## LOVE IN A SHOEBOX

For many years the Churches in Hutton Cranswick have supported the Jacob's Well Charity in Beverley by filling shoe-boxes (or similar size) for children and young people who have so little to call their own.

Although this year is different for all of us, we are still going ahead with the Shoebox collection in the village. Our cut-off date is Sunday 29 November. Although we cannot have the usual church services, we have arranged 3 drop-off points for boxes this year, to be used only in the week 23 - 28 November:

- ☐ 71 Hutton Road
- ☐ Foreman's garage
- ☐ 5 Londesborough Road

Please mark your box to say whether it is suitable for a boy or a girl and an approximate age. We would also appreciate £1 per box to help with transport costs.

- ☐ It is useful to attach a checklist of contents for customs (see below). Please wrap the lid of the box separately from the bottom and secure the lid with rubber bands (NOT sellotape). We are asked NOT to include any type of sweets. Include a greeting card if you like, with a short personal message
- ☐ Below are some ideas - just tick anything that is included.

### **Annual General Meeting – January 2021**

Village in Bloom is due to hold an Annual General Meeting (AGM) in January 2021. Currently it seems inappropriate or even impossible to hold it face-to-face. Therefore, it is likely that we will need to hold the AGM by email or online.

Further details will be included in the December Bulletin.

### **Congratulations**

Maybe it was the extra time at home during the three months of complete lockdown giving residents more time

to grow plants and do more gardening; the hanging baskets, window boxes and containers outside houses have been magnificent. Thanks to all of you.

Autumn is the time when the In Bloom team will still be out and about tidying up the containers and ground beds in the village. Time to take stock and regroup and hope for better things next year. Have you planted your daffodils and other springtime bulbs - hopefully in unusual places. Surprise!!

## Can you help a homeless person get through winter?

Hi, my name is Lucy Blair and I volunteer for a homeless charity working Tuesday and Thursday nights.

We fill a car up with a mixture of sandwiches, biscuits, and snacks (pot noodles are a hit!!) and also hot water so we can make up hot drinks. We drive around Hull City centre looking for those rough sleepers and we then move on to visit the hostels and deliver as many goods to them as possible.

We are looking for donations to provide individuals with small snacks/warm clothing - much needed now that the nights are drawing in and the colder weather is upon us.

We are also aiming to hand out a Christmas present to each homeless person we provide for - everyone deserves at least one present.

Any donations would be very much appreciated and would make such a difference to the life of a homeless person.

If anyone wants to contact me about donating, please do get in touch on facebook or my number 07530867927.

Many thanks, Lucy

Following the recent change in government guidelines, St Peter's church is now open for private prayer and public worship. The church is open each Sunday between 3.00pm and 4.00pm for private prayer, with appropriate social distancing in place. A short service of evening prayer is planned for 4.00pm, each Sunday, lasting around 20/25 minutes, again with social distancing in place. It may be necessary to change our plans for public worship at short notice, so it is always best to keep a check on the church noticeboard.

We appreciate that not everybody feels ready to return to our church building, and we continue to meet weekly via Zoom. There is a short (circa 20 mins) service at 10.00 am, with bible reading and prayers, and then a second service at 10.45 am which adds some hymns.

If you would like to join us for this worship, please e-mail Revd Simon Elliott (elliottrev66@gmail.com) or Martin Adams (makaheesi@btinternet.com) and they will send you the full details.

We look forward to welcoming you.

It was quite a surprise to see a photograph of St Peter's Church in the Country Week section of a Saturday's edition of the Yorkshire Post, and even better to read the writer's comments. In the suggested 28-mile cycle ride in this area he advocated taking a small diversion to St. Peter's Church, which he said "can proudly boast of an award for its well-kept churchyard; one man and his dog went to mow, or rather strim, when we paid a visit".

We are extremely fortunate to have a team of nine volunteers who do a marvellous job of keeping the churchyard grass under control, working on a rota based on three-weekly slots; and also other people, both past and present, who, individually, tend to other jobs such as hedge and ivy cutting, and moving with tractor in the as-yet unused part of the churchyard extension.

To them we all say a big 'Thank You'. If anyone would like to join the team (a couple of hours every three weeks) please have a word with the Churchwardens - Michael Searle (271566) or Robin Freeman (270547) - you'll be very welcome.

# Lest we forget...

At 11.00am on 11 November 1918, the battlefields of northern Europe were silent. Four years of conflict had come to an end. Four years of bloodshed, four years of filthy mud, four years of people fighting for land, inch by inch. Four years of death.

Whilst the bloodshed might have been over, the war continued for some. Soldiers spent time in Europe, clearing up the devastation that had been left, dismantling miles of barbed wire and trying to leave a landscape fit for habitation.

Others carried scars for the rest of their lives, some physical and some mental – shell shock they called it at the time – today we would call it PTSD. It wasn't just the soldiers that suffered; many women were left as widows, many children never saw their fathers again. Mothers never saw their son waiting at the altar to marry the one they loved and they never held the grandchild that may have been born. The war was over, but the suffering continued.

It was against that background that the Royal British Legion was formed in 1920. Its aim was to help those who survived, to help them live independently, at a time when there was no welfare state, as we know it today. That work has continued as further conflicts have been seen – the second world war, the Falklands conflict, the Iraq wars - to name but a few.

The second role of the Royal British Legion is to ensure that we never forget. Over the years, many people have paid the ultimate price and died in the service of their country. It is the sacrifice they made that gives us the freedoms that we have today, and that should never be forgotten. When we forget what has gone before, we have a far greater risk of making the same mistakes again.

The poppy was chosen as the symbol of the Legion – the poppy was the one flower that grew in the muddy fields of Flanders – the one flower that was a symbol of hope. We wear a poppy today to remember those who went to war but did not return. It is not to glorify war; it is to remember.

Each year, the people of the country gather at memorials and cemeteries to hold acts of remembrance. This year things will undoubtedly be different. As I write this piece, we are unsure exactly how we will be able to mark Remembrance Day in 2020, as rules and guidance change so often. Whilst we may not be able to do things as normal this year, it does not mean that we don't bother. As with so many things in life today, we will simply have to adapt.

The Royal British Legion urge us all to stand at our doorsteps or at the end of our driveways at 11.00am on Remembrance Sunday. Stand on your doorstep and remember these words . . .

***They shall grow not old as we that are left grow old. Age shall not weary them, nor the years condemn. At the going down of the sun, and in the morning, we will remember them.***

We may not be physically together, but we will be joined in spirit. We will remember them.

With blessings

Martin

Dear Friends

Remembrance Sunday is not just a time of remembering the fallen of past wars, both soldiers and civilians and their families. It is also a time to remember those who serve in today's armed forces and their families and those civilians and their families who are caught up in conflicts. To ignore the present, today's complex issues around the world stores up more dangers for both our future and the futures of our children, grandchildren and great grandchildren. Thinking of the past should help us to prepare for the future.

At this time of Remembrance I am reminded of when I had the privilege to be the civilian Chaplain to one of the Army Air Corps. An elite group of soldiers whose task it was to maintain and fly the army's tactical Helicopters.

Due to the fact that the Corp had been in Northern Ireland we were unable to join in Civil or Civic services, so a Remembrance service had to be held on base, in fact it was in one of the aircraft hangers. Me being me I like to do things differently and at heart I am a pacifist, so my talk was about what normally causes wars/arguments, greed of one description or another and peace. As part of the talk, which was levelled at the children, but aimed at the adults, I used a birthday cake which I cut in to 12 pieces. I gave a piece to 12 of the children and asked the others if it was fair – the response for those who had nothing was that it wasn't, we delved in to how things could be made more equal. Sharing was one response, taking was another, which I equated to war. So if we share the things that we can we should reduce the probability of many wars taking – I know it is often more complex than that but if you start with the simple things you at least reduce the number of trigger points and can work on the more complex before they turn in to wars. The CO after the service told me that it was a service to remember in more than one way. You see as part of my talk I put a sparkler in the cake and lit it. Over my head was a sign saying no naked flames and behind me were two fully fuelled helicopter's dripping aviation fuel, as they often do (everybody except the padre had been searched for matches). All the soldiers soon sussed out where the fire extinguishers and also listened intently and watched my every action to make sure that I didn't pose any more risks – there's always a way to get people's attention if you try hard enough. After that I was always known as 3M's – the mad Methodist minister.

The then Commanding Officer, though, saw no real need for a Chaplain to be attached to his barracks, as none of the soldiers under his command had any problems. This was probably true, especially after his experience of me, because the only time I was called in to the base, at the request of a soldier, was when a squaddie from another barracks (normally one of the Infantry or Light Artillery Corps.) was being held on detention in our Guard Room.

The Commanding Officer though was only looking at and concerned with the needs of the Soldiers and ignored the needs of the families, the civilian side of Corp. Most of my work on the base revolved around the wives and the children and never more so than when the three Squadrons that made up the Corp. were despatched to Bosnia as part of the Peace Keeping Forces. Daily despatches, weekly video links didn't quell the anxiety that was felt in and around the base. The children, in the base school, and the wives left behind were all anxious for news of dads and husbands. There was a depressive air about the base, especially when news of a Helicopter going down was reported on the news. The men missed home but in general they were kept too busy to get depressed about it. The same I am sure applies to the families of those service men and women who are on active duties in today's world even though in general they tend to be on peace keeping manoeuvres.

This situation of people leaving friends and families behind to go to pastures new is no different in everyday life than it was/is for soldiers going on active manoeuvres. As with military families, it is the ones who are left behind that carry the heaviest burdens. When friends move to a new community it is those who are left behind that have a hole to fill in their lives. When children go off to University, it is the family left behind, especially Mum, that frets and misses the presence of the young person. Those that have moved on often have too much to occupy them to get lonely. The various Chaplains (Forces, Hospital, Prison, University, Industrial etc.) when needed and asked provide the service of meeting the Spiritual, emotional and practical needs of people in specific situations. Like the Commanding Officer of the base though many people don't see the need for the Church or often even for a faith in their everyday life. The Church in our Community be it the Parish Church, the Methodist Church or indeed any Faith Community is there not just for those who attend and are part of it, but for everybody. It is and always should be there for those who need it, when they need it.

The Gospels (the Good News) of Matthew, Mark, Luke and John in the Bible tell us about Jesus meeting the needs of people wherever they were, whenever they came to him for help and whoever they were, if they came in genuine need. These people were ordinary people like you or I, with everyday problems. Concern for family members who were ill, people who were depressed, those who were ostracised by society, the marginalised, the stranger and even his enemies. Jesus met them in their need then and still meets us in our need today, if we will let him.

God bless you all. Rev Ron Hicks

**20/225 Planning Matters** – The following decisions were noted:

- (a) **20/01370/PLF:** Construction of an equestrian all-weather surface arena and associated works, for private use, at Land North and North West of Four Acres, 27 Orchard Lane, Hutton, East Riding of Yorkshire, YO25 9PZ – Full Planning Permission – Approved – 4 Conditions (e-mailed to Cllrs 27/07/2020).
- (b) **20/01947/TCA:** HUTTON CONSERVATION AREA - Remove 1 no. Hawthorn tree and 1 no. Blackthorn tree at 14 Orchard Lane, Hutton, East Riding of Yorkshire, YO25 9PZ - Tree Works in Conservation Area - No Objections (e-mailed to Cllrs 05/08/2020).
- (c) **20/02109/TPO:** TPO - HUTTON VILLAGE - 1973 (REF 330) A1. HUTTON CONSERVATION AREA - Fell 1 no. Sycamore tree (T1) due to minor stem failing and damaging grave stones with dominant stem leaning towards the church, which would hit the church, should it fail, at St Peters Church, Church Lane, Hutton, East Riding of Yorkshire, YO25 9PS – Works to Protected Trees - Consent Granted (e-mailed to Cllrs 29/08/2020).
- (d) **19/02768/REM:** Erection of 14 dwellings, following outline permission 14/02093/OUT (Appearance, Scale and Landscaping to be considered) at South Holme, 4 The Green, Hutton Cranswick, East Riding of Yorkshire, YO25 9QN – Approval of Reserved Matters – Application withdrawn (e-mailed to Cllrs 12/09/2020).

#### 20/226 Planning Applications:

- (a) **20/02270/VAR:** Removal of Condition 2 (private equestrian purposes) of planning permission 18/03902/PLF - Change of use of agricultural building to stable block and part of agricultural land to equestrian use, and construction of a manège for private use at Land South of 7 Sheepman Lane, Hutton Cranswick, East Riding of Yorkshire, YO25 9RA (e-mailed to Cllrs 31/07/2020). The Council had objected to the removal of the condition to allow the commercial use of the site. The nature of Sheepman Lane made it unsuitable for an increase in horsebox traffic, that the commercial use of the site would generate. The proposal had no provision for parking. Residents would suffer an increase in noise and disturbance.
- (b) **20/02627:** CRANSWICK CONSERVATION AREA – Cranswick Green, YO25 9QU - remove 1 no. **20/229 Parish Council Governance Training** – A request from East Riding of Yorkshire Council's Head of Legal and Democratic Services for aspects of the Code of Conduct, or, any matters relating to Parish Council governance, the Council would like to see covered in any training provided, was noted. Cllr Richardson suggested that the Pecuniary and Non-Pecuniary Interest elements of the Code of Conduct to be covered in more depth.

**20/230 Annual Governance and Accountability Return (AGAR) for the year ending 31<sup>st</sup> March, 2020** –

It was noted, the external auditor had certified the Annual Return had been completed in accordance with Proper Practices and relevant legislative and regulatory requirements had been met. A "Notice of conclusion of audit", together with copies of Sections 1, 2 and 3 had been published in line with statutory requirements.

**20/231 White Paper: Planning for the Future** – Information from NALC on the consultation of proposals for a radical reform of the planning system in England, covering plan-making, development management, development contributions, and other related policy proposals, was noted. It was intended to make the process more efficient, effective and developers more accountable to their obligations. Councillors had reservations of the radical theme of the proposals. A preferred change would be for the views of the parish council to have a greater influence on the decision made on a planning application.

**20/232 Donation** – The Council thanked a resident for the generous donation to be used for the planting of new trees around the village. A proposal for two new trees on the Green would be considered at the next meeting (proposed Cllr Poolford/seconded Cllr Thompson). Cllr Poolford agreed to prepare a report.

**20/233 Rainwater Drainage System on Beverley Road and Hutton Road** – A copy of a letter from a resident sent to East Riding of Yorkshire Council, expressing concerns over the on-going problems with the rainwater drainage system on Beverley Road and Hutton Road, was noted.

**20/234 Community Resource Hub** – An update was noted.

**20/235 COVID-19 Pandemic** – A survey to identify challenges faced within communities, in relation to the Covid-19 Pandemic, from East Riding of Yorkshire Council, was noted.

**20/236 Remembrance Service – Resolved** – To grant a request from ‘Churches Together’ to hold a Service on Remembrance Sunday on the Green, subject to compliance with COVID-19 regulations in force at that time (proposed Cllr Richardson/seconded Cllr Teare). It was noted, the Remembrance Day Service in Bridlington had been cancelled.

**20/237 Financial Regulations – Resolved** – To amend regulation 6.20, to allow the Clerk to use a personal credit card or debit card, for payment of goods and services, if necessary. Recovery of costs must be submitted as expenses to the next Council meeting for approval (proposed Cllr Richardson/seconded Cllr Thompson).

**20/238 Insurance Policy Renewal** – The policy renewal was based on the Council’s response to a pre-renewal invitation which included assessment of current risks and review of the Sums Insured. It was **Resolved** to accept the renewal quotation, as presented (proposed Cllr Teare/seconded Cllr Poolford). It was noted, that the renewal was the final year of a three-year agreement.

**20/239 Northern Railway Train Times** – The action that had been taken to reverse the proposed reduction in train times for Hutton Cranswick, proposed by Northern Railway, for the period 14<sup>th</sup> September, 2020 to the 12<sup>th</sup> December, 2020, was noted.

**20/240 Payment of Clerk – Resolved** – To implement the National Joint Council for Local Government Services (NJC) new pay scales for 2020-21 (proposed Cllr Thompson/seconded Cllr Wilson).

**20/241 Pond Maintenance** – Reports from Cllr Alderton and Cllr Sibley-Calder, that set out issues and proposals for the upkeep of the pond were noted. Cllr Poolford outlined the reasons for the exceptional growth of plants/trees in the pond that has occurred this year. It was noted, that permission from the Council was required to introduce new plants into the pond and any pruning of the trees. The thinning out of plants and the pruning of the trees, including the tree on the island, was planned to be completed by November.

Cllr Sibley-Calder was to prepare, for the next meeting, a proposal for introducing a number of small resin animals onto the centre of the island, slightly hidden amongst the plants and objects, with an idea of encouraging children to try and spot them.

**20/242 Station Road, Traffic Survey** – It was noted, a traffic speed survey on Station Road, Hutton Cranswick was to be undertaken week commencing 28<sup>th</sup> September, 2020.

**20/243 Hutton Road, Traffic Survey** – It was noted, a traffic speed survey on Hutton Road, Hutton Cranswick was to be undertaken week commencing 28<sup>th</sup> September, 2020.

**20/244 New footpath on The Green** – Cllr Teare reported an application for consent under section 38 of the Commons Act 2006, to undertake the works, had been submitted to the Planning Inspectorate. A proposal to use some of the spoil/turf from the excavation work was to be used for filling in low areas of The Green, was agreed (proposed Cllr Teare/seconded Cllr Thompson). The cost of the work would be contained in the budget approved at minute 20/207.

**20/245 Garden Allotments** – Cllr Poolford reported that the Tenancy Agreements for the period 1<sup>st</sup> October, 2020 to the 30<sup>th</sup> September, 2021 had been issued. There were 5 vacant plots, at present, and the possibility of a further 3 plots in the near future. Cllr Teare was to explore the letting of allotments to groups. Cllr Poolford was to prepare, for the next meeting, a proposal for maintaining unoccupied plots.

**20/246 Play Area** – Cllr Thompson had provided quotes, received from three play park providers, for the amendments and updates to the play park. Councillors considered the proposals in detail and a number of suggestions were noted. It was agreed that Cllr Thompson was to have further discussion with the provider of option one. Cllr Thompson had secured some sponsorship towards the cost of the project and had made an application for commuted sums to East Riding of Yorkshire Council. A final report was to be submitted to the next meeting.

**20/247 In-Bloom Team** – An update from Cllr Mrs Simpson, previously circulated, was noted.

**20/248 Trees on Hutton Green** – It was noted that work to remove some branches from the two trees on Hutton Green, that were overhanging on to private property, had been completed.

**20/249 Request for an established tree to be re-planted on The Green as a memorial to a local resident** – As the tree was a Horse Chestnut tree, with the rapid spread of bleeding canker disease, it was decided inappropriate for the tree to be planted on The Green (proposed Cllr Poolford/seconded Cllr Richardson).

**20/250 Community Safety** – To note concerns from a resident of the dangers of inconsiderate parking on Main Street, Cranswick. A complaint that between hours as early as 5am up until 11pm, owners of a property on Main Street, had been leaving their dog outside with little regard for its health or their neighbours, as it has caused constant and uninterrupted nuisance. The matter was to be reported to East Riding of Yorkshire Council’s Public Protection Services. Concerns of overhanging branches on trees in Howl Lane had been reported to East Riding of Yorkshire Council’s Streetscene Services.

**20/251 Centenary Wood** – A concern about wilful damage to bird feeders/water stations at Centenary Wood had been reported to the Police. The residents that raised the concerns had also reported the damage to a police officer at the Neighbourhood Policing Team Surgery held on 17<sup>th</sup> August, 2020.

**20/252 Village Information Leaflet** – An updated village leaflet proposed by Cllr Mrs Simpson was approved (proposed Cllr Richardson/seconded Cllr Poolford).

**20/253 Councillors Who's Who** – A suggestion from a resident that small photos of Parish Councillors should either feature on the new noticeboards, or in the Bulletin was considered. It was proposed by Cllr Alderton and seconded by Cllr Kelly, that photographs be provided to the Bulletin e-mail address and posted on noticeboards, the website and in the Bulletin. A vote was taken and the motion was carried by majority.

**20/254 The Green** – The Council had received a request from a resident to leave part of the Green uncut, to encourage an area of wildflower. It was noted that the soil of the Green was too fertile and not suitable for growth of wildflower. It was **Resolved** not to take up the suggestion (proposed Cllr Richardson/seconded Cllr Teare).

**20/255 Section 85 of the Local Government Act 1972 - Six Month Rule** – East Riding of Yorkshire Council's Head of Legal and Democratic Services had reminded parish councils that, 'if a Councillor failed to attend a meeting for a period of six months, the Councillor ceased to be a member of the authority, unless that failure was due to a reason approved by the authority'. Minute 20/158 had made provision for the six-month rule.

**20/256 Limitation of Gatherings** – East Riding of Yorkshire Council's Head of Legal and Democratic Services had reminded parish councils of the announcement by the Government, that legislation was to be passed prohibiting social gatherings of more than six people. This was to bring the legislation (which currently prohibited gatherings of 30 or more) into line with the guidance. The current legislation contained an exemption to the 30 limit for public bodies, provided that they had carried out a risk assessment and were following that risk assessment. It was noted the new provisions may contain a similar exemption for public bodies that would mean it was still legal for parishes to hold face to face meetings.

The advice from East Riding of Yorkshire Council remained that parishes should only be holding remote meetings.

**20/257 Christmas Tree – Resolved** – To accept the proposal to purchase a Christmas Tree, as presented by Cllr Teare (proposed Cllr Richardson/seconded Cllr Teare).

**20/258 Public Survey on Roads** – It was noted the Association of Police and Crime Commissioners Road Safety and Roads Policing Portfolio had launched a national public engagement survey, designed to understand public perception of road safety and enforcement.

**20/259 Annual Estimates and Forward Planning for 2021-22 to 2023-24** – It was agreed that proposals for spend, as part of the 2021-22 to 2023-24 budgets, would be submitted to the Clerk by the 16<sup>th</sup> October, 2020. Draft budgets would be presented to the next meeting.

**20/260 Clothing/textile Bank** – An offer to place a further clothing/textile bank in the village was not accepted as the village currently had sufficient facilities (proposed Cllr Teare/seconded Cllr Richardson).

**20/261 SRA** – An update from Cllr Mrs Simpson, previously circulated, was noted.

**20/262 Dog Fouling** – A complaint received from a resident living in Reynard Close about dog fouling on the Close was to be referred to the East Riding of Yorkshire Council dog warden.

### The Right Road

Gunnar woke with a start he saw that the fire has gone out and he shivered. He noticed that the old man had left his bag. Gunnar then remembered what he had to do. Avenge Father. He saw that there was pale white mist all around him. "Follow the right road" whispered a mighty-sounding voice in his ear. He cautiously turned towards the voice "Whoosh." Suddenly a path appeared through the mist. "OK" said Gunnar reluctantly. He followed the road down, it brought him to a village shrouded in trees.

After sitting under a tree, he saw that it had started raining. "Bang!" crashed some thunder. Still looking at the sky, Gunnar flinched "Bang! Crash," went the thunder, he looked closer into the now grey thundering clouds. He saw what seemed to be a giant hammer "th...th...Thor?" Gunnar mumbled fearfully.

Gunnar rubbed his eyes and looked around him, his hands were so cold they felt like they were blocks of ice. He felt something sharp on his back. He remembered he had picked up the old man's bag from the God House. He dropped it on the floor and looked through it. He found a flint, a flask of ale, bread, cheese, and a long black feather that had a yellow and gold streak through it. He got the flint out of the bag and picked up some nearby twigs and started a fire. He decided to have some bread and cheese too. He woke with a start to the noises of harnesses clinking and swords clanking...

Anyone can be the victim of a scam, however some people are more vulnerable to scams and criminals will use this to their advantage. People living with a cognitive impairment such as dementia, may be particularly vulnerable because they may be less able to distinguish a scam from legitimate contact. Criminals also appear to be targeting people with memory problems specifically because they know they may not remember being scammed before. That's why a new guide has been produced: Are you or your loved ones being targeted by scams? Help to manage

finances and avoid scams for people at risk and those who support them. This guide has been prepared by the National Trading Standards Scams Team and the National Centre for Post Qualifying Social Work and Professional Practice at Bournemouth University, working in partnership with Lloyds Bank, Halifax and Bank of Scotland. The guide provides information to individuals and their loved ones to help protect them from scams. It suggests measures that can be put in place to help prevent criminals from making contact, such as the use of call blockers and the mail redirection

service. It also provides information on managing finances to reduce the risk of scams, such as implementing a Lasting Power of Attorney.

The guide is available on the village website

### Be aware of SPOOF websites

Criminals are sophisticated; creating spoof websites that imitate those of trusted organisations in order to persuade you to enter your personal and financial information. They'll include the organisation's branding with small changes to the website's URL to convince you it's genuine. Don't automatically click on links in emails and texts. Instead login to your account directly using a secure webpage or app and if you're visiting a website for the first time, always type the address into the browser.

If you receive a scam email forward it to [report@phishing.gov.uk](mailto:report@phishing.gov.uk) and scam texts to 7726.

## White Rose o' Yorkshire . . .

Daw'd White Rose of Yorkshire, Bah Lad it leaks grand  
Sin' day it wor plucked by that right royal 'and

It's bin oor own emblem, an' worn wi great pride  
Sin' Richard Plantagent picked fust yan on d'awd

Aye, then t'Battle o' Towton when t'beck ran red wi'

An' yon poor Lancastrians wor fettled fo' good

Nay we dean't grudge 'em their rose, it's a fine grade

But ont' right side o't Pennines  
Oor Rose is pure white-bred

It's a pure white un, ya dean't see 'em that oft  
Se'ame as snow drifts or virgins, all scented an' soft

But if fowk tek advantage an' we're badly tret  
We've some great big thorns that they'll not forget

Aye, we're tough 'ere I' Yorkshire an' proud of oor past  
Yon three great big Ridin's fer ivver will last!

Tek nea notice o' gaffers, blood's thicker than watta  
An' a grand get tigher is just what'll matter

All three sections have been continuing to meet in small groups outside to partake in Scouting activities.

Over the last few weeks this has mainly revolved round making fires, learning how to light them, how to make them suitable for cooking on, and how cook and not burn food.

The knowledge they've learnt has obviously been learned correctly, as we've had parents telling us about how they've been taught at home by their Beaver how to do it. Thank you to our local fire brigade for safety leaflets.

We've had Marshmallows, Sausage kebabs, and steamed fish (using the wet newspaper method). Beavers used matches, where the Cubs and Scouts being older used fire steels to get a spark.

A big thank you to our supporters in Watton for providing a field and facilities for our meetings.

Currently full for all sections with the restrictions, but to get names on the waiting list or anything else:
