on the songs of ABBA. With the film's original cast returning and new additions including Lily James. As the film goes back and forth in time to show how relationships forged in the past resonate in the present.

**Due to the conditions of our licence, we cannot give the names of the films, for more details please phone 01377 253547.**

**Free admission. Refreshments will be served. All children must be accompanied by an adult**

## Planning permission granted - let's get this built!!

In January planning permission was granted for our proposed building. We believe a more modern building would greatly enhance the facilities within the village and offer a greater choice of activities.

We are now planning to build this new facility for the village which will meet these aspirations. To do this we will need to raise £400,000. We are putting the project plan and detail in place so that we can identify the next steps for putting the new building in place. We are seeking funding through various charities and trusts. We are looking locally to suppliers and trades people who are prepared to offer their expertise in creating our new building. Please get in touch with Mike Wardell on 07814 923699.

In December we launched our appeal and started on our fundraising with our brick sponsorship. (More detail is on the form below). Thank you to the many people in our community and beyond for their generous donations. Many were given as presents or in memory of relatives, friends and pets. So if you are lost for an idea for a Mother's Day gift then sponsor a brick in their name! Some people have been very generous in donating more than the suggested minimum amount - Thank you

The SRA is ever more popular and now we are preparing for the warmer months. We are planning two permanent brick built BBQ kitchens on site. We hope to have these built in time for the Easter break. Then with these in place and additional picnic benches you will be able to meet up with friends and family for an impromptu barbecue. More details to follow.

Be part of this inspirational project, help us by sponsoring a brick. Please use the form below

I'd like to sponsor a brick for £30. Name / message to be included on your brick (max no of letters is 30, including spaces and punctuation).

## Hutton Cranswick Methodist Church

Sunday Service: Cranswick 10.30

Minister : Rev'd Robert Amos – 01377 252105

### Inter-Church Prayer Fellowship

Mondays 9.30 am at 13a Orchard Lane

Do you see yourself as a glass half empty, or a glass half full ? Optimist or pessimist? My favourite definition of a pessimist is 'Someone who puts prunes on their All Bran!' or 'Twixt the optimist and pessimist the difference is droll

The optimist sees the doughnut the pessimist sees the hole.

It is said that John F Kennedy always tried to have a positive outlook on life. He used a story of twin brothers, one of whom was always pessimistic and one who was always optimistic, the proverbial eternal optimist. This presented an opportunity for scientists to carry out tests and studies, to which the parents agreed.

Accordingly the pessimistic lad was placed in a room full of toys, computer games and other diversions that were the current rage, then left for an hour. The optimistic boy was placed in a room full of manure for an hour. After the hour was up, the scientists opened the door of the pessimistic boy's room and found the toys broken and the computer screen smashed. The boy was mumbling "My brother probably has lots better things than I have. He's probably having a lot more fun. When they opened the optimistic boy's door they found him still wading through the manure, digging deep with his hands and saying "With all this manure, there must be a pony in here somewhere.

In the Christian calendar we are in the season of Lent. It always seems to across with a negative image. It should be more than just giving up chocolate or alcohol for a period of

time. Lent should provide a opportunity to let our glasses refill - to embrace the freedom to be ourselves. a season to turn away from the things that hold us back spiritually and mentally and to make time to be with God and to help us to put our lives, work, health and spirituality into some order and perspective.

Christians believe Lent is an opportunity walk with God during these 40 day, by praying a bit more, reading something that helps us to reflect on Jesus'. To replace a negative with a positive

Give up complaining                      focus on gratitude.

Give up harsh judgments . . . think kindly thoughts.

Give up discouragement. . . be full of hope.

Give up hatred. . . . . return good for evil.

Give up anger. . . . . be more patient.

Give up gloom. . . . . enjoy the beauty around.

Give up jealousy. . . . . pray for trust.

Give up gossiping. . . . . control your tongue.

Give up giving up. . . . . hang in there!

Regards,

Robert Amos

The contractor was to make good any damaged grass verges once the housing scheme was complete.

The Scheme comprised: 2 four-bedroom houses to be sold at full market value; 6 homes for rent (4 two-bedroom houses and 2 two-bedroom bungalows) and 4 homes for sale on a shared ownership basis (2 three-bedroom houses and 2 two-bedroom bungalows). The homes for rent will be at 80% of full market rent and the shared ownership shares would be available from between 25% and 75% depending on what share the purchaser was able to afford.

Priority was to be given to local residents and those with strong connections to the village. The homes for rent would go to households who had their names on the housing register. The shared ownership homes would be sold to those who had registered their names with the local HomeBuy agent. An open afternoon was to be held on Wednesday, 13<sup>th</sup> February, 2019 between 3.30 pm and 6.00 pm at the W.I. Hall.

A comparison on house prices on the shared ownership properties, and the monthly rent on the rented properties with similar developments in the East Riding was noted. David Siddles answered questions raised by Councillors.

**19/005 Police Report** – The Office of the Police & Crime Commissioner for Humberside Engagement Officer, for the East Riding, had requested Parish Councils to provide the Top 3 Community Safety issues / priorities for their area. It was agreed to report; dog fouling; speeding and inconsiderate parking as the top 3 safety issues in the village. Updates for East Wolds/Coastal and Driffield/Rural for December, 2018 were noted.

**19/009 Play Area** – Following consideration of quotations for a number of options it was **Resolved** – That the Schoolchildren be asked to choose their preferred seesaw (proposed Cllr Teare/seconded Cllr Swan).

**19/010 Community Safety** – It was noted the road markings on the junctions off the A164 at Hobman Lane, Main Street and Hutton Balk were barely visible and needed re-lining (798217). Similar concerns had been raised with the yellow road markings in Cranswick (789239).

A resident had raised a concern that a tree at the corner of Church Lane, opposite the church, in the grass verge had grown very big and wide, making it difficult to see anything coming around the corner when approaching from Church Street direction (789228).

A resident had raised a concern that there were times when lorries parked on both sides of Hutton Road, where the new building site was, it made it extremely hazardous to squeeze through. It was suggested that deliveries be taken on to site and not on Hutton Road.

#### 19/011 Clerk's report:

- (a) **Local and Parish Elections 2<sup>nd</sup> May, 2019** – An information pack on the nomination and Election process was to be provided to the Clerk in early February. The East Riding of Yorkshire Council was to publish information on the Election and provide briefings for potential candidates.
- (b) **Precept 2019/20** – East Riding of Yorkshire Council had confirmed the receipt of a precept demand for £30,105.00 for the Hutton Cranswick Parish Council. The precept, set by the Parish Council, will mean there was no increase for residents, to the parish council charge in the Council tax bill. The band D charge was to

remain at £38.20. The precept was to be paid to the Parish Council in two equal instalments on the 30<sup>th</sup> April, 2019 and on the 30<sup>th</sup> September, 2019.

- (c) **Proposal for improving safety for children attending Hutton Cranswick Primary School – report from Traffic and Parking Assistant Engineer** – As a result of a resident requesting the zig-zags outside the School be extended, the Parish Council sought advice from East Riding of Yorkshire Council on measures to improve safety for children and parents approaching the School from the direction of Hobman Lane and on general road safety at the School. Traffic and Parking Engineers had undertaken a traffic survey over the last 2 to 3 months. As a result of the survey the engineer had suggested the introduction of a no waiting restriction on both sides of the carriageway that would be operational the same time as the existing no stopping restrictions, 8.15am to 9.15am and 3.00 pm to 4.00 pm.

The proposal would prevent vehicles parking in that location and would make a clear crossing area for those that walk and come on the path across The Green and clear the location where a lot of vehicles come face to face and are uncertain on what to do. The engineer was to contact the School to see if they had any issues.

The implementation process was noted. The proposal would be added to the Traffic and Parking workload programme for 2019/20. It was likely to take between 6 to 12 months before the proposal came to fruition. The Traffic Regulation Order (TRO) process was: Consultation (three weeks); Delegated report to be written and signed off; Legal Services instructed to progress the TRO; Public advertisement (three weeks); if objections received, then objections to be considered and an objection report written; order the works (contractors given eight weeks to complete the works). As a TRO was expensive, the East Riding of Yorkshire Council often grouped two or three together to be cost effective.

It was **Resolved** to request the engineer to take the proposal forward (proposed Cllr Teare/seconded Cllr Mrs Simpson).

- (d) **Village Flag** – It was agreed to have a competition for a design of a Village flag. The Schoolchildren would be asked to submit entries to the Parish Council by the first week in July. The Parish Council would select 3 of the designs to go forward to the Village Show, with residents voting to choose the winning design. Cllr Teare was to prepare a plan and costings (proposed Cllr Thompson/seconded Cllr Mrs Mills).

**19/012 HCRSA** – Cllr Mrs Simpson reported that the Senior Youth Club was doing well. East Riding of Yorkshire Council's Health and Wellbeing Co-ordinator was to attend a session and there would be an opportunity to discuss ideas for future funding of equipment for the Club.

**19/013 Centenary Wood** – The Minutes of the Meeting held on the 19th September, 2018 were received (proposed Cllr Swan/seconded Cllr Mrs Mills). Cllr Richardson reported maintenance work had been carried out in the North Eastern Zone. Further work to be done in the Northern Zone by the end of the Month. It was planned to introduce ground elder, periwinkle and wild garlic as ground cover to suppress the growth of nettles. A proposal for planting silver birch trees was to be presented to the next Meeting.

**19/014 Gatehouse Lake** – The Minutes of the Meeting held on the 16<sup>th</sup> October, 2018 were received (proposed Cllr Thompson/seconded Cllr Swan). A draft Lease between the Council and the Angling Club was considered. It was **Resolved** – That the Lease was approved, subject to the inclusion of (a) a condition survey of the Lake to include a period of review and (b) a Schedule of maintenance work to show what each party was responsible for. A revised Lease would be submitted to a future Meeting for approval (proposed Cllr Thompson/seconded Cllr Swan).

**19/015 Parish Plan** – Cllr Teare reported that separately to the Parish Plan re-write, preparation was underway on the survey and contact with houses on Main Street/Hutton Road, The Paddocks and Churchill Avenue on the proposal for a new layby for car parking on Hutton Road. The 'Thoughts' Boards had been placed in St. Peter's Church over the Christmas period. A meeting had taken place with management at Hutton Cranswick Primary School. Discussion was taking place with Driffield Secondary School on holding an assembly with Hutton Cranswick children who attend the School.

**19/016 Standing Orders** – The Clerk had reviewed the Standing Orders. It was **Resolved** that there was no change required at present (proposed Cllr Thompson/seconded Cllr Swan).

**19/017 Financial Regulations**– The Clerk had reviewed the Financial Regulations. It was **Resolved** that there was no change required at present (proposed Cllr Mrs Mills/seconded Cllr Wilson).

**19/018 Risk Register** – The Clerk had provided a review on the risks faced by the Council. It was **Resolved** – The risk assessments be approved with the addition of risks for the flag pole and the chamber for the Christmas Tree (proposed Cllr Swan/seconded Cllr Mrs Simpson).

**19/019 East Riding of Yorkshire Council Chairman’s Awards, 2019** – There was no nomination for this year’s awards.

**19/020 Allerthorpe Neighbourhood Plan 2019-2034** – The Plan was noted.

The next Hutton Cranswick Parish Plan is a statement of how the community sees itself developing over the next few years. It should reflect the views of the community as a whole and contain an action plan which identifies practical steps that can be taken to help the community achieve its vision for the future.

### Survey

During February surveys were carried out with the Senior Youth Club and the Women's Institute.

A number of health issues were raised and this will be taken into account when the plan rewrite looks into health issues for the village. If your community group would like the opportunity to contribute to the survey then please get in touch.

### Education

Follow up discussions have taken place with the Primary School. There is more work to be done on wraparound and holiday childcare provision for village children. If this is a particular concern then please let the school know of your need. We are looking to organise a survey with secondary school children through Driffield School.

### Local economy

We have written to 48 of the local businesses and although early days the response has been encouraging.

Melvyn Teare and Tanya Thurlow

Following a query by a concerned resident who lives east of the Cranswick Station level crossing, councillors contacted Network Rail.

*The query is that we believe the Cranswick Crossing should be reviewed and different barriers put in place at the Location as the barriers don't cover the whole of the road and children will still be able to get onto the Track even if the barriers are down. Our comments were passed to the local level crossing manager and he has responded to say that there is no imminent upgrade of the crossing due, however the crossing is planned to be upgraded to a full barrier crossing along with other crossings on this route when the Hull to Scarborough line is re-signalled. The provisional planned date is 2025.*

## See track // think train

As pedestrians we need to:

- Concentrate – it's easy to get distracted, especially by phones, music and conversation.
- Stop, look and listen. Follow signs and instructions.
- Check both ways before crossing – if there is a train coming, don't cross.
- Understand the warnings (lights, barriers, alarms)
- Cross quickly, keeping children close and dogs on a lead.

# Scouts

## Hutton Cranswick

February is YouShape month in Scouting where the young people get chance to have their say on what they want to do and the vision for how scouting looks for them.

#YouShape

While all sections get chance to do this, the older sections really can get stuck in.

So Scouts have discussed with their leaders what they have enjoyed and what they have not and they then put together a programme they would like the leaders to run. From what we've heard they've got an exciting few things lined up over the next few months. So far they made model campsites, learnt some first aid, made a meal for a patrol for a fiver.

Beavers meanwhile have been learning about all aspects of Communication:- learning Morse code, sending emails, the phonetic alphabet and their home phone numbers.

Cubs have been learning about different disabilities and how people adapt to them. We challenged them to make a sandwich using only one hand, which they did with varying degrees of success, and they have learnt to finger spell their names.

Both Beavers and Cubs are also on with traditional skills and are starting to learn knotting. This is in addition to the usual mix of collections and hobbies badges that get brought in to be shown.

We have places available after half term, so please get in touch early to fill them or get names on our waiting list. Anyone interested in joining us or offering any skills, then please contact us on [cranswickscouts@gmail.com](mailto:cranswickscouts@gmail.com).

### A Letter Persuading People to Live in an Anglo-Saxon Village by **Kayleigh** in Year 5

Dear, the Louin family,

I am the chieftain of the Pudsley village. I am writing to you to see if you would care to join us in the village. My name is Courtney-Jade by the way. I would love for you to come and join Pudsley village, it would be a real step up for our village.

Our village is a very spacious place. There are a couple of houses that would suit your family perfectly. You would be respected, cared for and happy. We have tons of fields and lakes to build your crops and to get water from. You will see thousands of animals that children are welcome to play with. You will see some new faces and maybe some older ones.

Most would agree, that the jobs here are quite fun actually. Unbelievably, you can be a wood chopper or a jeweller. I think you would have a great laugh. Although the jobs are basic you can still have fun. You will be surrounded by fun. And you would settle in your jobs.

Our stately homes are quite big to be fair. You will fit a family of 4 in any day of the week. You would be warm and cosy. Without a doubt, you would get a decent night's sleep. Enjoying sleep is so good. If you came you would have the best life and home ever.

The house I think that would suit you is covered in oak trees. I hope you have now considered moving

to Pudsley village. We would love it if you would come. You would settle tremendously well.

Yours sincerely  
**Kayleigh**

### The Piano

Thrilled that Florence had visited, Alfred let out a deep contented sigh "Oh my darling Florence, I have missed you so much. I can not live in this world without you."

"Oh Alfred, I didn't want to leave you alone all this time. I fought my hardest to stay," whispered Florence lovingly into Alfred's ear. Alfred then replied in a sweet voice, "Don't worry, you will always be in my heart and I will never forget you."

"I need to go now my darling, until we meet again" cried Florence with a sob catching in her throat.
