The Village in Bloom team would normally have held an Annual General Meeting (AGM) in January 2021 to review the past year, look at the accounts and the Chair's report and elect officials. The meeting would have been publicised in December with an invitation to stand for any of the three officer positions. As a result of the coronavirus pandemic we decided we could not to hold an AGM this year. The officers in the positions of: Chair, Gina Simpson; Treasurer, Sue Jackson; and Secretary, Heather Teare have agreed to stand for another year.

#### **Annual General Meeting reports**

The Chair's report and the statement of accounts have been written and these together with the 2020 AGM minutes can be found on the village website at

https://www.huttoncranswick.com/community-groups/in-bloom/

#### **Future activities**

The In Bloom team will continue to maintain the ground borders and containers during the year. The ground border on the corner of Mill Street and Church Lane will be extended and planted when conditions allow. Any other changes will be publicised in the normal editions of the Bulletin. We have not been able to arrange any dates for face-to-face meetings. We are hopeful that we will be able to later in the year.

#### The Trees of Hutton Cranswick

Look at the outline shape & branch patterns of our trees.

Take time to look at the variety along the field boundaries, in gardens & on the village green. The poplars on the edge of the sports field stretch skyward like giant fingers. See how the winter sun enhances the outlines & appreciate the inky silhouettes against a red sunset.

Soon their appearance will change. A wall of white will appear on Megginson's Turnpike as the blackthorn comes into flower, followed by the may blossom on the hawthorn hedges. Candles will appear on the horse chestnut trees on the green. People with fruit trees in their gardens, will hope a late frost won't jeopardise a good harvest later in the year.

Summer will bring the many shades of lush green which will later transform into autumnal colours. The leaves on some shrubs bordering the track to Gatehouse Lake, turn such a bright yellow, it is as if up lighting has been installed.

Our trees are not just things of beauty to lift our spirits in these strange times,

They are our future.

Trees are our allies in the fight against climate change.

37% of the EU is covered by trees but only 13% of the UK & in the north, only 7.5%.

More trees are needed NOW.

#### Living with lock-down

Hello to you all,

Welcome to February as we continue to face new demands on our lifestyle. Looking back on 2020, it was a very challenging year — a year that nobody could ever have predicted. A world that was hit by coronavirus, causing us all to change our normal way of life. The effects were and still are catastrophic. So many businesses put under severe financial pressure, resulting in many people losing employment, in spite of financial packages set up by the government to assist businesses and to help those in extreme hardship.

Guidelines had to be put into place to control the virus. All businesses and schools were disrupted. All of us confined to our homes in isolation and travelling around the country and further afield not allowed or severely restricted. The NHS put under enormous challenges, but continuing to provide the very best care to us all. We can all agree – last year was tough for all of us, and our prayers go out to comfort and strengthen all those who have suffered loss and bereavement.

We are now into February and looking forward to longer days and less restrictions once the vaccine programme advances. Are you thinking about what you were unable to achieve last year and what you would like to achieve in this new year. Do you make resolutions or goals to achieve? How will this year be different from last year?

Last year may have seemed lacking in joy and blessings and feelings of isolation and restrictions preventing us from doing the things we enjoy. We could sit around and mope because things didn't go the way we wanted them to.

There is nothing we can do to change last year but the good news is that we can start afresh and make some changes in our life ahead. We can choose to spend some time in prayer and perhaps to read some verses from the bible.

The Bible is such a good source for guiding us in our lives. The verse from 2 Corinthians gives an example of starting afresh with new beginnings and leaving the past behind:

"If anyone is in Christ, he is a new creation. The old has passed away, behold the new has come"

Scripture tells us so much about God's promises and facing the new year with hope and vision. Prayer and meditation can help us as we enter a new year or a new phase of life. Whatever is happening in your life and whatever new beginnings you are facing at he moment, be comforted that small changes each day will lead to great rewards.

What will 2021 bring? Will it be a new beginning with a 'new normal' life for us all? You may want to move on from a year of hardship and sadness.

Together, with hope, prayer and looking after each other we will get through all the challenges ahead. Michael

St Peter's Church remains open for private prayer each Sunday between 3.15 and 4.00 pm, with appropriate social distancing in place. Services in church for 2021 remain under review and will be subject to government guidelines that prevail at the time. Please keep a watch on the church noticeboard for details.

We appreciate that not everbody feels ready to return to our church building, and we continue to meet weekly via Zoom. There is usually a short 20 minute service at 10.00 with Bible reading and prayers, and then a second service at 10.45 am which adds some hymns. If you would like to join us for this worship, please email Rev'd. Simon Elliott (elliottrev66@gmail.com) and he will send you full details. We look forward to welcoming you.

Thoughts from Sledmere Manse - Driffield

Dear Friends,

Although Christmas and the New Year were very different in this COVID season, there were many joyful times and there will are great times yet to come. The arrival of the Covid vaccine brings a light and a joy in to the lives of those who have receive it and hope for those who will in the near future be given protection from the covid virus as they too receive the vaccine. This will take the pressure off the NHS and enable the lives of those who work in it to return to normality, what a joy. It will reduce the levels of sickness and death due the virus, what a joy. It will mean that we can start to get back to normality, what ever that is, what a joy.

Sometimes, though even with all this positive news, it still doesn't take much to get us down, even in normal times, does it? Even on the sunniest of days, an unkind remark from a friend, bad news from the garage mechanic, a financial setback, or even a misbehaving child can put a cloud of gloom over everything, making simple tasks a struggle in normal times. Now that we are in our third lockdown, things can seem to be even more problematic. We may, for various reasons, be physically isolated, health, keeping to the government directives. Being shut in, being separated from friends, neighbours and even family can weigh heavy. There is much in the news about the negative effect that the lockdown is having on people's mental wellbeing, on our wellbeing. We know we should be joyful, but everything seems to be against us.

David must have been feeling that way when he wrote Psalm 6. He felt weak and sickly (v2), troubled (v3), forsaken (v4), weary (v6), and grief stricken (v7). But he knew what to do when he was down. He looked up and trusted God to take care of him and to see him through.

When we look up and begin to focus on God, something good begins to happen. We get the focus off ourselves and gain a new appreciation of Him. Next time you're feeling down, try looking up to God.

He is sovereign (Psalm 47 v 8)

He loves you (1 John 4 v 9-10)

He considers you special (Matthew 6 v 26)

He has a purpose for your trials (James 1 v 2-4)

Yes, life can seem unbearable, especially in these COVID times. But don't let it keep you down. Meditate on God's goodness to you and talk to Him. Knowing that He loves you and 'will receive [your] prayer' (Psalm 6 v9) will give you strength to get up when you're down.

God bless you all. Rev Ron Hicks

#### **Hutton Cranswick Parish Council**

Minutes of the Meeting of the Parish Council, held on the 25<sup>th</sup> November, 2020. The meeting was held remotely via Skype and open to the public. The session commenced at 7.00 pm.

**Present:** Councillors: Alderton, Holtby, Kelly, Poolford, Richardson (in the chair) Sibley-Calder, Mrs Simpson, Swan, Teare, Thompson, Wilkinson, Wilson. Ward Councillors: Evison and Owen. Parishioner: One. The Clerk recorded the minutes.

20/294 Apologies: Councillor: Lock.

**20/295 Minutes** – **Resolved** – That the minutes of the meeting of the Council held on the 28<sup>th</sup> October, 2020 be approved and signed as a correct record (proposed Cllr Swan/seconded Cllr Thompson).

**20/296 Public Participation** – Cllr Poolford reported the grassed area, behind the trees, opposite the garden allotments, had recently been mowed. The area was diverse in nature and a sanctuary for wildlife. Cllr Poolford requested that East Riding of Yorkshire Council's ground maintenance team be asked to leave the area un-cut. Cllr Owen agreed to progress the suggestion.

**20/297 Budget** – The latest budget position; assumptions for the predicted year-end outturn; receipts; bank account statements and a bank reconciliation, were noted.

**20/298 Farming Allotments** – Proposed management options for the farming allotments, received from the Agent, had been noted. It was **Resolved** that an annual review and site visit of each farming allotment was to be undertaken before July of year (proposed Cllr Thompson/seconded Cllr Poolford).

Cllr Poolford reported that the hedges and ditches on the Corpslanding allotment had not been satisfactorily maintained. It was **Resolved** to arrange for the maintenance work to be undertaken (proposed Cllr Poolford/seconded Cllr Thompson).

**20/299 Code of Conduct** – Cllrs Holtby and Richardson were to attend a remotely held Code of Conduct training session on the 9<sup>th</sup> December, 2020.

**20/300 Planning Matters** – The following decisions were noted:

(a) **20/02955/PLF**: Erection of a single storey extension to rear, following demolition of existing conservatory at 9 Howl Lane, Hutton, East Riding of Yorkshire, YO25 9QA – Full Planning Permission – Permission Granted - 3 Conditions.

#### 20/301 Planning Applications:

- (a) **20/03510/VAR**: Variation of Condition 17 (approved plans) of planning permission 20/01320/VAR (Variation of 17/02572/PLF Erection of 3 dwellings and a detached garage and alterations to existing outbuilding, following demolition of existing dwelling and part of outbuilding) at the Site of Gartholme, 13 The Green, Hutton Cranswick, East Riding of Yorkshire, YO25 9QU Variation of Condition. The Council did not object to the application (proposed Cllr Teare/seconded Cllr Wilson).
- (b) **20/03381/PLF**: Erection of a single storey extension to existing detached garden room at 43 Southgate, Hutton Cranswick, East Riding of Yorkshire, YO25 9QX Full Planning Permission. The Council did not object to the application (proposed Cllr Swan/seconded Cllr Kelly).
- (c) **20/03610/PLF:** Application of render (off white) to rear and side elevations at Somerdene, 32 Main Street, Hutton Cranswick, East Riding of Yorkshire, YO25 9QY Full Planning Permission. The Council did not object to the application (proposed Cllr Thompson/seconded Cllr Wilkinson).

**20/302 Garden Allotments** – Cllr Poolford reported 4 allotments had been re-let, with 5 plots remaining vacant. A proposal from Cllr Teare was noted and would be considered further, following a site visit.

**20/303 Trees on Cranswick Green** – The Pink Chestnut tree had been removed apart from the stump. It was **Resolved** that the stump be removed, as it was considered that any further stump feature was not appropriate in that area of The Green due to close proximity to Main Street (proposed Cllr Poolford/seconded Cllr Swan).

Over recent years, two well established trees had had to be removed due to safety concerns over their poor condition. It was **Resolved** to accept the planting proposal to provide two replacement trees, one oak tree and one copper beech tree, in a location to be determined (proposed Cllr Poolford/seconded Cllr Kelly).

A suggestion from a resident to cut back some of the trees on The Green had been actioned as part of the annual planned maintenance regime.

**20/304 Play Improvements** – The installation of the new equipment and the work to replace some of the safety surfacing, all within the perimeter of the play area, had been scheduled for late January, 2021. The work was planned to take two weeks, but was weather dependent. The remaining work, outside of the play area, was subject to consent from The Planning Inspectorate. An application seeking permission to carry out the work was being assessed by the Inspectorate.

It was **Resolved** to accept a proposal for a replacement Teen Shelter (proposed Cllr Thompson/seconded Cllr Richardson).

East Riding Sport, Play and Arts Service had confirmed the Council met the required operating standards. This was a requirement to take forward a Commuted Sums funding application. The application for Commuted Sums was being assessed by the East Riding of Yorkshire Council's Awards Panel.

**20/305 Parish Precept** – It was noted that the provisional 2021-22 Tax Base figure would be available by the end of November, 2020.

**20/306 Advent windows** – The In-Bloom Team had requested the Council to seek guidance if there was any restriction in organising the Advent window display in the Lockdown period. East Riding of Yorkshire Council's Head of Legal and Democratic Services considered there was nothing to prevent people from putting the displays in their windows. People could also leave their home for certain purposes that included; exercise or open-air recreation; alone or with other members of their household or their linked household. So, people could exercise by walking around the village and stopping to look at the displays, provided they did not break the rules on gatherings by people who are not in the same household gathering, to look at the same display at the same time. It was noted Cllr Teare was proposing to extend the display by encouraging a Festive window display. Full details would be in the December Bulletin.

**20/307 Christmas Tree** – Cllr Teare reported he had taken delivery and put up the Christmas Tree. The tree was to be decorated by the end of the week. The lights would be switched on remotely on 30<sup>th</sup> November, 2020 at 7pm. Cllr Sibley-Calder would turn the pond lighting on at the same time. Rich Wilkinson was thanked for his help with the tree and for use of his teleporter.

**20/308 SRA** – A new team had been formed to raise funds for the new clubhouse building. One idea was to sell stars to villagers and for them to write their own personal message on, laminate them and then hang them on the Christmas Tree. It was **Resolved** to accept the request to hang the stars on the Christmas tree, subject to strict compliance with the coronavirus rules in place at the time when doing so (proposed Cllr Teare/seconded Cllr Thompson).

**20/309 Ethical Standards** – A Consultation on how well ethical standards are upheld in public life in the UK launched by The Committee on Standards in Public Life was noted.

**20/310 Station Road, Cranswick** – A resident had raised concerns of the lack of surface water gullies on the road on Station Road. In heavy rain the surface water was discharging into his driveway from the highway and not into road gullies. East Riding of Yorkshire Council's Area Engineer for Highway Maintenance had been informed of the problem.

**20/312 In-Bloom** – It was noted that RHS Britain in Bloom Certificate of Recognition in 2020 had been awarded to; Hutton Cranswick In Bloom; Hutton Cranswick Fisheries; James White High-Class Butcher and Paul Harrison Cars.

**20/313** Love Driffield Charity – The Charity had sought a volunteer to act as a co-ordinator for Emergency Food boxes. It was **Resolved** not to nominate a volunteer due to the current coronavirus restrictions (proposed Cllr Poolford/seconded Cllr Teare).

**20/314** East Riding of Yorkshire Council's Overview and Scrutiny Committees **2021-22** – A suggestion from Cllr Teare for the Committee to look at 'how to achieve a number of actions to maintain the importance of farming to the local economy, way of life and local food supply, and the potential of nature friendly farming to deliver economic, nature and climate benefits to East Riding of Yorkshire Council and its citizens' was accepted (proposed Cllr Richardson/seconded Cllr Thompson).

**20/315** Damage to the Green – Resolved to explore the provision of installing bollards on The Green to prevent vehicles damaging The Green between the School and Main Street, Cranswick (proposed Cllr Teare/seconded Cllr Richardson). It was noted that the majority of damage was, as a result of non- enforcement of illegal parking on Main Street, as the parked vehicles significantly reduced the space for larger vehicles to turn on to or from Main Street to Hobman Lane.

20/316 Budgets – The 2021-22 to 2023-24 approved budgets were noted.

#### **Hutton Cranswick Parish Council**

Minutes of the Meeting of the Parish Council, held on the 16<sup>th</sup> December, 2020. The meeting was held remotely via Skype and open to the public. The session commenced at 7.00 pm.

**Present:** Councillors: Alderton, Holtby, Kelly, Poolford, Richardson (in the chair) Sibley-Calder, Mrs Simpson, Swan, Teare, Thompson, Wilkinson, Wilson. Parishioner: One. The Clerk recorded the minutes.

20/322 Apologies: Councillor: Lock. Ward Councillors: Evison and Owen.

**20/323 Minutes** – **Resolved** – That the minutes of the meeting of the Council held on the 25<sup>th</sup> November, 2020 be approved and signed as a correct record (proposed Cllr Poolford/seconded Cllr Wilson).

**20/324 Budget** – The latest budget position; assumptions for the predicted year-end outturn; receipts; bank account statements and a bank reconciliation, were noted.

20/325 Local Precept Demand 2021-22 – The council tax base for 2021-22, across the whole of the East Riding of Yorkshire, had reduced compared to 2020-21. The council tax base was not simply a reflection of the number of properties in an area; it recognised the amount of council tax that can be collected from individual households and was affected by any variances to the council tax charge, such as discounts and exemptions, and the expected rate of collection (how much of the council tax due was collected). The impact of the Coronavirus pandemic on household incomes had seen a significant increase in the number of council tax support claimants and a reduction in the collection rate, resulting in the reduction of the 2021-22 council tax base.

East Riding of Yorkshire Council had confirmed the final 2021-22 tax base for Hutton Cranswick Parish Council as 801.5 for Band D equivalent properties, this was compared to 809.6 for 2020-21.

The 801.5 tax base figure would be used to calculate the parish council element that Hutton Cranswick parish residents would pay as part of their Council Tax Bill from East Riding of Yorkshire Council.

As part of the annual review of the Council's financial requirements, it was always recognised as good accounting practice to review the Parish Council element of the Council Tax Bill when calculating the Local Precept Demand.

Cllr Teare had produced two scenarios for the precept: Option One: for the 2020-21 Band D charge value (£40.90) to remain the same for 2021-22. This reduced the amount of the precept to £32,781.00 compared to £33,115.00 last year, but resulted in no increase in the parish council tax element paid by residents in the parish.

Option Two: for the precept demand value to remain the same as 2020-21 (£33,115.00), this would result in a small increase in the council tax figure paid by residents compared to last year.

The precept would part fund the 2021-22 £38,340.00 budget approved at the October meeting. Either option would require the Parish Council to support the 2021-22 budget from monies held by the Council, Option One £5,559.00 and Option Two £5,225.00.

Councillors recognised residents faced considerable financial pressures in what was a very difficult time and considered that an increase in the amount paid by residents for the parish council element of the Council Tax would possibly cause more of a financial burden. It was **Resolved** (a) not to increase the parish council tax element of the Council Tax Bill paid by residents, with the Band D charge remaining at £40.90 (b) submit a Local Precept Demand of £32,781.00, for the financial year ending 31<sup>st</sup> March, 2022, to the East Riding of Yorkshire Council and (c) earmark £5,559.00 from reserves to support the 2021-22 budget (proposed Cllr Teare/seconded Cllr Mrs Simpson).

The comparison of the 2020-21 to the 2021-22 Parish Council element of the Council Tax Bill was as follows: -

20/326 Orchard Lane – The Council had received correspondence expressing sadness over the loss of a family pet, due to being what was perceived as a speeding vehicle. This had been the third pet lost in such circumstances. The author had asked for the Council to explore measures that could be put in place to reduce speed on Orchard Lane, suggesting a number of speed humps. Advice had been received from East Riding of Yorkshire Council's Area Engineer for Highways Maintenance and the Traffic Management Team. In summary, it was unlikely that Orchard Lane would score high enough in the speed management programme to result in engineering intervention. However, the Council would take the first step in the process and request a traffic survey, so the location could be included on the speed management programme.

Councillors recognised that speeding was becoming a serious problem elsewhere in and around the village. The vast majority of drivers drove responsibly, however, further steps needed to be taken to change the behaviour of the few that drove dangerously, before a serious accident happened.

### Large scale map showing all public footpaths in use within the Parish Boundary

With many local residents now trying to take simple exercise on their own doorsteps, and (hopefully in time) new visitors to our village, for months now I have felt it would be beneficial to provide a large scale map including all (numbered) public footpaths - and there were up to 20 at the last count - to be sited on the rear of each of the village noticeboard general maps currently sited on Cranswick Green and at the top of Hutton Balk. I appreciate that there are details of two local footpath walks on www.walkingtheriding.co.uk, and that more comprehensive data is already available on the village website huttoncranswick.com but legal (Crown Copyright) restrictions on reproduction of maps do not enable us to reproduce the Ordnance Survey data in an enlarged and more easily scrutinised form.

Back in July last year the Parish Council kindly agreed to fund this project and a very reasonable quote for a timber surround for a laminated suitable map (up to 120 cm x 70 cm) has been obtained. What we now need is some reasonably artistic resident with the time and expertise to reproduce this sort of map by hand in as clear a form as possible (funding for materials available as above). My thought is that - with most folk now carrying around an iphone with a good camera - these maps when in position, and locally advertised could then be photographed and carried around by individuals on any exploratory footpath walks - good exercise and an excellent way to explore the far reaches of this Parish.

SO - if there is some good-hearted resident out there who would like to undertake this project - please would you contact me directly and I can pass on the extensive information I already have. Look forward to hearing from you!

#### The Butter Knife

Gunnar's heart was beating so fast, it felt as though it was coming out of his chest. The water level was rising fast. Runnik turned to Gunnar and said in a panicked voice "Are there many sharks in this sea?" Gunnar replied "I'm not sure" in a worried way.

Moments later, Gunnar started to see a boat in the distance, it got closer and closer and closer until he saw who was on it. Then, all of a sudden the people who were on the boat started cheering for them to drown

"DROWN...DROWN...DROWN!" they chanted loudly. Two minutes after that Runik recognised someone on the boat. "It's the old man from earlier" he yelled with excitement! Quickly the old man gave Gunnar a sign to use the butter knife that he gave him. They were so happy.

When the boat full of people had gone, Gunnar could finally use his butter knife to cut the rope. First cut his arms free, then he cut his ankles free, bit by bit the rope started to break. The sea level was now to Runik's head so Gunnar had to go under water to free Runik's ankles. The more Gunnar was cutting the rope, the more he was trembling with fear. FINALLY, Gunnar un-tied Runik's ankles and went up to untie his arms.

Gunnar came up for breath, he noticed that Runik wasn't moving. He didn't know what to do. Poor Runik had drowned. Gunnar was distraught.

In the distance he could see what looked like a boat coming towards him, he couldn't believe his eyes. A lady was standing on the boat, she had a kind face "I have come to help you" she called, Gunnar was relieved. He swam towards the boat and climbed in as the lady pulled Runik's lifeless body into her boat. As she was steering the boat back to shore Gunnar looked up to the sky and wondered what was going to happen next...
