BILLY'S DONKEY

Oor Billy bowt a donkey
He paid just thotty pound
Farmer wor most obligin'
He said he'd bring it round

Next day he pulled up inti hard
'Bad news ah'm sad ti say
Tha donkeys dead, it just fell doon
Wharl it wor eatin' hay

'Oh heck' said Billy 'Whatever can ah
do?'
Ah'd better ev mi money back, if that's
ok wi thoo?
'Can't' said farmer. 'Sorry, money ain't
there
Ah spent it all last night when ah went
ti Hull Fair'

'Then thoo'd better feth mi donkey
Even if its dead
Go on no an fetch it!"
An angry Billy said

When Bill next met Farmer
About a month had passed
'What's thoo done wi' donkey?"
The curious farmer asked

'Ah put it in a raffle
An' charged £2 a bid
An' ah made a bit o' profit
About £500 quid!

'But what about the winner
Didn't he complain?'
"Well he didnt want dead donkey
So he took 'is £2 quid back again"

So next time thoo teks a gamble
Ah think thoo would be wise
Be sure of what thoo's doin
An' fost inspect the prize!

Village in Bloom

– which five categories should we enter?

The RHS is not able to judge entries to their Yorkshire in Bloom competition again this year. Instead, they have launched “Best of Yorkshire” awards to help communities celebrate their resilience to the effects of the Covid pandemic. These new awards will be for one year only and will be judged digitally around the three main pillars of Bloom: Horticulture, Environment and Community. The awards are as follows:

1. **Yorkshire in Springtime** - for the best spring displays (seasonal or sustainable) from March to May
2. **Yorkshire in Summertime** – for the most impressive summer floral or sustainable displays June to September – these can even be wildflower meadows
3. **By heck that’s good** – for the best floral feature i.e the most traditional carpet bedded feature or themed garden display. Examples could depict the heritage of the area or be a themed display.
4. **Kind to nature wildlife project** – can be a small wildlife friendly garden or well-managed nature reserve, village pond or riverbank

5. **Saving the planet** – for good examples of resource management, recycling projects or tree planting initiatives
6. **Clap for the community** - awarded to the volunteer or team of volunteers who have kept going through the pandemic and have helped their community get through the past year (not necessarily florally, but could be for things like organising foodbanks, looking after the elderly or keeping spirits up within their area)
7. **Community litter heroes** – for the individual or group who have continued to keep their community clean by regular socially distanced litter picks or clean ups
8. **Wheels of fortune** – to celebrate local transport centres. This could be anything from a floral bus stop to a heritage railway station and anything in between
9. **Heart of the community** – for businesses who have supported their community by whatever means, i.e delivering meals, donating face masks or helping NHS staff with discounts or free materials or just ‘blooming up’ to raise spirits
10. **Young bloomers** – for any project or activity showing the resilience of young people. Can include youth groups, schools or individuals

Hutton Cranswick in Bloom would like to enter this one-off competition. We can put forward up to five of our best examples.

Please let either Gina Simpson or Heather Teare know if you have any ideas of what or who we can nominate for these awards by May 31st 2021.

Wansford bridge parapets repairs after traffic accident.

Bridge to be closed for five weeks

The brickwork repairs and minor improvements to the grade II listed Wansford bridge over West Beck/ River Hull are planned to start on Friday 28th May and are estimated to be completed in 5 weeks.

Unfortunately it is necessary to close the road over the bridge to all vehicles in order to allow a safe working area for the contractor during the works, although access will be maintained for pedestrians and cyclists. Access to neighbouring properties will be permitted, but there will be no route over the bridge itself for vehicles.

Apologies for the further inconvenience this road closure will cause.

Hello,

'You'll bounce back.'

How are you doing? Gradually the doors are opening and lockdown is easing. For many it's been a long and hard time. For everyone a year in their life has gone by. Covid 19 has caused us all to stop where we are, many home alone. In the horror of the last year we have come face to face with mortality, many losing someone dear to them. Loneliness and heartache have touched us all as we've sought safety in our own homes.

Now in May 2021 a hope has been borne, a vaccine invented, and a vaccine programme rolled out; and I have to say, the Scientists and the NHS deserve full praise for their wonderful work. Easter has come and gone, and the clocks have gone forwards into summer. Once again we are blessed with glorious sunshine and the wonder of creation, as lambs are seen running in the fields, trees are blossoming, and flowers are blooming. The joy of creation can be seen everywhere.

My walks with Honey, my dog, often take me across the fields, both here in Hutton Cranswick, and also on the farm. In Hutton Cranswick we inevitably see rabbits, and as we approach so they stop hopping along and scamper down the nearest rabbit hole; but at the farm, with three dogs in tow, there are hares. It's a sight to behold as the dogs chase a hare, running full pelt, but with no chance of catching the hare.

As I walk my dog and chat to people along the way, I often hear the words, 'When will we get back to normal?' Is that what you

are hoping for – that we'll bounce back to where we were? Words that are always well meant, but there is one problem, why would we want to bounce back?

Surely Covid 19 has caused us all to stop where we are. To take stock and see what is important. Never before in our lifetime has the world come crashing down to such a standstill. Never before have we been given such a chance to assess where we are; to declutter, clear-out, even detox. We all collect excess stuff – books, clothes, gadgets. Sometimes it's good to strip things back, explore the past and consider a fresh purpose for the future. To take all the good we've learnt and develop a new and hopefully better future.

'Bounce back!' Why would we go backwards? Do we want to re-live the last year again? Why, when what we go through teaches us so much, would we want to return to how we were before? Surely our world, our lives, are designed to go forwards? 'Bounce back!' I've never seen a rabbit bounce back. Come to think of it, I cannot think of any created human or animal that travels backwards. So maybe we need to 'bounce forwards' instead.

Take a look at the Church. As lockdown eases an opportunity occurs to remember the good from the past, learn from it, and reset ways for the future. Wouldn't it be good to open up ways for the Church to be relevant today? How? By coming together in prayer, and walking in God's ways. As the bells ring out once more and the sound of singing is heard in our Churches, let's build a Church for the future. We have rejoiced in the glory of Easter, worshipping Jesus as the Risen Christ; and in the month of May we will celebrate Pentecost and Trinity. Celebrate the pouring out of God's power, His Holy Spirit; and worship the three in one, Father, Son and Holy Spirit.

Tell me, are you looking backwards, or are you looking forwards? Let's not 'bounce back', let's bounce forwards into a new future.

May the Lord watch over you and be with you in all that you do.
Love Trish

East Riding Local Plan Update 2020 – 2039 - Draft Allocations Document

The draft allocations report was agreed at ERYC Cabinet on Tuesday 20th April, which means that officers have been given the go ahead to start drawing up a consultation plan. Provisionally, the formal consultation will start on 24th May and will extend to 10 weeks. If residents want to be informed directly about the Local Plan process they can be added to the mailing list. They just need to email forward.planning@eastriding.gov.uk

There will be a 10 week period of formal consultation where the parish council and others can send in their views. This will start at the end of May, though there is no reason why they can't start to look through the documents now. Forward planning would be grateful to receive comments, not just on the proposals/sites, but also on matters of accuracy (e.g. commentary on the number of pubs in the village).

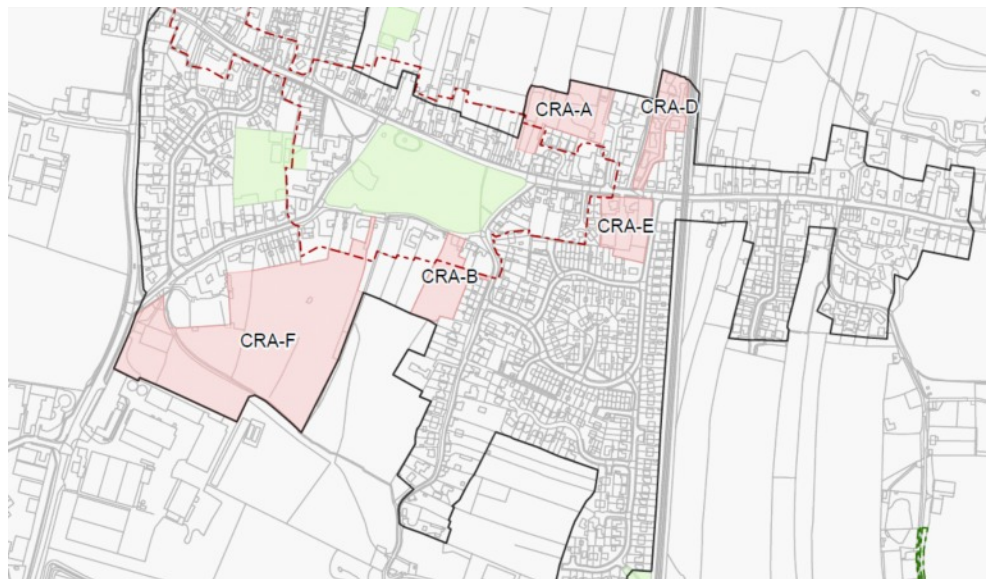

The main changes proposed for Hutton Cranswick are shown here:-

Policy CRA-F – Land South of Hobman Lane (4.61ha)

This site is allocated for housing development. Proposals will be required to:

- Provide for additional landscaping to the southern boundaries;
- Provide for a reconfiguration of the junction between Hobman Lane and A164;
- Ensure that the impacts of the adjacent grain dryers on residential amenity are adequately addressed in the design and layout of the development; and
- Incorporate the Public Rights of Way that cross the site.

- 29.13** This new site has been proposed as a replacement for site reference CRA-C which has been de-allocated due to deliverability concerns (see above). It has an indicative capacity of 124 dwellings and is well related to the main body of the settlement. There are two public rights of way that cross the site and adjoin the eastern boundary which must be integrated into any proposed scheme. The latter will provide a pedestrian means of access to the village centre.
- 29.14** Vehicular access to the site would be achieved as part of a reconfigured junction of Hobman Lane and A164 which would improve the very awkward angled arrangement that exists at present. This would also avoid the need for vehicular traffic from the new site to pass through the existing village in order to reach the main road.
- 29.15** The potential for noise and disturbance from the existing employment sites to the south will need to be addressed in the design and layout of the dwellings and boundary treatments to ensure that this does not lead to residential amenity issues.

Hutton Cranswick Methodist Church

Ministers : Diane and Ron Hicks 01377 252105

Dear Friends,

On a recent walk in the countryside I saw a beautiful rainbow. It arched over the Millennium Field in Drifffield. It looked absolutely stunning. This wonder of nature filled me with a sense of hope and happiness. The rainbow has a long history as a sign of hope on the spiritual journey of life. In the story of Noah the rainbow is a symbol of the promise that God made to the people who were saved from the earth's destruction. There is a hopeful power in the story of Noah, the tale of a person who braved long, lonely moments, wondering what life was worth when all he knew was being destroyed. He must have questioned how he and his family would survive. The moment when Noah opened the window and sent out the dove is special and filled with hope.

Noah is everyone of us when we sit in our discouragement, calling out to God or others; 'tell me about hope; give me reason to believe; help me to trust in the goodness of life; enable me to find my courage and to enthuse about life again; tell me about the

meaning of life'. What a profound confirmation of hope it was for Noah when the dove came back bearing the tiny sprig of green in its beak, the green which said; 'welcome into new life. Here is a gift of hope for you. Believe in the future. Trust what is to come. All will be well'. The rainbow has become a sign of the promises God makes to all of us who go on searching, struggling, dreaming and believing while on the human journey.

The rainbow announced hope to Noah and continues to proclaim hope to us. Sometimes it is hard to think of hope when the world is filled with war and so many lives are filled with pain and conflict, struggles and darkness. To 'hope' is more than just to wish for something. It is to yearn for and to dream something so much that we really believe it can happen. To hope is to have a strong, clear vision of the future. To hope is to know the God of hope, the God of promise, the one who has already taken us out of darkness into wonderful light. The question we need to ask ourselves is do we love God enough to trust that He will be with us whatever our trials and tribulations might

be? Do we love enough to send out a dove and to look for signs of rainbows in the sky?

Trust is a gradual, growing thing. We keep giving ourselves to God and then, taking ourselves back. We need to be aware of keeping our hope alive, of taking our trust to deeper depths. Hope just doesn't happen. It has to be nurtured in the human heart. We need to have a time each day to recall God's presence and believe again in the beauty and wonder around us. Then when you see a rainbow in the sky, praise its maker. Lift up your heart in hope and share that hope with others.

Every blessing,

Rev. Diane Hicks

Hutton Cranswick Parish Council

Minutes of the Meeting of the Parish Council, held on the 24th March, 2021.

The meeting was held remotely via Skype and open to the public. The session commenced at 7.00 pm.

Present: Councillors: Alderton, Kelly, Poolford, Richardson (in the Chair), Sibley-Calder, Mrs Simpson, Swan, Thompson, Wilkinson, Wilson. The Clerk recorded the minutes.

21/055 Apologies: Councillors: Holtby, Lock, Teare. Ward Councillors: Evison, Liseter, Owen.

21/056 Declaration of Pecuniary and Non-Pecuniary Interests

Cllr Alderton Item No – 29(a) 07/21/081(a) - Non-pecuniary - Member of Bulletin Team.

21/057 Minutes – Resolved – That the minutes of the meeting of the Council held on the 24th February, 2021 be approved and signed as a correct record (proposed Cllr Poolford/seconded Cllr Alderton).

21/058 Public Participation – Tim Gowthorpe made a statement promoting the planning application 21/00492/OUT for outline planning approval to erect a dwelling at Land North of 25 Station Road, Cranswick, (minute 21/063 (c) refers).

21/059 Budget – The year-end outturn; a list of all 2020/21 payments and receipts, payments to the Clerk, the VAT to be re-claimed in the last 6 months; bank account statements and a bank reconciliation, were noted.

21/060 Wansford Bridge – The Council had been consulted on the East Riding of Yorkshire Council's proposal to introduce a permanent 7.5 tonnes maximum gross weight Structural Weight Limit to the bridge. This would apply to all vehicles, including buses and farm traffic. The Council considered a 7.5 tonnes limit would have severe adverse implications for agricultural vehicle journeys and would exacerbate road congestion in Driffild. It was **Resolved** – to strongly object to the proposed 7.5 tonnes limit and suggest that, if a permanent restriction was to be introduced, then any restriction should be a minimum of 10 tonnes maximum gross weight limit (proposed Cllr Richardson/seconded Cllr Thompson).

21/061 Open Gardens – Resolved – To grant a request on behalf of St Peter's Church Fundraising Committee to use the Village Green on Sunday 4th July, 2021 to erect a refreshment tent and ice-cream cart for the occasion of Open Gardens (proposed Cllr Swan/seconded Cllr Alderton).

21/062 Planning Matters – The following decisions were noted:

- (a) **20/01548/STOUT** - Residential development (Access to be considered) (Resubmission of 17/03880/STOUT) at Land South of Williamsfield Road, Hutton Cranswick, East Riding of Yorkshire, YO25 9BH for Williamsfield Developments Ltd – Notification from the Case Officer that the application was to be considered by the Planning Committee on the 18th March, 2021.
- (b) **21/00322/TCA:** CRANSWICK CONSERVATION AREA - Remove 1 no. Oak tree to prevent significant damage to neighbour's boundary fence and due to the tree encroaching on the boundary fence and due to the tree restricting light into the garden at 79 Main Street, Hutton Cranswick, East Riding of Yorkshire, YO25 9QN – Tree Works in Conservation Area - No objections raised.

- (d) **21/00575/PLF:** Erection of a single storey extension to side and rear, following removal of existing carport and garage at 3 Oaklands, Hutton Cranswick, East Riding of Yorkshire, YO25 9RN – Full Planning Permission – **Resolved** – Not to object to the application (proposed Cllr Swan/seconded Cllr Thompson).
- (e) **21/00927/TCA:** HUTTON CONSERVATION AREA - Crown reduce 1no. Ash Tree by 7-10m to allow more light into property and to reduce damage to property at 23 Mill Street, Hutton, East Riding of Yorkshire, YO25 9PU – Tree Works in Conservation Areas – **Resolved** – Not to object to the application (proposed Cllr Wilkinson/seconded Cllr Wilson).

21/064 Standing Orders – A revision of the National Association Local Councils (NALC) Model Standing Orders, to take into account references to EU Legislation was awaited. There were no changes to the Council's Standing Orders at present. It was **Resolved** to adopt the Standing Orders, as presented (proposed Cllr Richardson/seconded Cllr Poolford).

21/065 Financial Regulations – A revision of the National Association Local Councils (NALC) Model Financial Regulations, to take into account references to EU Legislation was awaited. There were no changes to the Council's Financial Regulations at present. It was **Resolved** to adopt the Financial Regulations, as presented (proposed Cllr Richardson/seconded Cllr Poolford).

21/066 Traffic Surveys – Traffic Management had provided the results of the traffic surveys undertaken in September, 2020 at Hutton Road and Station Road. It was **Resolved** (a) to hire a speed activated device to be located on Hutton Road, for a month, at a cost of £500.00 (b) to continue to monitor traffic speed on Station Road and inform traffic management of any significant/substantial changes in traffic flow (c) to further explore setting up a Community Speed Watch Programme and (d) to publish results of the survey in the Bulletin (proposed Cllr Thompson/seconded Cllr Kelly).

21/067 The Greens – The Council had been asked to consider leaving part of the grassed areas it managed to grow, to try and encourage an area of wildflower and promote wildlife. In the past, trials on areas in Centenary Wood and at the Sports and Recreation field had failed to produce a wildflower scene, as the soil was too fertile. It was the last year of the three-year contract for cutting the Greens. It was **Resolved** (a) to make no changes to the current contract (b) to explore areas that could be used as a trial for encouraging growth of wildflower and (c) to consider planting snowdrops with the clumps of daffodils on Cranswick Green along the edge of Southgate (proposed Cllr Alderton/seconded Cllr Wilson).

21/068 Virtual Meetings – Sir Greg Knight MP was seeking views from parish councils, as in future, virtual Council meetings should be allowed to continue, as an option, to be used at a council's discretion, and whether such a provision should be made permanent. It was **Resolved** to support the option to be able to use the existing emergency provisions permanently, as suggested by the MP (Cllr Thompson/seconded Cllr Poolford).

21/069 SRA – A provisional Road Map, as at 9th March, 2021, to re-open the SRA facilities, was noted.

21/070 Reserves Policy – **Resolved** – To adopt the Policy (proposed Cllr Swan/seconded Cllr Poolford).

21/071 Local Council Audit – The guidance for the 2020/21 year-end audit was noted.

21/072 Annual Governance and Accountability Return – The guidance for the 2020/21 Return was noted.

21/073 Allotments – Cllr Poolford reported there was a problem with vermin at the garden allotments. It was **Resolved** to arrange for an inspection of the allotments by East Riding of Yorkshire Council's Pest Control Officer and implement the recommended action to be taken (proposed Cllr Richardson/seconded Cllr Alderton).

Cllr Poolford reported the tenant had done some excellent remedial work on the dykes at Corpslanding road farming allotment. Work to the roadside dyke was to be considered in Spring.

21/074 Pond – The fringe of the pond had been cut back. The remaining maintenance work was planned to be completed by the end of the month.

21/075 Play Park – Cllr Thompson reported Phase 1 of the improvements had been completed and the play park had re-opened. The Council's insurance company had been informed of the new works. The Commuted Sums Officer had visited the play park and was completely satisfied with the works. The article approved at the last meeting had appeared in the local press. The Clerk was to request payment of the Commuted Sums, £7848.00, from East Riding of Yorkshire Council. Permission to undertake Phase 2 of the improvements was still awaited. The annual inspection report of the play park was noted and appropriate action taken.

21/076 NatWest Business Banking Switch – At the last meeting, it was agreed to pursue the Banking Switch Scheme with the Co-operative Bank, being the only available Bank. An application was submitted to the Bank, but unfortunately, the Co-operative Bank did not accept applications as part of the Scheme from Parish Councils.

21/077 Centenary Wood – Cllr Mrs Simpson reported that an information board had been vandalised. It was **Resolved** to replace the board at a cost of £97.00 plus fitting (Cllr Richardson/seconded Cllr Poolford).

21/078 Reserves – A detailed report from the Clerk recommending a level of reserves was considered.

Monsters

What is a monster?

The animal monster is a monster that has a ton of different animals and can morph.

Appearance

This mysterious monster is known to be found surprisingly only one person has seen it we don't know the person survived. Additionally, people are trying to look for this mysterious monster. Many are looking. One year later somebody has taken a picture, but they are dead! However,

somebody found the photo everybody is shocked it is on the news everywhere. People say it's got a lot of different faces and we think it can morph.

Habitat

The animal is found in the woods and in the trees so it can jump people. However, some animal monsters like to be loved.

Diet

Most animal monsters eat their main meat is panther meat and elephant meat. The animal monster is dangerous.

What they do

Most animal monsters like to climb trees however some monsters like to climb rocks in the Bahamas.

Fast Facts

The oldest animal monsters lived until the age of 4000 years old.

Monster advice

If you see the animal monster chuck a piece of meat and slowly walk away.

The Joggster Monster!

What is a Joggster monster?

A Joggster monster is a phone monster they are well known for stealing phones. Last year she stole 50 phones in 3 days 2 hours "exactly" and you're probably wondering what she does with the phones after. Well... she eats the data and swipes the apps onto her.

Appearance

Most Joggster monsters look like a lilac purple with a soft thick fur with app logos on. However, they do also have chargers as horns at the age of 11 and a half. All phone (Joggster) monsters start their first app as google classroom - they love that app. Many are polite but sometimes they can be really mean and rude. Additionally, their apps fall off but sometimes depending on the app it grows back. Amazingly, some phone monsters are born with horns. There is a 1% chance that they are already born with horns.

Habitat

Phone monsters are normally found inside of a year 4 topic box inside all the old display things. However, some phone monsters live in people's drawers because they read our books.

Diet

All phone monsters are always hungry so when they want to eat they will have pencil shavings and old staples they

think it is a monster taco! Furthermore, they drink cold chocolate milk. A small minority of monsters eat cheeseburgers and fresh orange juice. Surprisingly, phone monsters also like grapes but only purple grapes.

What they do

A phone monster is best known for stealing phones. However, they also like to play UNO. They are also amazing cooks they once made a full English for the family. In addition to this, all the way in Spain there is actually a monster restaurant.

Fast Facts (advice)

1. If you ever meet a Joggster monster always greet him/her with a drink of fresh orange juice and purple grapes.
2. Offer them to play a game of UNO.
3. DON'T!!!...harm them they may seem scary at first but they're actually big softies and love cuddles!

4. Yes they probably do smell because they have been under your bed so offer them a warm bath their fur might be greasy though but when they dry they're 100 x softer.

Monster Advice

If you ever meet a Joggster monster hide your phone they will take it

p.s. YOU ALWAYS HAVE TO BE PREPARED!!!

News on The Green

Play Park Phase 2 granted permission

An application made under Section 38 of the Commons Act 2006 for consent to carry out restricted works on a village green by Hutton Cranswick Parish Council to the Planning Inspectorate has been successful.

New footpath provides safer route to school

Local company BDS (Yorkshire) Ltd installed the 75 path over the Easter holiday. Already it has proved to be beneficial to play park users as well children going to the primary school or for the school buses.

The works comprise a 30 m zip line, a climber with scramble net traverse rope, safety surfacing improvements and realignment/additional 24 m of boundary fencing. The Parish Council will determine a start date for this part of the project.

Detailed work on the Pond

As part of SA Agricultural and Landscaping, we spent the day sorting the pond out. It was strangled in weeds and in much need of clearing back.

We removed 6 tractor trailer loads of weeds that were over a foot deep in roots in places, so much so you could walk on them.

The area around the water lillies has been cleared so they can survive as they were getting blocked by weed.

Bullrushes cut back too and the drained water soldiers removed as best is possible.

The result is a much more presentable pond that can be seen much better.

The wildlife is all still there fine. We were careful to try our best not to harm any.

The moorhens are all perfectly fine with their 6 babies.

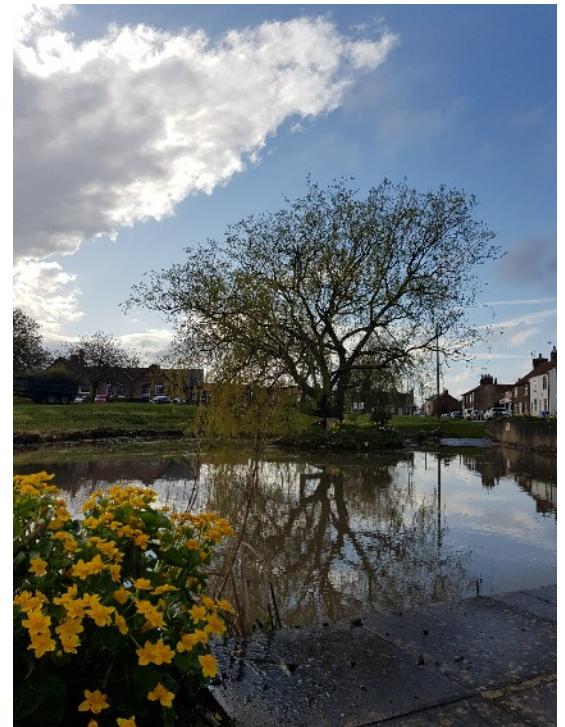

Frogspawn was carefully moved to safe areas of the pond. Any frogs found were also moved away from the work area.

The fish can now flourish better, there's still goldfish! / carp as well as loads of minnows and hordes of pond skaters too.

There's even a bird box on the island now to encourage more wildlife. The blackbirds were loving picking through the debris.

Some areas of weeds were left as well as bullrush shoots so they will all build up again but now the pond can breathe a bit!

The litter also removed including a child's scooter and a bike tyre.

It was nice to get lots of positive comments – over 40 on the Facebook Village Community page .

While it was a job its always nice when the job means we can help our village a bit more.

It was worth a day in freezing water and the biggest hailstones I've ever seen!

Proposed Road Map to re-opening SRA facilities - as at 9th March 2021.

The following dates and guidelines are subject to Government restrictions at the time and instructions from official sporting bodies, viz the F.A., L.T.A., English Cricket Board, etc., which are still awaited.

17th May: Indoor events can resume up to 50% of the venue capacity. Seniors' Club and Church Coffee Mornings can resume and Table Tennis group with up to 8 participants.

21st June: All restrictions due to be lifted.

Ryedale Cycling Event on July 3rd/4th and proposed Have-a-Go Night on 2nd July can take place.

Further events to be announced shortly.

Bear with us!!!!

Well, WE'D ONLY JUST BEGUN 2020 when, never IN A THOUSAND YEARS, would we have thought this current BRIDGE OVER TROUBLED WATER would last THE LONGEST TIME and our RHYTHM OF LIFE would be so upset!!!!!!

IT DONT MEAN A THING that we've all had to dig RIVER DEEP and MOUNTAIN HIGH to find SOMETHING INSIDE SO STRONG to endure this past year!

However, AT THE END OF THE DAY, it gave us all chance to slow down and enjoy THE BEAUTY OF THE EARTH by appreciating ALL THINGS BRIGHT AND BEAUTIFUL , and Oh! WHAT A WONDERFUL WORLD it sure is! Rambling amongst FIELDS OF GOLD, crunching AUTUMN LEAVES, and cycling country lanes with the WIND BENEATH MY WINGS, under a beautiful MR BLUE SKY was a treat indeed.

Light however is SOMEWHERE OUT THERE...maybe OVER THE RAINBOW..... WE'VE ONLY JUST BEGUN to have our magic jabs and that number is daily rising HIGHER AND HIGHER! And life should (hopefully) soon be back to PERFECT!

The airlines are now saying COME FLY WITH ME, so we can soon be BEYOND THE SEA, CALIFORNIA DREAMIN' and having FUN FUN FUN!

I'M A BELIEVER in ANY DREAM WILL Do, and can't wait to share CUPS of tea (!!!!!????) with my loved ones. CAN YOU FEEL THE LOVE already? Ah...LET IT BE!

I'LL SAY A LITTLE PRAYER in the hope that we will soon be able to SING SING SING together and enjoy each other's company ONE MORE DAY. What a day that will be! So HALLELUJAH! C' MON GET HAPPY!!!

Errrrr...can someone inform that AMERICAN TRILOGY to SIT DOWN THEY'RE ROCKIN' THE BOAT!!!!!!!

On a more serious note...heartfelt thoughts to all choir members who've lost nearest and dearest during these awful times. Also huge thanks to those of you who bought Xmas cards from drive, and keep knocking on the door for birthday/ special occasion cards. We have now sent over £400 to Beverley Food Bank.

Take care and hopefully see you all soon! In harmony.....

The Bulletin

May 2021

Would you like to write an article for The Bulletin?

The Bulletin team are looking for articles. As we start to come out of the pandemic then we are keen to promote community activities and look to the future. The Bulletin will be delivered again into every household in Hutton Cranswick.

What articles would we like?

The articles can describe an event which has occurred or one which you wish to promote. If this is a community event then we can also provide space for a community advert – free of charge.

The article may also be about an activity or a pursuit you are proud of and wish to share with our readership. It may be a report on a community group, describing the activities and offering opportunities to join in. We are also keen to promote new activities in the village and so an article could survey and seek views from our readers.

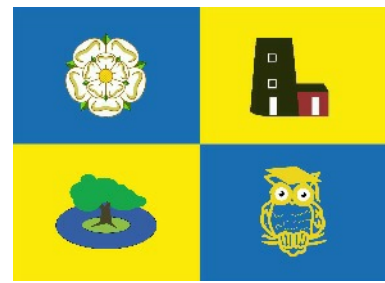

We can help you to write them

The article will need an Introduction which will outline the main points, the development of the message and a conclusion. Where possible include comments from people. A photograph, picture or diagrams can help our readers understand your message.

Any pictures should be sent as jpegs. Please acknowledge the photographer or source of the material. The article should be sent as a word document. The length of the article should be about 300 words. We reserve the right to edit the article or not publish.

Articles should be sent to our email address.
hutton.cranswick.bulletin.2020@gmail.com

This article is 260 words long.

It's great to report that we're back again with face to face meetings. We've had a brilliant first night back with the scout section, chopping wood ready to make a campfire for our St George's Day celebrations on the 23 April.

Scouts also held a baby shower for one of the leaders who's due to have a baby next month, where they wrote down their guesses of names, sampled baby food and other activities. Beavers and Cubs are starting back this coming Monday as I write this, where they'll be playing games and having fun with their friends.

For this term we will be meeting in and around the village so as to be outdoors in the fresh air, by all means say hello to us, but please respect social distancing as we are limited to what we can do and with how many.

All our sections are currently full, however we are more than happy to add young people's names to our waiting list. If any adults want to join us, either working with our young people or supporting in other ways behind the scenes we don't have a waiting list for that and you'd be most welcome to join us. Get in touch on cranswickscouts@gmail.com

We believe in bringing people together to enjoy fun, friendship and adventure in a place they can belong.

Do more. Share more. Be more.

The Forgham Memorial Award 2021

The Bulletin Team are pleased to announce the names of the children whose designs have been chosen for the front cover of The Bulletin for seven issues in 2021.

The seven children whose designs have been chosen will receive a photo plaque of their work and a gift card. All other children who submitted a design will receive a certificate.

Congratulations to all the children and many thanks to Mrs Burkinshaw, the school staff and the parents/carers for their home schooling.

The Countryside Code

Your guide to enjoying parks and waterways, coast and countryside

Respect everyone

- be considerate to those living in, working in and enjoying the countryside
- leave gates and property as you find them
- do not block access to gateways or driveways when parking
- be nice, say hello, share the space
- follow local signs and keep to marked paths unless wider access is available

Protect the environment

- take your litter home – leave no trace of your visit
- take care with BBQs and do not light fires
- always keep dogs under control and in sight
- **dog poo – bag it and bin it – any public waste bin will do**
- care for nature – do not cause damage or disturbance

Enjoy the outdoors

- check your route and local conditions
- plan your adventure – know what to expect and what you can do
- enjoy your visit, have fun, make a memory

EYECARE DURING **THE COVID-19 OUTBREAK**

We have been open for emergency and urgent eyecare throughout the pandemic, but are now able to offer more routine eye test appointments.

**We do need to prioritise the most in need first,
so please call us to book:**

- If you are concerned in anyway about your eyesight
 - Feel your prescription has changed
 - Have glasses that are broken or lost
- Have lenses in your glasses that are scratched or damaged
- Have other symptoms that need investigating ie headaches etc.
 - Are being monitored for an eye condition

We have put numerous measures in place to ensure your safety.

We also need to control the number of people in the premises,
so please call us on the usual number **01377 200040** before attending.

We ask that anyone entering the premises must wear a mask.

This advice was correct at the time of print, check our website or social media for any updates.
