Village in Bloom – Yorkshire in Bloom competition

RHS Yorkshire in Bloom recognise the enormous challenges the last 12 months have had and are continuing to have on all our lives and especially the “bloom community” and although they have taken the very hard decision in 2020 and again in 2021 to cancel the competitive element of entering our individual community, business, or neighbourhood, into the regional campaign, they felt we had to celebrate all our hard work in keeping our county blooming.

So, they have now launched “**Best of Yorkshire**” awards to help congratulate us on our community’s resilience from the effects of the Covid pandemic. Based around the three main pillars of Bloom: Horticulture, Environment and Community. These awards are open to everyone to nominate to, they are free to enter and if successful we will receive a certificate of achievement to display in our community. These new awards will be for one year only

and will replace the normal campaign which we hope will return for 2022.

The work goes on

However, as a village we will need to maintain the existing containers and ground beds as usual while we consider which of the eleven categories we can enter.

Volunteers

We do need more volunteers. We have lost a few and gained a few. Some volunteers have more responsibility than others and it would be good to share out the tasks and areas looked after more equitably. If you would like to volunteer for Village in Bloom you would be most welcome.

Please get in touch with either Gina Simpson or Heather Teare to discuss.

For more information on Village in Bloom

please contact: Gina Simpson at: ginasimpson@btinternet.com

or on 01377 270173 or Heather Teare at: heatherateare@gmail.com or on 01377 270187

All offers of help are welcome.

Delivering exceptional land for Yorkshire, forever.

Tophill Low Nature Reserve will be open from 12th April 9am with covid safety measure still in place to keep our visitors safe until the government advice changes.

Twitchers café will also be reopening too.

We look forward to reopening after such a long period closed and more details are available on our blog;

**Step up and support
the Great Daffodil Appeal**

A heartfelt "thank you" to those residents who have donated to the Daffodil Appeal. I had a quantity of daffodil pins on display either outside my house, or in the greenhouse when the weather demanded it, as of course no street collections have been allowed to take place (for the second year running) and have been delighted with the response. To date £41 has been raised (with possibly more to come), so thanks to all for their generosity. Gina Simpson

CHURCHWARDENS

St Peter's, Hutton Cranswick : Dr Robin Freeman 01377 270547 Mr Michael Searle 01377 271566

St Peter's Church remains open for private prayer each Sunday between 3.15 and 4.00 pm, with appropriate social distancing in place. Services in church for 2021 remain under review and will be subject to government guidelines that prevail at the time. Please keep a watch on the church noticeboard for details.

We appreciate that not everybody feels ready to return to our church building, and we continue to meet weekly via Zoom. There is usually a short 20 minute service at 10.00 with Bible reading and prayers, and then a second service at 10.45 am which adds some hymns. If you would like to join us for this worship, please email Rev'd. Simon Elliott (elliottrev66@gmail.com) and he will send you full details. We look forward to welcoming you.

Dear friends,

"This is very different from my usual style, but then we are living through very different times."

This was how I began my article for December 2020. By the time you read this, we will have lived through more than 12 months of these 'different times'. But times are changing. We are still in a pandemic BUT we have vaccines! We have hope!

Scientists have worked so hard developing a vaccine that would be effective against COVID-19. We are blessed to have 2 at the moment: Pfizer and Oxford-AstraZeneca, with more being developed. These scientists are working as hard as all those in our NHS to ensure we have the best possible chance against this virus; our NHS is now working flat out to vaccinate as many of us as possible in as short a time as possible.

We are looking forward to a relaxing of our Lockdown and the eventual opening of all parts of our society. As I said, "We have hope!" Our previous Archbishop of York, John Sentamu, frequently said that we live in hope as we are a people of hope because we are an Easter people.

This is the season of Lent, which is partly a time of preparation for Easter.

We celebrate Easter Sunday on April 4th. Eating chocolate eggs has become a custom of celebrating Easter in this country because eggs represent new life and Easter celebrates God's saving work with the resurrection of our Lord Jesus Christ. Alleluia!

We're seeing new life all around us with blossom on trees and bushes, flowers bursting into life and the mating of all kinds of birds. A time of hope!

Our days are much longer with the chance of more sunshine. A sign of hope!

We are all living in hope.

Love Gwyn.

Thoughts from Sledmere Manse - Driffeld

Dear Friends,

There is a green hill far away,
Outside a city wall,
Where the dear Lord was crucified,
Who died to save us all.

The Cross, the death and the resurrection of Jesus are so much central to our Christian faith and yet how many of us put that occurrence on a hill far away. We put the act of God's salvation outside the boundaries of our everyday life. Yet it was in the context of that everyday life that Christ died for you and for me. The cross was by one of the main thoroughfares to Jerusalem. Christ's death was seen publicly by both passersby and those who stood and watched. His resurrection though seen in private was proclaimed and perceived in public.

God's actions, the light of His glory, are never hidden under a lamp shade but are always displayed for all to see. Never at a distance so they are out of reach, but close by where all can see.

What then about you and me? Where is our Christian witness placed. On the hill far away called Hutton Cranswick Methodist Church or St Peter's Parish Church. Hidden behind stones and brickwork. Out of the sight of the world. Out of reach sometimes even of God! Yet Christ told us to go out into the highways and bye-ways and bring in the poor, the lame, the wretched... To bring into the glory of God, into His Kingdom, all peoples of the world.

We need to go out into the world with the Love of God in our lives and proclaim God's saving grace. We will suffer. We will be crucified by the world at large. We will die a thousand deaths at the hands of those who despise us. We will, though, both receive and give new life and hope to those who respond to God's call through our witness.

Christ was willing and did suffer for us. Are we willing to stand out and be counted as one of Christ's followers in every aspect of our life. To suffer for the sake of Christ and the love of others?

O dearly, dearly has he loved,
And we must love him too,
And trust in his redeeming blood,
And try his works to do.

God bless you all.

HUTTON CRANSWICK

Hutton Cranswick Parish Council

Minutes of the Meeting of the Parish Council, held on the 24th February, 2021.

The meeting was held remotely via Skype and open to the public. The session commenced at 7.00 pm.

Present: Councillors: Alderton, Holtby, Kelly, Lock, Poolford, Richardson (unable to take the chair due to a problem with computer), Sibley-Calder, Mrs Simpson, Swan, Teare, Thompson (in the chair), Wilkinson, Wilson. Ward Councillor: Lisseter.
The Clerk recorded the minutes.

21/035 Apologies: Ward Councillors: Evison, Owen.

21/036 Declaration of Pecuniary and Non-Pecuniary Interests

Cllr Alderton Item No – 06/ 039 - Non-pecuniary – Member of Bulletin Team.
Cllr Teare Item No – 06/039 - Non-pecuniary – Member of Bulletin Team.
Cllr Mrs Simpson Item No - 07/040 - Non-pecuniary - HCSRA Committee Member.

21/037 Minutes – Resolved – That the minutes of the meeting of the Council held on the 27th January, 2021 be approved and signed as a correct record (proposed Cllr Poolford/seconded Cllr Swan).

21/038 Budget – The latest budget position; assumptions for the predicted year-end outturn; receipts; bank account statements and a bank reconciliation, were noted.

21/039 Bulletin – Resolved – To grant a request from the Bulletin Team for £3000.00 towards the financing of the 2021 Bulletin (proposed Cllr Swan/seconded Cllr Poolford).

21/040 SRA – Resolved – To grant a request from the SRA Committee for £5000.00 towards the maintenance at the SRA (proposed Cllr Wilson/seconded Cllr Alderton).

21/041 Planning Matters – The following decisions were noted:

- (a) **20/03834/PLF:** Erection of a detached dwelling with integral garage (substitution of house type to plot 15 of planning permission 18/00455/PLF) at Plot 15, North of Barmston House, 99 Main Street, Hutton Cranswick, East Riding of Yorkshire, YO25 9QY – Full Planning Permission – Approved 4 Conditions.

21/042 Planning Applications:

- (a) **21/00015/STPLFE:** Erection of 3 no. linked livestock buildings for pig breeding, a slurry store and associated infrastructure at Land South of Southlands, Hutton Road, Southburn, East Riding of Yorkshire, YO25 9ED – Full Planning Permission – **Resolved** – Not to object to the application (proposed Cllr Alderton/seconded Cllr Poolford).
- (b) **21/00322/TCA:** CRANSWICK CONSERVATION AREA - Remove 1 no. Oak tree to prevent significant damage to neighbour's boundary fence and due to the tree encroaching on the boundary fence and due to the tree restricting light into the garden at 79 Main Street, Hutton Cranswick, East Riding of Yorkshire, YO25 9QN – Tree Works in Conservation Area – **Resolved** – Not to object to the application (proposed Cllr Wilson/seconded Cllr Swan).
- (c) **21/00255/PLF:** Change of use of land in order to extend existing play area at Cranswick Green Amenity Land, The Green Hutton Cranswick, East Riding of Yorkshire, YO25 9QU – Full Planning Permission – **Resolved** – Not to object to the application (proposed Cllr Teare/seconded Cllr Poolford).
- (d) **21/00215/PLF:** Erection of a single storey extension to rear following removal of existing conservatory at Three Farthings, Rotsea Lane, Rotsea, East Riding of Yorkshire, YO25 9QF – Full Planning

Permission – **Resolved** – Not to object to the application (proposed Cllr Wilkinson/seconded Cllr Holtby).

- (e) **21/00396/PLF:** Construction of vehicular access with associated fence and gates following demolition of existing boundary wall and erection of single storey extensions to side and rear following demolition of existing conservatory at Westholme, 27 Station Road, Hutton Cranswick, East Riding of Yorkshire, YO25 9QZ – Full Planning Permission – **Resolved** – Not to object to the application. The Council would rely on Highways to set conditions to ensure there was safe access and egress when using the new vehicular access. The Council was disappointed that the works appeared to have commenced prior to a decision on the application being made (proposed Cllr Thompson/seconded Cllr Wilson).

21/043 Remote Meetings Regulations – The East Riding of Yorkshire Council’s Head of Legal and Democratic Services had reminded the Council that the current remote meetings regulations, that apply to all meetings, ceased to have effect on the 7th May, 2021. Currently, the government had given no indication that the regulations would be extended so it was assumed that they would not be and the Council would need to plan accordingly. Once the regulations expired, the Council would not be able to hold remote meetings and treat them as face-to-face meetings. The Council would have to plan for face-to-face meetings with arrangements to admit the public.

To comply with the Local Government Act 1972, the Council was required to hold an Annual General Meeting in May, 2021 and hold a Parish Meeting between the 1st March and 1st June, 2021.

It was agreed to give further consideration at the April meeting, of when, in May, to hold the Parish Meeting, the Annual Parish Council Meeting and the May Ordinary Meeting.

21/044 Asset Register – Resolved to approve the review of the Asset Register, as presented (proposed Cllr Teare/seconded Cllr Alderton).

21/045 The Ministry for Housing, Communities and Local Government Consultation on proposals to create a new Office for Place – The Council had no comments on the proposals, at present.

21/046 Garden Allotments – Cllr Poolford reported all rents had been paid and there was one vacant plot. Work on the roadside verge and ditch and an investigation on a suspected leak on the water supply was to be undertaken as soon as practicable.

21/047 Play Park Improvements – Cllr Thompson reported the application to East Riding of Yorkshire Council for £7848.00 Commuted Sums had been successful. The monies would go towards the cost of the phase one of the improvements. The phase one work included: the construction of two new adventure towers; a main tower comprising a fireman's pole, a climbing wall, a slip-resistant decking, a den space, the re- use of the existing stainless-steel slide and safety surfacing; and a smaller tower comprising climbing grips, a linking rope bridge, a scramble net, a den hideout, a slanted roof and safety surfacing. Also, as part of phase one, new safety surfacing was to be laid beneath the toddler unit, the see-saw, the cantilever swing, the cradle and flat swings. A draft press article in relation to the award of the Commuted Sums was agreed. The installation of the new equipment for the phase 1 works was complete. Until the last few days it had been too wet to lay the safety surfacing. The ground conditions had now improved and the work was expected to be completed by the 4th March, 2021.

The Teen Shelter had been completed. It was noted the work was done to a very high standard.

It was noted Cllr Thompson had replied to the Planning Inspectorate regarding the further representations received in respect of the Section 38 application.

A planning application for the change of use of a small part of the Green had been submitted (21/00255/PLF).

Subject to obtaining Section 38 Consent and planning permission, phase 2 of the project, a new 30m zip wire and climbing equipment for young children, was expected to be completed towards the end of April, 2021.

It was **Resolved** – to accept a quotation (£205.00) for providing scaled OS maps for the planning application and work to replace the damaged tyre under the see-saw (proposed Cllr Thompson/seconded Cllr Swan).

21/048 Hutton Road – The concerns from a resident on damage to the highway and verges and alleged encroachment to a verge on Hutton Road had been reported to the East Riding of Yorkshire Council. Concerns relating to the removal of a hedge was a private matter. It was for the resident to raise any issues with the owner of the property. Verges around the village did suffer damage in times of prolonged wet weather. In dry spells, the ground on the whole, recovered.

21/049 Parish Property – Resolved to approve the refurbishment of various seats (£49 per seat) and replacement of the round litter bin at the junction of Howl Lane and Orchard Lane (£417.00) (proposed Cllr Mrs Simpson/seconded Cllr Thompson).

21/050 Trees on Cranswick Green – Cllr Poolford reported that an Oak tree and a Copper Beech tree would be planted, on the Green, on the 4th March, 2021.

21/051 NatWest Business Banking Switch Scheme – NatWest was offering a £1500.00 incentive to switch existing current accounts to another bank, this was subject to funds being available. At present there was only an offer to switch to the Co-operative Bank available. The closing date for applications was the 28th February, 2021. The switch had to be place by the 30th June, 2021. It was **Resolved** – To make an application to switch banks and transfer all monies held in the business reserve account to the current account (proposed Cllr Thompson/seconded Cllr Poolford).

21/052 Payments: - The anomaly with the chequebook had been resolved in consultation with the auditor.

Story Setting Descriptions by Year 6 Pupils

As Pompeii's greatest protector casts a shadow over the bustling city, the gentle gigantic mountain dozes silently. The sparkling Bay of Naples, as blue as Neptune, was swaying in the midday sun. The sea was a crystal clear mirror reflecting everything that meets its gaze. Bright like a diamond in a gloomy cave, the sun shone on the sweating citizens living in

Pompeii. The sun was like a golden globe in the sky watching, hearing, knowing everything. The aroma of spices filled your nose with fantastic flavours as though you were eating them. You could hear the never-ending humming from the haggling tradesmen bartering goods to the good people of Pompeii.

By **Kaiden**

Under the vast blue blanket above, a sleepy mountain stands lazily watching over its kingdom. A peaceful humming of birds and an aroma of strange smelling spices that fill the air wonderfully. Chaotic streets filled with the sound of musicians and scattered with dirty pocket pickers. The city's protector is a glimmering crystal in a gloomy, dark cave. There is a cobble winding path that leads to a glistening harbour filled with rushing, overworked fishermen unloading their boats.

Proposed Road Map to re-opening SRA facilities - as at 9th March 2021.

The following dates and guidelines are subject to Government restrictions at the time and instructions from official sporting bodies, viz the F.A., L.T.A., English Cricket Board, etc., which are still awaited.

29th March: Outdoor sports and leisure facilities may resume. Teams must follow guidelines laid down by their governing bodies, in particular to changing rooms. Showers will not be allowed but there will be toilet facilities (restricted).

12th April: Indoor children's activities can resume, with limitations on numbers participating/observing. Anyone wanting to book the Clubhouse for an event must comply with Government guidelines and the SRA will check to ensure that the proposed event is permissible under these guidelines. Outdoor hospitality will be permitted, so the bar can re-open outdoors with table service and payment via card machine. The craft group can restart, subject to restrictions on numbers if applicable.

17th May: Indoor events can resume up to 50% of the venue capacity. Seniors' Club and Church Coffee Mornings can resume and Table Tennis group with up to 8 participants.

21st June: All restrictions due to be lifted.

Ryedale Cycling Event on July 3rd/4th and proposed Have-a-Go Night on 2nd July can take place.

Further events to be announced shortly.

The Parish Council was asked to consider leaving some of the grass amenity areas for which it is responsible to grow longer and not be cut as regularly as most other grass areas.

Many studies have shown that leaving areas of grass to grow longer and allowing daisies, dandelions, buttercups and other species, and the grass itself to flower, greatly increases insect numbers and biodiversity. The obvious beneficial effects of this being an increase in numbers of insect dependant wildlife such as hedgehogs being drawn into these areas, as well as increased bird species.

Ideally, to be the most beneficial, any areas left should normally be cut twice a year. First in mid to late June when spring flowers and most grasses have flowered and our pollinating friends such as bees and butterflies have had useful benefit out of the area. Then again in mid to late September when the second flush has finished. All areas do not necessarily have to be cut only twice, although even asking the grass cutting contractor to set his blades 5 to 10 cm higher and only mowing an area once every 4 weeks can allow species such as daisies, dandelions and, very importantly for pollinators, clover to flower.

If the council is able to take a positive lead and proceeds with this proposal, incorporating information about it on boards or in the Bulletin, it might encourage some village residents to find a space, no matter how small, in their own gardens to leave unmown for wildlife.

The council at its meeting in March agreed to explore leaving part of grassed areas managed by the council to grow more.

Hutton Cranswick

Would you like to write an article for The Bulletin?

The Bulletin team are looking for articles. As we start to come out of the pandemic then we are keen to promote community activities and look to the future. The Bulletin will be delivered again into every household in Hutton Cranswick.

What articles would we like?

The articles can describe an event which has occurred or one which you wish to promote. If this is a community event then we can also provide space for a community advert – free of charge. The article may also be about an activity or a pursuit you are proud of and wish to share with our readership. It may be a report on a community group, describing the activities and offering opportunities to join in. We are also keen to promote new activities in the village and so an article could survey and seek views from our readers.

We can help you to write them

The article will need an Introduction which will outline the main points, the development of the message and a conclusion. Where possible include comments from people. A photograph, picture or diagrams can help our readers understand your message.

Any pictures should be sent as jpegs. Please acknowledge the photographer or source of the material. The article should be sent as a word document. The length of the article should be about 300 words. We reserve the right to edit the article or not publish.

Articles should be sent to our email address. hutton.cranswick.bulletin.2020@gmail.com

This article is 260 words long.

With no meeting face to face still, we've had some wonderful insights into people's lives at home.

We've seen how kind the Scouts can be to their Mothers with them painting for them and making scones all via zoom.

We've seen how parents don't let their children put as many toppings on one pancake as leaders do, and how a year ago the average toppings to one pancake was around 5, this year as they're at home it's down to 1.

We've seen young people discover this household item called an ironing board, and then proceed to learn how to use it to iron their necker – again all via a computer screen.

We've also been attempting in vain to observe the moon for a whole month, however we seem to have picked the most cloudy month to do this. Out of the two weeks so far (as I write) we've had two nights where we've been able to see the moon, the rest have been cloudy, until now when it's a new moon!

If everything goes to plan as the restrictions ease we're hoping to be back to face to face meetings again soon, where we can be outside and together again.

Currently with some vacancies in all sections with the restrictions, contact us to get names on the waiting list or anything else:

cranswickscouts@gmail.com

We believe in bringing people together to enjoy fun, friendship and adventure in a place they can belong.

EYECARE DURING **THE COVID-19 OUTBREAK**

We have been open for emergency and urgent eyecare throughout the pandemic, but are now able to offer more routine eye test appointments.

**We do need to prioritise the most in need first,
so please call us to book:**

- If you are concerned in anyway about your eyesight
 - Feel your prescription has changed
 - Have glasses that are broken or lost
- Have lenses in your glasses that are scratched or damaged
- Have other symptoms that need investigating ie headaches etc.
 - Are being monitored for an eye condition

We have put numerous measures in place to ensure your safety.

We also need to control the number of people in the premises, so please call us on the usual number **01377 200040** before attending.

We ask that anyone entering the premises must wear a mask.

This advice was correct at the time of print, check our website or social media for any updates.
