A VILLAGE WALK . . .

I'm sure many of you who use Social Media will be aware of George McGowan, a village resident who gets up at the crack of dawn and goes for an early morning walk, taking pictures as he goes.

We chatted with George a couple of weeks ago to ask him if we could use some of his pictures in this edition of The Bulletin. George, being George, went one better and suggested he do a 'Village Walk' video . . . so for those of you reading this edition from our new village website, just click on the top picture, sit back and enjoy. If you're reading this as a printed copy then we hope you enjoy the pictures below. A very limited number of printed copies of The Bulletin are available from Spar and James Whites' for those without internet access.

The In Bloom team has come to an abrupt halt during the lockdown brought on by the coronavirus crisis except for watering the most recently planted containers and ground beds. The Royal Horticultural Society has cancelled all the In Bloom competitions for 2020.

There is a lot of advice on various websites about how to cope with self-isolation and lockdown. One way is to spend more time in the garden growing flowers and vegetables and looking at wildlife. Here is one website you might like to take a look at. There are more though, so keep searching.

Dear friends,

What different times we're living in!

As I write, Captain Tom Moore has raised over £20m for the NHS.

Tom is a 99 year old Army veteran, recently treated for a broken hip and skin cancer. He decided to raise money "for the sake of the nurses and the NHS we have, because they're doing such a magnificent job" by lapping his garden 100 times before his 100th birthday on 30th April. Capt Tom's daughter, Hannah, called her father a "beacon of hope in dark times".

What are examples of our 'beacons of hope' in Hutton Cranswick?

The 'Pod' scheme where volunteers shop for those who can't.

The Rainbows in windows.

The Spar Shop being 'open all hours'!

James White the butcher being open.

Ray & Carolyn from the Garden Centre delivering our garden needs.

Food & drink deliveries from the Farm Shop.

The village Green with its beautifully kept pond and now the Cross with its glowing yellow flowers.

The lovely countryside available for our daily walks, runs, cycle rides and walking the dog. It's great to pass the time of day with those we meet – keeping our distance, of course.

Going out on a Thursday evening for 8pm, to clap our NHS, working where ever they are needed.

Our other 'key workers' who work for the other 'emergency services', or at Southlands, or providing care in people's homes, or working in the shops supplying us with food and other basic needs, or driving the vans, lorries etc delivering, or those working for the council keeping other vital services going. So many people who deserve our gratitude!

Being able to keep in contact with one another via the telephone and social media.

Food parcels from the Government.

All pulling together
No matter the tether

With the Lord of creation
We can help every nation

The panic from this bug
We could all do with a hug

But stay safe at home
Keep in touch through your phone

We must love one another
Like a child from its mother

Not forgetting, of course, all our friends at chapel and church.

(Many apologies for those I've forgotten.)

But for some, this is a very frightening and sad time: worry about jobs, having enough money to buy food and pay the other bills, keeping safe, cancelled events, curtailed travel. As a Christian, I look to God for strength, for reassurance and for hope. In times of despair, I have some favourite verses.

Psalms 23, especially verses 1 & 4. "The Lord is my shepherd, I lack nothing. Even though I walk through the darkest valley, I will fear no evil, for you are with me; your rod and your staff they comfort me."

Psalms 46 verse 1. "God is my refuge and strength, an ever present help in trouble."

Matthew chapter 8, verses 23-27. Jesus calms the storm on the lake. Even though the disciples knew Jesus was in the boat with them, they were still afraid. We are the same. Jesus is in the boat with us, but when trouble comes, such as Coronavirus, we forget that we can depend on someone greater than the trouble we're going through. Jesus was asleep because he knew there was no reason to panic. After rebuking the wind, it was calm. When we remember that Jesus is in the boat with us, we can trust him to calm the storms.

Paul's letter to the Philippians chapter 4, verses 6-7. "Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and minds in Christ Jesus."

I finish my writing with a prayer from "People of faith together" on Facebook.

"Lord, help us to hear you, help us to feel your presence. Help us to heed your guidance and lean into you in our time of struggle and fear.

Bless and protect those who are working to support our most vulnerable.

Love us, Lord and draw us closer to you."

Amen.

Love, Gwyn.

Inter-Church Prayer Fellowship

Mondays 9.30 am at 13a Orchard Lane

At times I get overwhelmed by the amount of news bombarding us. I do like to be well informed and kept up to date. It's when Journalists ask the same questions over and over and receive the same answers. I get 'news fatigue' .

I read recently something by a writer called Lori Wagner that caught my attention she said "We can't see it, we can't feel it, we can't hear it, we can't touch it and yet, we have been confined to our homes for fear of the Coronavirus." It is so true, but when we look around on TV and social media, we see that this invisible 'force' has changed people and the way we live.

I have been very impressed by the way that this situation has brought the best out in people. The expressions of thanks for our amazing NHS and ALL the unsung heroes who are giving their time, their skills and even their lives to help and heal people and to keeping our world going. Those who make us believe in life and future while we are surrounded by the threat of disease.

The Churches in the village haven't been able to celebrate in the traditional way but have been inventive in trying new ways in sharing the Easter story. Reading the account in the gospel of John it says that the disciples were 'locked away'. They didn't know who to trust. Judas Iscariot had betrayed Jesus for silver! Simon Peter had denied knowing who Jesus was. They were disillusioned with life. The air had gone out of their balloon and they sat defeated, not sure what to do next. Then Jesus appeared among them within the locked room. And their lives suddenly changed, they were knocked for six. Their mission was revitalized It taught them the value of faith, not in themselves, not in their world but something beyond themselves, in God and in the risen Jesus.

We don't truly change until change is forced upon us. This virus is changing the world as we know. We will never be the same again, it will always be a reference point. In years to come we will say "Do you remember in 2020?" I am thankful that the human spirit rises to the occasion when threatened or trampled. And God's spirit infuses us with life, hope, love and compassion and even peace at the times when we most grieve. It's at times like these that we realise that our most valuable commodity is not gold or money but faith in God and in ourselves, in our families, friends and communities. Relationships are everything.

The Easter lockdown experience changed another of the disciples. The one who unfairly is given the name 'Doubting Thomas'. He wouldn't believe until he saw evidence of the nail marks in the risen Jesus. Eventually, he was given the opportunity to see the nail marks but he believed and said "MY Lord and my God".

We may not see God around us. We may not see the wounds in Jesus hands and side the way Thomas needed to see. We may not hear Jesus' voice in real time.

We may not see him face to face in the way his disciples did when he walked this earth so long ago. But that doesn't mean his power isn't there.

Like our invisible virus, Christians believe that his power is there in the most astonishing, loving, healing, creative ways we can possibly imagine! God is still doing miracles all around us in a world united against a common foe. In this Easter season may you continue to be uplifted and encouraged and May God's blessings be upon you.

Robert Amos

HUTTON CRANSWICK

Hutton Cranswick Parish Council

Minutes of the Meeting of the Parish Council, held on the 25th March, 2020. Due to the risks of holding face to face meetings during the coronavirus pandemic, the Meeting was held remotely via Skype. The session commenced at 7.00 pm.

Present: Councillors: Alderton, Holtby, Kelly, Sibley-Calder, Mrs Simpson, Swan, Teare, Thompson (in the chair), Wilkinson, Wilson.

Parishioners present: None

The Clerk recorded the minutes.

Cllr Thompson stated that he aimed to manage the meeting, as far as practicable, in compliance with the Council's Standing Orders and Financial Regulations. In terms of decisions, a motion would require a proposer and seconder. If there was no objection raised, then the motion would be carried without a vote. If there was an objection, each Councillor would be asked, in turn, to cast a vote and the outcome recorded by the Clerk. All agreed to the proposal.

20/063 Apologies: Councillors: Lock, Poolford. Richardson.

20/064 Declaration of Pecuniary and Non-Pecuniary interests

Cllr Kelly	Item No. 9(a) - 20/069(a)- Pecuniary - owner of property/wife of Applicant
Cllr Mrs Simpson	Item No's. 15/22 - 20/074/20/078 - Non-pecuniary - HCSRA Committee Member.
Cllr Mrs Simpson	Item No.23 - 20/079 - Non-pecuniary - Member of the In-Bloom Team.
Cllr Teare	Items No's. 15/22 - 20/074/20/078 - Non-pecuniary - HCSRA Committee Member.

20/065 Minutes – Resolved – That the Minutes of the Meeting of the Council held on the 26th February, 2020 be approved and signed as a correct record (proposed Cllr Swan/seconded Cllr Thompson).

20/066 Governance of Meetings during the period of the coronavirus pandemic – It was **Resolved** to delegate the powers and duties of the council to the Clerk, in consultation with the Chairman and Vice-Chairman, as a contingency plan, in case communication was not possible through Skype, e-mail or by telephone (proposed Cllr Thomson/seconded Cllr Swan). Unanimously agreed.

20/067 Police – Reports from East Wolds and Coastal and Driffield/Rural for February, 2020 were noted.

20/068 Planning Matters – The following decision was noted:

- (a) **19/04203/PLF:** Erection of single storey extension and alterations to existing garage at rear, to create office at Mill Lodge, Mill Street, Hutton, East Riding of Yorkshire, YO25 9PU – Full Planning Permission – Granted – 4 Conditions.

20/069 Planning Applications:

- (a) **20/00627/PLF:** Erection of a single storey extension to side and alterations to existing attached garage, to form additional living accommodation at 13 Southgate, Hutton Cranswick, East Riding of Yorkshire, YO25 9QX – Full Planning Permission – **Resolved** – Not to object to the application (proposed Cllr Thompson/seconded Cllr Wilson).

Cllr Kelly left the Skype session and took no part in the consideration of the application.

- (b) **20/00637/PLF:** Construction of new vehicular and pedestrian access at Land to the North and West of 17 Station Road, Hutton Cranswick, East Riding of Yorkshire, YO25 9QZ – Full Permission. It was noted that the application was not a new proposal, but a request to extend a permission granted in July, 2013 that lapsed on the 7th July, 2020. It was **Resolved** – Not to object to the application (proposed Cllr Thompson/seconded Cllr Kelly). Cllr Sibley-Calder abstained from the vote.

- (c) **20/00643/TPO:** TPO - HUTTON VILLAGE - 1973 (REF 330) T5 - Fell 1 no. Ash tree due to having no leaf growth and will turn into deadwood and branches overhanging neighbouring property at 5 St Peters Close, Hutton, East Riding of Yorkshire, YO25 9YZ – Works to Protected Trees – **Resolved** – Not to object to the application (proposed Cllr Teare/seconded Cllr Wilkinson).

20/070 In Bloom – Cllr Mrs Simpson had circulated a report. Yorkshire in Bloom Summer Judging, 2020 had been suspended, businesses intending to participate in the competition had been notified. The group had met on the 10th March, 2020.

Prior to the recent Government advice on social distancing, several VIB work parties had taken place to bag up mass purchase/donations of soil and manure, these currently sited in the SRA car park and to paint, re-locate and re-plant various troughs/containers in the village. Four metal troughs are located at the northern end of Hutton Road; two wooden 2-tier planters adjacent to the Cranswick map and one large metal trough adjacent to one of the seats on the bottom path across the Green. The ground was being prepared for the siting of the container to go alongside the memorial seat adjacent to the Pond.

Three heavy duty plastic troughs had been set aside for painting/location at the Station.

Due to the current restrictions, a major Coffee Morning fund-raiser advertised and planned for Saturday 28th March, 2020 was cancelled. Some funds had been raised from the sale of plants originally designated for this event and, also from the sale of redundant Belfast sinks and donated box hedging plants. Raffle prizes which had been donated would be retained for future usage and a donated food/biscuit hamper with a limited shelf life was given to Southlands.

The group has liaised with Church representatives about the manufacture and siting of the new planter on the Green at the position to incorporate the Easter Cross. It was intended that planting would be undertaken on Good Friday and the Cross erected as in previous years, although the Walk of Witness would no longer take place, due to health concerns.

20/071 Play Area – In order to reduce the spread of the coronavirus and keep the community safe, the play area had been closed on the 24th March, 2020 until further notice. The repairs to the items still under guarantee had been completed. The annual stock valuation was noted.

20/072 Clerk's report:

- (a) **Replacement of the sewer pipe from Hutton Cranswick Sewage Pumping Station, located at the end of Southgate, to the Wastewater Treatment Works in Watton** – It was noted the work to connect to the new sewer was now planned for the 29th March, 2020.
- (b) **Notice board, Main Street, Cranswick** – It was not practical to site the new replacement notice board at the exiting location. Cllr Mrs Simpson had agreed that the board could be sited at her property, at 57 Main Street. As the board was on private property, it was necessary to submit a 'Do I Need Planning Permission' enquiry. It was agreed to make the submission at a cost of £60.
- (c) **Standing Orders** – A further review of the Standing Orders had raised some anomalies. The Clerk had submitted a schedule of recommendations to make good the inconsistencies, which were approved (proposed Cllr Teare/seconded Cllr Thompson).
- (d) **Financial Regulations** – A further review of the Financial Regulations had raised some anomalies. The Clerk had submitted a schedule of recommendations to make good the inconsistencies, which were approved (proposed Cllr Teare/seconded Cllr Thompson).

20/073 Allotments – It was noted there was only one vacant plot.

20/074 HCSRA – It was noted that the SRA was closed until further notice. The facility was undergoing a deep clean in preparation for its re-opening.

20/075 Centenary Wood:

- (a) The Minutes of the Committee Meeting held on the 3rd April, 2019 were received (proposed Cllr Thompson/seconded Cllr Swan).
- (b) The draft Minutes of the Committee held on the 19th March, 2020 were received (proposed Cllr Thompson/seconded Cllr Teare). The Council considered the recommendations as follows: -
 - a. It was **Resolved** to approve the estimate of £2,180.00, to improve the footpath around the Wood that was not resurfaced, as part of the footpath link project previously completed. A separate budget allocation from reserves, to fund the work, was agreed (proposed Cllr Thompson/seconded Cllr Sibley-Calder).

- b. The Council **Resolved** not to take forward a suggestion to make alterations to the car parking arrangements at the Wood. The situation was to be monitored, as it appeared that the problem was mainly as a result of inconsiderate parking.
- c. The Committee had considered a request from uniformed groups in the village seeking permission to locate a log cabin in the South West corner of the Wood. The Committee was not convinced such a proposal was appropriate for the Wood. There was; a lack of utility services at the Wood; a high risk of trespass and damage to previous planting, effort and hard work by the Friends of Centenary Wood; potential security issues of the cabin; a risk of attracting anti-social behaviour in the mis-use of the cabin and a risk of maintenance costs falling on the Council.
The Council **Resolved** to grant the request, in principal, and consider a costed feasibility for the project. The feasibility proposal would need to properly address the risks that concerned the Committee (proposed Cllr Thompson/seconded Cllr Wilson).
- d. The Committee considered the new notice board, planned to be sited in the Wood, was not in keeping with the Wood. The Council re-stated its decision, at minute 19/176, that a new single noticeboard be sited at Centenary Wood.
- e. The Council **Resolved** to accept the recommendation and dissolve the Committee (proposed Cllr Thompson/seconded Cllr Swan).

(c) A letter complimenting the provision of the new footpath and two bench seats was noted.

20/076 Volunteer Policy – Resolved – To adopt the Policy, as presented (proposed Cllr Teare/seconded Cllr Wilkinson).

20/077 Parish Plan – The outcome of the workshop that focussed on housing, older people and sustainability, held on 28th February, 2020 was noted. There were three key outcomes; to organise further workshops to include young people and a wider number of villagers; meet with the Clinical Commissioning Groups to discuss the provision of local health facilities and meet with ERYC Forward Planning Officer to discuss the affordable housing and further developments in the village.

20/078 Communication – Cllr Swan reported that the work on the new website was progressing well and the site would be live in the near future.

20/079 Proposed Solar Farm at Scurf Dyke – Community Benefit – It was **Resolved** to accept the JBM Solar offer of £40,000.00 toward the cost of providing a hard surface route for both cycles and pedestrians to connect Cranswick Main Street to the SRA (proposed Cllr Teare/seconded Cllr Wilson).

20/080 Request from the SRA – It was **Resolved** to award the annual grant of £5000.00 to the SRA (proposed Cllr Thompson/seconded Cllr Alderton).

20/081 Request from the In-Bloom Team – It was **Resolved** to award the annual grant of £1200.00 to the In-Bloom Team (proposed Cllr Thompson/seconded Cllr Swan).

20/082 Consultation on the Alamein Barracks Draft Masterplan Supplementary Planning Document – It was noted the consultation period commences on Friday, 6th March, 2020 and remained open for the foreseeable future.

20/083 Tackling Coronavirus (COVID-19) – Claire Reed, Cllr Swan, Cllr Teare, Sue Wardell, Angela Williams and Lynn Marshall had established a Volunteer Community group to offer support to the village during the coronavirus pandemic. The streets in the village had been divided into nine neighbourhood pods. The group was operating under the Council's Volunteer Policy. There had been a magnificent response from residents in volunteering to help the group. A number of vulnerable residents had received help.

Cllr Wilkinson had requested that the Council provide a small budget, to be managed solely by the Council, to be used to pay for essential items for vulnerable residents whose only source of payment was cash. As a result of self-isolating some residents had no money at home and no means of getting any at present. The money would be paid back to the Council as soon as practical. The Clerk would confirm if the powers under S137 could be used.

The Council congratulated the group on the tremendous work it had done in such a short period of time.

The Council noted other correspondence received on coronavirus.

20/084 VE Day 75 Celebrations on the 8th May, 2020 – Cllr Teare reported, as a result of the government's announcement, that public gatherings should cease, he was looking into holding an alternative event to support the VE Day 75 celebrations, to that reported to the last meeting.

20/085 Asset Register – Resolved to approve the review of the Asset Register as presented (proposed Cllr Thompson/seconded Cllr Swan).

20/086 Local Council Audit for the year ended 31st March, 2019 – The Auditor had provided a list of requirements for the year end audit which was noted.

As part of the audit, the Council had to have considered its reserves.

It was **Resolved** to allocate the following provisions:

Reserves	£'s
Play area improvements (legacy)	22500
New footpath/cycle way project connecting Station Road to SRA (legacy)	47500
Support to 2020-21 Budget	7594
Election Risk	3000
Centenary Wood : footpath improvements	2180
General Reserve	23120
Assumed monies held by the Council as at 1st April, 2020	105894

(proposed Cllr Sibley-Calder/seconded Cllr Alderton).

20/087 Annual Governance and Accountability Return for the period ending 31st March, 2020 – The Clerk had prepared a provisional Return which would be revised to reflect the final outturn position and presented to the April, 2020 Meeting. It was noted that in light of the government’s announcement to introduce stringent lockdown measures in response to the coronavirus pandemic, the external Auditor was not able to issue instructions for the completion of this year’s Return until such time as there was more clarity over the implications for smaller authorities (parish councils).

20/088 Budget – Detailed information on the assumed 2019-20 outturn, including payments, receipts, a bank reconciliation and bank statements were noted.

20/089 Payments:

Resolved – To approve payment of accounts, with the exception of the £12.00 charge for the hire of the WI Hall that was included as part of the agenda (proposed Cllr Swan/seconded Cllr Wilson).

20/090 Other payments – Resolved – To approve a payment of £60.00 to East Riding of Yorkshire Council for payment of a ‘Do I need Planning’ fee for an alternative site for the notice board on Main Street, Cranswick (minute 20/072(b) (proposed Cllr Thompson/seconded Cllr Swan).

The payment would be recorded on the April, 2020 agenda and in the Minutes.

20/091 Correspondence - The following correspondence was received and noted: -

- (a) East Riding and Northern Lincolnshire Local Councils Association (ERNLLCA) – February, 2020 Newsletter.
- (b) East Riding of Yorkshire and Kingston upon Hull Joint Access Forum Meeting 11th March, 2020 agenda.
- (c) Notification from HM Treasury of the governance change to the Public Works Loan Board.
- (d) ERNLCCA – information relating to Coronavirus.
- (e) Lissett Wind Farm Community Fund open for applications and closes 30th April, 2020.

20/092 Next Meeting – It was agreed the next Meeting was to be held on the 22nd April, 2020 by Skype, commencing at 7.00 pm.

There being no further business, the Meeting closed at 8.20 pm.

To begin with, everyone in the choir would like to say a massive 'thank you' to all of the hardy souls who braved the elements and also their hearing by attending our Charity Concert on Saturday 14th at Foreman's Garage. Including the choir, approximately 170 turned up for an evening of fun, song, drink and foolishness. Judging by the applause at the end, I think it went down pretty well, unless of course the audience were just glad that we had finished at last and they could go home!

Our adoring public were treated to an eclectic mix of warbling of classics from 'For the Beauty of the Earth' through to Ed Sheehan's 'Perfect' covering a host of swing, gospel, pop and ballads along the way. The audience also had the chance to exercise their own vocal chords as they sang for their supper. We also managed to dredge up a couple of support acts, composed of various members of the choir, to supplement the evening's entertainment (????).

However, the most important thing about the evening was that we successfully raised over £1500 for our chosen charity, SASH, a local organisation that provides support for the young homeless. Thank you so much to everyone who turned up and played their part in raising such a wonderful amount.

We must also at this point express our deepest gratitude to Janet Foreman, her staff and family who supported the event so wholeheartedly and without whose help, the evening would not have been possible.

So, what's next? Well, the biggest announcement is that we are changing the name of the choir. Our veritable MD, Fiona Bone has been running the choir here in Cranswick for just over a year, but has also been the MD for the Leconfield Community Choir for almost 10 years. Although we will continue to have separate rehearsals on a Monday and Tuesday, the two choirs will come together under a single banner which will be known as The Yorkshire Wolds Community Choir. We hope this will encourage people from further afield to come along and enjoy the multiple benefits of singing.

Unfortunately, on the down side, due to the effects of the Coronavirus pandemic, rehearsals have been suspended for the time being!

Once we resume, we will continue on Monday evenings in the back room of The White Horse from 7.30 - 9.00 pm. We would love to see you there.

In harmony, Haz

We are a fully qualified and insured partnership

www.searsandnewman.co.uk

Here are a few activities to try at home for fun:

Art apart

Can you follow your partner's instructions to recreate their work of art without peeking?

You will need: A4 paper, Coloured pens or pencils

1. In pairs sit back to back. Everyone should draw a simple picture, keeping it a secret from their partner.
2. Person #1 should describe the picture they drew in small chunks. They can't say what they've drawn; they should only describe how to draw it. For example, person #1 can't say 'draw a window' but they could say 'draw a square, and then put a cross in the middle of it'. Person #2 should follow the communicator's instructions, and draw a copy of the communicator's picture. The artist can ask up to three questions, to check that they have understood the communicator's instructions.
3. Once #2 has finished following #1's instructions, they should swap roles and play again.
4. Once the pairs have completed both drawings, they should compare the original drawings to the artists' copies. How similar are the pictures?

Lolly stick catapults

Put your pioneering skills to the test by creating a miniature catapult from lolly sticks. Ready, aim, fire!

You will need: Lollipop sticks (plenty of excuse to have a lolly to get enough), Elastic bands (ask your friendly postman!), Sticky tack, Pom-poms (or other ammo- paper / marshmallows), Plastic bottle caps.

Make a catapult

Each pair should have eight lolly sticks and some elastic bands.

Each pair should stack six lolly sticks on top of each other. They should secure each end of the stack with an elastic band. It's really important that the elastic bands are tight enough to hold the bundle together, so a grown up might need to offer a helping hand.

Each pair should put one of their remaining sticks on top of the other. They should secure one end of the sticks with an elastic band.

Each pair should open the free end of the two lolly sticks, so the whole thing looks like a beak.

Each pair should push their bundle of six sticks inside the beak shape as far as it can go. It should look a bit like a wonky cross, where one of the lines is held open.

Wind an elastic band around the point where the two bundles meet – the middle of the wonky cross shape.

One person in each pair should hold the catapult flat on the table, while the other person twangs the top of the double stick 'beak'. This is the arm of the catapult, so it should twang freely. Pairs could test how well their catapult is

working by trying to twang a pom-pom from the end of the arm. It might take a bit of practice!

Everyone should adjust their elastic bands until they think their catapult has the maximum amount of spring.

Everyone should use sticky tack to attach a bottle lid to the end of their catapult arm. This will act as a handy bucket to hold the pom-poms. Let the games begin!

Each pair should take it in turns to practice using their catapult. They should put a pom-pom in the bottle lid bucket, push the arm down, and then release it to watch the pom-pom fly.

You could try 'best of three', or keep going until the pom-poms run out. You could even use a bowl or bucket as a target – who'll be the first to get a pom-pom in, or who'll get the most in? Make sure pairs remember to share their catapult and take it in turns.

Here's a link to a video which shows what you're trying to achieve <https://www.scouts.org.uk/activities/lolly-stick-catapults/>

20 questions

Guess the animal, vegetable or mineral in 20 turns by working together and asking the right questions.

Choose a volunteer to go first. That person should think of an animal, vegetable or mineral.

The 'animal' may be any creature, living or dead, and may include well-known humans (e.g. Nelson Mandela). The 'vegetable' may be any plant or tree. The 'mineral' may be any natural object that is non-living (e.g. any element from the Periodic Table of Elements). Players should try to be specific. For example, if they want to choose a mineral and that mineral is a stone, it should be a type of stone like 'chalk,' 'granite' or 'limestone.'

The person who has chosen should tell everyone else whether the thing they've thought of is an animal, vegetable or mineral.

Between them, each group should take turns to ask the person who chose the object a question, until 20 questions have been asked. Each question should have a 'Yes' or 'No' answer. In this time, everyone in the group should use the information to try and guess the animal, vegetable or mineral.

Each round lasts until 20 questions have been asked or the object is guessed. If someone guesses correctly what the animal, vegetable or mineral was, they can choose the next object. If no-one guesses correctly, the chooser can have another turn.

It is important for those asking the questions to think carefully about what they asked. With a limited number of questions, what information did you need to get out of the chooser? What kind of questions did you ask first?

Remember that every problem has a solution and that you just have to be creative to find it. Can you think of any

Self-isolation

Advice for patients with & without symptoms of infection, who are isolating themselves due to potential exposure to novel coronavirus (COVID-19). These actions will help to protect others inside & outside of your home from infection.

Isolate yourself

Stay in your home or accommodation, do not go to work, school or other public areas

Separate yourself from others in your home or accommodation

Do not have visitors in your home or accommodation

Use separate facilities if sharing, these should be cleaned before use by others

Have food, medication & other supplies delivered to you

Try to keep away from your pets. If unavoidable, wash your hands before and after contact.

Prevent the spread of infection

Cover coughs & sneezes with a tissue

Place the tissue in a bin

Wash your hands with soap & water

Use separate household items like towels, bedding, toothbrushes, cups & dishes

Wear a mask when you are around others, if you have been told to do so

Wash hands with soap & water:

Before cooking & eating

After using the toilet

Take care of your health & wellbeing

For those with symptoms of infection:

Get plenty of rest until you feel better

Drink enough fluids so that you pass urine regularly

Take paracetamol as advised, to reduce pain & fever

For everyone in self-isolation:

Keep in contact with friends & family by phone, video & online

Carry on hobbies & interests within your home if you are able to

Take regular exercise within your home if able

Seek help if you develop symptoms or existing symptoms get worse (eg difficulty breathing) by calling NHS 111

Your healthcare provider will advise you on whether to remain in self-isolation following a negative test result

In an emergency, call 999 & inform the call handler about your potential exposure to COVID-19
