Hutton Cranswick
 Village Show 2021 –
 cancelled

The volunteer working group, which organises the event on behalf of the Hutton Cranswick Parish council and its local community reviewed the arrangements for this year's show in the light of the current and anticipated Covid-19 restrictions. They have informed the Parish Council that with regret they are unable to deliver the annual village show this year. The village show was programmed to take place on Sunday 25th July 2021.

COVID RULES WILL APPLY

Village in Bloom – Royal Horticultural Society Awards for 2021

Following on from the Village in Bloom article in the May Bulletin outlining the new for-one-year-only award 'Best of Yorkshire' in 2021 we have had several suggestions for the following categories:

Yorkshire in Springtime

Centenary Wood in spring - Centenary Wood project - transplanting the snowdrops which was a community effort

Kind to nature wildlife project

Centenary Wood as a haven for wildlife – bug hotels, bird feeding stations, bird boxes and log piles

Heart of the Community

Spar shop – the manager and staff have worked hard to make the Covid restrictions work in the shop and have been unfailingly helpful in trying to meet residents' needs

The Village in Bloom team has not yet decided which categories of 'Best in Yorkshire' we wish to enter. We have until 12th September to put our entry in. We can enter up to five categories. We will be holding a meeting – the first for over a year - in the first week of June, the date yet to be agreed. The purpose of this meeting will mainly be to finalise the five categories we wish to enter as a village.

The In Bloom team would welcome more suggestions from residents so that we have as wide a choice as possible. Details of the ten categories are listed in the May Bulletin or can be found online at:

<https://www.huttoncranswick.com › the-bulletin>

please get in contact with either Gina Simpson or Heather Teare with your suggestions.

Wansford bridge parapets repairs after traffic accident.

Bridge to be closed for five weeks

The brickwork repairs and minor improvements to the grade II listed Wansford bridge over West Beck/ River Hull are planned to start on Friday 28th May and are estimated to be completed in 5 weeks.

Unfortunately it is necessary to close the road over the bridge to all vehicles in order to allow a safe working area for the contractor during the works, although access will be maintained for pedestrians and cyclists. Access to neighbouring properties will be permitted, but there will be no route over the bridge itself for vehicles. Apologies for the further inconvenience this road closure will cause.

What is God Teaching Us?

We are now in the summer month of June, and hopefully the weather is warm and sunny with the days filled with long hours of daylight and the gardens full of colour. As I write this in May, we are having a very wet and unseasonably cool period of weather after a warm and very dry April.

What is God teaching us during these past fourteen months of crisis and restrictions?

We are gradually moving into more of the guidelines being eased, and all of us allowed fewer restrictions and more freedom, but caution is still required in order to stay safe.

As we have been restricted in what we are able to do, is God teaching and training us to appreciate the importance of community care and helping each other? Modern technology has provided us valuable communication in the absence of face-to-face contact and has enabled our churches to continue services. We are all vulnerable and have weaknesses in different ways to the virus, but it is an opportunity to care for others who may be unable to look after themselves.

As we find ourselves at home more with our family, it is a time to deepen our relationships with each other and to mend any damaged relationships.

We have been faced with not being able to do the things we normally do.

Did we overspend on shopping or travelling excessively prior to the pandemic?

Is God training us to value what really matters in life?

We have been unable to travel or advised to 'stay local' unless essential. This has reduced the carbon emissions and has helped our environmental impact on the world. We all have a responsibility to save our planet from man-made pollution including the disposal of unwanted waste.

The virus has had a tremendous impact on the financial world and employment. Our prayers reach out for a recovery in the economy and for employment opportunities as the world opens up again.

The government has issued guidelines for us to follow. Have we got trust and obedience to follow these rules to ensure order and protection for us all?

We probably all feel the lock down has lasted longer than we imagined, but is this teaching us the values of patience and long suffering?

The virus is having a devastating impact on less developed countries, and all action must be taken in mission to care for the poor across the world, and to ensure all have the opportunity to be vaccinated.

Do we have faith and trust that God is caring for us and wants the best for us?

We can all experience the joy, blessings and the peace of God, even when circumstances do not always go the way we expect.

How do we respond to the crisis?

As we look forward to the future what are your hopes and dreams?

Michael

What does Action Fraud do?

Action Fraud is the UK's national reporting centre for fraud. You should report all types of fraud to Action Fraud whether or not you choose to report it to another agency such as Trading Standards or your bank as well. This includes if you have been the victim of attempted fraud or cybercrime, you have

incurred a financial loss as a result of fraud, your personal data has been compromised or you have been hacked as a result of responding to a fraudulent email or text.

This ensures that all frauds can be recorded and assessed and that trends in fraud can be identified, assisting with the identification of offenders. Fraudsters are often clever and take advantage of the shame that many people feel if they have been taken in by them, that can prevent people reporting fraud. Fraud can happen to anyone - do not be too embarrassed to report if you have been conned or tricked out of money or your personal data. Reporting fraud helps track down and stop fraudsters and can prevent other people from becoming their victims.

It's quickest to report fraud to Action Fraud online using the online reporting tool, but you can also report by phone on 0300 123 2040 Monday to Friday, 8am to 8pm. If you can't hear or speak on the phone, you can use Relay UK with an app or a textphone on 18001 then 0300 123 2050.

Action Fraud collates the reports and will give you a crime reference number, which can be helpful if you need to tell your bank you've been a victim of fraud. It passes details of all fraud reports received to the National Fraud Intelligence Bureau (NFIB). If there are active lines of enquiry, a substantial amount of money has been lost or the victim is particularly vulnerable, the NFIB may investigate themselves or pass the details to the local police force to initiate an investigation.

Everyone who reports a fraud to Action Fraud has the option to receive support from Victim Support afterwards. Not every report results in an investigation, but every report helps to build a clear picture of fraud, contributes to making the UK a more hostile place for fraudsters to operate in and helps to keep other potential victims safe.

If you have received a suspicious text message (smishing)

You can forward a suspicious text message from your phone to Action Fraud free of charge by sending it to 7726. This enables your provider to identify the origin of the text and take action. If you've been a victim of a smishing fraud, then you also need to

report it to Action Fraud by calling 0300 123 2040, or by using their online form.

If you have received a suspicious email (phishing)

If you have received an email which you're not quite sure about, forward it to the Suspicious Email Reporting Service (SERS) report@phishing.gov.uk

It will go to the National Cyber Security Centre who will analyse the suspect email and any websites it links to and use any additional information you've provided to look for and monitor suspicious activity. If you think you may have been a victim of fraud as a result of phishing you should also report this to Action Fraud.

When to call the police

Contact the police immediately by calling 101 if (any of the following occurs):

- The fraudster is in still your area
- You need help, support and / or assistance as result of the fraud
- A fraud is being committed, or recently occurred (within 24 hours)
- You know the suspect and they reside in the UK
- The victim is perceived to be vulnerable (this may be through age, or by way of mental, or physical impairment, or in need of care and support)
- You believe that it is important to report the incident to police quickly in order that police can secure and preserve evidence, or prevent loss (i.e. CCTV, recover large amounts of money transferred from bank accounts before the criminal can remove it)

The Month of Community is about creating a focal point in the year to bring people together to reconnect, celebrate what's local and help bolster the recovery effort with something that touches everyone.

Thoughts from Sledmere Manse -
Driffield

Dear Friends,

A new member came along one day to a Toc H branch. (Toc H is a men's society in which every one undertakes to do jobs of service for others). The new member was a silent person - he never opened his mouth in meetings or made a suggestion. At the end he would walk out into the night alone, and no one knew anything about him. They all began to think of him as a bit of a lightweight.

TOC H

Another member was a lawyer. One day he was asked to go and give legal advice to a man who had been involved in an explosion at work. Seeing a newspaper open at the sports page the lawyer began to talk to his client about the football results. The client was a keen follower of the

game, and he knew the details of every one of the matches reported in the paper. 'Now, about this accident,' said the lawyer. 'Yes,' replied the man. 'You see, it was a big shock, and since then I haven't been able to see properly.'

'But how about those football reports?' The lawyer thought the man had been reading the open paper and was not really blind at all. 'Well, it's like this,' he replied. 'The night of the accident a young fellow knocked at the door asked if he could read to me. I didn't know him from Adam. Every night since then he has come in after work and read the day's news to me. Here, you must know all about him. He belongs to your Toc H branch, doesn't he?'

It was the newcomer they all thought was a lightweight. He never told anybody about this and the other 'jobs' he did quietly. He took quite seriously the words of Jesus used in the Toc H ceremony of Light. 'Let your light so shine before men that they may see your good works and glorify your Father who is in heaven.' But his light was a secret light, and all the brighter for that.

The trouble is that we are all partly blind about other people. We can never know all about them. All the more reason why we should be generous in our judgements and kindly in our comments.

Over this Covid period how many people will, like the member of Toc H, have quietly got on with helping neighbours, friends, family and strangers. Unsung heroes. We have applauded NHS workers, we have praised essential workers, we have heard about those who have done outstanding acts of kindness or effort to raise funds. The majority, though, of the work over this time has gone on unheard of and unseen in many cases. As we, hopefully, come out of this lockdown period let us offer prayers of thanks for those unsung heroes, or just spend a quiet time reflecting on them. I'm sure there are a number of folk in and around the village who fit in to the category of the unsung hero – to you I say, on behalf of all of us, thank you and God Bless.

God bless you all.
Rev Ron Hicks

Hutton Cranswick Parish Council

Minutes of the Meeting of the Parish Council, held on the 28th April, 2021.

The meeting was held remotely via Skype and open to the public. The session commenced at 7.00 pm.

Present: Councillors: Holtby, Kelly, Poolford, Richardson (in the Chair), Mrs Simpson, Swan, Teare, Thompson, Wilkinson, Wilson. One Member of the public joined the meeting. The Clerk recorded the minutes.

21/083 Apologies: Councillors: Alderton (unable to join the meeting due to a problem with connectivity), Lock, Sibley-Calder. Ward Councillors: Evison, Lisseter, Owen.

21/084 Declaration of Pecuniary and Non-Pecuniary Interests

Cllr Mrs Simpson Item No. 11 - 21/093 - Non-pecuniary - Member of the In-Bloom Team.

21/085 Minutes – Resolved – That the minutes of the meeting of the Council held on the 24th March, 2021 be approved and signed as a correct record (proposed Cllr Swan/seconded Cllr Poolford).

21/086 Public Participation – Paul Lisseter urged the Council to reflect on its decision to object to the Williamsfield Development, in now knowing that the forthcoming consultation on the East Riding Local Plan had a proposal for a new housing allocation on Land South of Hobman Lane with an indicative capacity for 124 dwellings.

21/087 Arrangements for holding meetings after the 28th April, 2021 – Resolved to hold face to face meetings commencing on the 26th May, 2021 (proposed Cllr Richardson/seconded Cllr Teare).

21/088 Budget – The latest, payments, receipts, budget position and a bank reconciliation, were noted.

21/089 Management of the Environment – The Council had considered correspondence from a number of residents regarding the environment in the village. It was **Resolved** to look at developing an Environment Policy (proposed Cllr Thompson/seconded Cllr Poolford).

21/090 Planning Matters – The following decisions were noted:

21/00255/PLF: Change of use of land in order to extend existing play area at Cranswick Green Amenity Land, The Green, Hutton Cranswick, East Riding of Yorkshire, YO25 9QU – Full Planning Permission - Approved 2 Conditions.

- (a) **21/00215/PLF:** Erection of a single storey extension to rear following removal of existing conservatory at Three Farthings, Rotsea Lane, Rotsea, East Riding of Yorkshire, YO25 9QF – Full Planning Permission - Approved 3 Conditions.
- (b) **21/00326/PLF:** Installation of external wall insulation and render following the removal of existing render at 61 Main Street, Hutton Cranswick, East Riding of Yorkshire, YO25 9QN – Full Planning Permission – Permission Refused.
- (c) **20/01548/STOUT:** Outline - Residential development (Access to be considered) (Resubmission of 17/03880/STOUT) at Land South of Williamsfield Road, Hutton Cranswick, East Riding of Yorkshire – Notification that the application is to be considered at the Planning Committee on the 29th April, 2021.
- (d) **21/00927/TCA:** HUTTON CONSERVATION AREA - Crown reduce 1no. Ash Tree by 7-10m to allow more light into property and to reduce damage to property at 23 Mill Street, Hutton, East Riding of Yorkshire, YO25 9PU – No Objection to Tree Works.

21/091 Planning Applications:

- (a) **21/00825/PLF:** Erection of single storey extension to rear at 48 Laburnum Avenue, Hutton Cranswick, East Riding of Yorkshire, YO25 9QH – Full Planning Permission – **Resolved** – Not to object to the application (proposed Cllr Swan/seconded Cllr Poolford).
- (b) **21/00857/PLF:** Erection of a single storey extension to rear at Roban House, 19 Station Road, Hutton Cranswick, East Riding of Yorkshire, YO25 9QZ – Full Planning Permission – **Resolved** – Not to object to the application (proposed Cllr Thompson/seconded Cllr Swan).
- (c) **21/00963/VAR:** Variation of Condition 15 (Approved plans) of application 18/00455/PLF for Erection of 16 dwellings with associated garages and infrastructure, to amend the design of plot 14, to have an attached garage at Land and Buildings Rear of 99 Main Street, Hutton Cranswick, East Riding of Yorkshire – Variation of Condition – **Resolved** – Not to object to the application (proposed Cllr Swan/seconded Cllr Poolford).

21/092 Call for Evidence – The Government had launched a call for evidence seeking views as to whether the ability of authorities to hold remote meetings should be made permanent. It was **Resolved** to leave it to Councillors to respond with their own views and not make a separate submission from the Parish Council (proposed Cllr Thompson/seconded Cllr Swan).

21/093 In-Bloom Team – **Resolved** to grant a request from the In-Bloom Team for the annual grant of £1200.00 (proposed Cllr Swan/seconded Cllr Wilson).

21/094 Internal Audit 2020-21 – **Resolved to** (a) receive the report and note that the weekly inspection of the play area was to be recorded and the Clerk had corrected the page numbering error on the 24th February, 2021 minutes and (b) note the auditor considered the accounts continue to be well maintained and no matters arose that needed to be drawn to the attention of the Council (proposed Cllr Richardson/seconded Cllr Teare).

21/095 Annual Governance and Accountability Return (AGAR) 2020-21 – Following a review of the effectiveness of the system of internal control, it was **Resolved** to approve Section 1 - Annual Governance Statement 2020-21 (proposed Cllr Poolford/seconded Cllr Swan).

21/096 Annual Governance and Accountability Return (AGAR) 2020-21 – Following consideration of the 2020-21 AGAR guidance, close scrutiny of the draft Submission including supporting evidence, it was **Resolved** to approve (a) Section 2 - Accounting Statements 2020-21, (b) the Explanation of Variances, (c) the Notice of Public Rights and Publication of Unaudited Return, (d) the documentation to be submitted to the External Auditor and (e) that £1 be charged for a copy of the Annual Return. Proposed (Cllr Teare/seconded Cllr Thompson).

21/097 Allotments – Cllr Poolford reported the water leak had been found and repaired. East Riding of Yorkshire Council's Pest Control Officer had put in place a plan to treat the infestation of vermin and had advised on measures to help prevent reinfestation. A Tenant had exchanged a large plot for a smaller one, the larger plot was to be split into two. Cllr Poolford expected to let the smaller plots in the next few weeks. Work to tidy up two further vacant plots had been ordered, at a modest cost.

21/098 Pond – A resident had raised concerns about the recent works carried out at the pond. Due to the very wet ground conditions in the Autumn and Winter of 2020 and early Spring this year, no work on the pond had been done for 18 months. There was a danger of the pond being strangled by weed and becoming a bog. During March 2021 the fringe of the bank had been cut, but the opportunity to remove the weed in the pond was missed with the work delayed until the first few days in April. It was agreed that in future the pond was to be maintained, as a minimum annually and that priority was to be given to the protection of the wildlife in and around the pond and the timing of the maintenance work planned accordingly.

21/099 Williamsfield – Councillors had re-considered its original view based on the prompt of the imminent consultation due of the new Local Plan. It was **Resolved** that the Chairman submits a representation to the Planning Committee stating, in summary, that the Council should support the application for the additional scheme at Williamsfield, so as to facilitate demand for more local housing and reduce the need for houses to be built, in what Councillors believed to be less suitable locations (proposed Cllr Poolford/seconded Cllr Thompson).

21/100 Play Area – Planning permission and Section 38 Consent had been obtained allowing Phase 2 of the improvement works to proceed. The work was planned to start on the 17th May, 2021. The Council had received the £7848.00 Commuted Sums. Cllr Thompson was to attend a presentation of a plaque and photo session arranged by East Riding of Yorkshire Council.

The Play Inspection Company had carried out the annual inspection of the play area and equipment. A number of minor faults had been identified, all of which had been classed as low risk. A quotation had been obtained for repairing the faults, together with a quotation for repairing a problem with the inclusive roundabout, found subsequent to the annual inspection. It was **Resolved** to proceed with the repairs to equipment that needed a mechanical repair (proposed Cllr Thompson/seconded Cllr Swan). The Council would continue to monitor the play area and equipment through weekly inspections.

21/101 Footpath across the Green – The footpath had been completed and had been well used.

21/102 Gatehouse Lake Committee – The minutes of the Gatehouse Lake Committee meeting held on the 22nd June, 2020 were received (proposed Cllr Teare/seconded Cllr Thompson). The draft minutes of the Committee meeting

held on the 14th April, 2021 were noted. An invitation from the Angling Club to visit the Lake, to further consider the Club's proposal to transform the bank side, was accepted.

21/103 National Grid Electricity Transmission – Scotland to England Green Link 2 (SEGL2) – As part of National's Grid capability of helping to deliver greener energy to homes and businesses across the UK, two new High Voltage Direct Current (HVDC) electricity 'superhighways' were proposed to be constructed. One of which was from Peterhead to Drax (SEGL2). HVDC cables would run under the North Sea at Peterhead and come on land at Wilsthorpe. From Wilsthorpe underground cables would run onshore to Drax power station. The proposed route affects parts of Hutton Cranswick including the allotments on the land west side of Beverley Road. The Parish Council had been requested to provide a survey licence and information on the interests on the Land.

It was **Resolved** to refer the requests to the Council's agent (proposed Cllr Thompson/seconded Cllr Teare).

21/104 Section 137 – It was noted the Section 137 Expenditure Limit for 2021-22 was £15,583.73.

21/105 Street Names – Street names had been proposed for the roads on the development at the rear of 99 Main Street, Cranswick. It was **Resolved** to not accept the suggested street names and that the names should be chosen for the Name Bank for Hutton Cranswick (proposed Cllr Thompson/seconded Cllr Richardson).

21/106 Village Show – Cllr Teare reported that the working group had concluded, regrettably, that it was not feasible to hold a Show this year. Consideration was being given to hold smaller events over the weekend of the 28th July, 2021. Cllr Teare would provide further details when plans had been finalised.

Story Endings Written by Year 3 Pupils

The Pied Piper

At last all the rats had gone. Everybody was silent for seconds then... they cheered for what the pied piper had done. The joyful people hoisted him up in the crisp morning air. They all thanked him happily. There were people throwing hats or confetti and well all what was on the piper's face was a smirk. They didn't care what he looked like now all they cared was that the piper had got rid of the rats. They eventually put him down and told him to go to the mayor and see what he would say about this. So he did he went to the square and stood in front of the mayor waiting for him to say something. "Well then". "I see you have got rid of the rats but I could of done it" said the annoyed mayor. The crowd gathered around them and fell silent. Some were worried and some were angry. The mayor wanted to look so much richer than he already was. "Well you think you deserve a reward" replied the mayor eventually.

The Pied Piper

At last every rat had gone and hundreds of people celebrated. Then the pied piper exclaimed to the crowd "you're welcome" whilst everyone threw their hats in the air with rose petals. People were jolly and relieved. Then the pied piper went to the mayor and demanded his money. Then the mayor (looking crimson red) said "here's your money" looking sadly surprised. Then everyone stared at the pied piper then the pied piper said "goodbye".

Lesley and Trish look forward to welcoming you.

Dear Bulletin team,

In response to your request for articles and the Parish Council minutes of 24th March I thought I would write to ask for villagers' comments about the creation of wild flower areas in the village.

The charity Plantlife through its initiative "No mow May" supported by the Nation Trust, Yeo Valley etc. is trying to support native species. According to the Biological Conservation journal 97% of our meadows have disappeared since the 1930s and that has put pressure on insect life, everything from butterflies and bees to hoverflies – that eat your greenfly. They have lots of ideas beyond not mowing in May, but I thought it would be a good starting point for discussion.

If we widen this idea out we need to think about whether there are any areas in the village that we feel we could develop as meadows. The exact timings of growing, cutting

and removing of cut material depends upon what we would want to encourage but it would mean that there would be areas that would be left to grow, a sort of "managed wild." This could be a problem as they would not be neat and tidy, so I am asking your readers, would they be happy with such areas and if so where?

Finally, before someone points out the Parish council minutes for March to me, can I direct them towards "Cambridge City wildflower meadows." Dotted across the parks in Cambridge are areas of wildflowers, full of colour and butterflies (well at the right time of year.) They have rich alluvial soils so they can be created in areas of good soil like our green if we wanted to.

This article is intentionally short, please Google any of the places/organisations I have mentioned for more information.

Refurbishing the BT Phone Box in Hutton.

The work on refurbishing the BT Phone Box in Hutton is taking a lot longer than expected.

There are only two of us working on it at present (when the weather allows) and we have reached the stage

of removing the old paint, which is a slow (and to be honest, tedious) job.

I am putting out a call for volunteers to help with the work, in the hope that we can get the restoration completed this year.

If **anybody** can spare a few hours to help with the work it would really be appreciated, please contact me via 01377 271848 or email r.w.alderton@gmail.com

Would you like to write an article for The Bulletin?

The Bulletin team are looking for articles. As we start to come out of the pandemic then we are keen to promote community activities and look to the future. The Bulletin will be delivered again into every household in Hutton Cranswick.

What articles would we like?

The articles can describe an event which has occurred or one which you wish to promote. If this is a community event then we can also provide space for a community advert – free of charge.

The article may also be about an activity or a pursuit you are proud of and wish to share with our readership. It may be a report on a community group, describing the activities and offering opportunities to join in. We are also keen to promote new activities in the village and so an article could survey and seek views from our readers.

We can help you to write them

The article will need an Introduction which will outline the main points, the development of the message and a conclusion. Where possible include comments from people. A photograph, picture or diagrams can help our readers understand your message.

Any pictures should be sent as jpegs. Please acknowledge the photographer or source of the material. The article should be sent as a word document. The length of the article should be about 300 words. We reserve the right to edit the article or not publish.

Articles should be sent to our email address. hutton.cranswick.bulletin.2020@gmail.com

This article is 260 words long.

The Bulletin Team is recruiting volunteer deliverers for the monthly newsletter.

If you are interested in joining our team of deliverers, then further information on the walks available and the time required can be gained by phoning Gary on his mobile: **07795 202559**.

Thank you

We love being outdoors and in the fresh air for our meetings, but the thing about always meeting outdoors is the weather isn't always kind to us. We had hoped for drier, warmer, sunnier weather but have to have what comes and we try to tog up accordingly. It doesn't always happen though.....The other week we'd been up at Centenary Wood when the heaven's opened. Surprisingly all the young people loved it, and I dare say there were a few jumpers that could have been wrung out by home time. We've recently moved our equipment from one storage unit to another as it was failing, and we'd like to thank those that came along and helped us.

We've had our St George's Day celebrations via zoom with the district and we had a small gathering with our own group round the village flagpole, where we were able to present some awards to leaders and young leaders.

All sections have been getting back to meeting in person and have started with playing games and chatting! As we've got more into the swing of proper meetings again we've started to add in Scout skills and badge work. Beavers and Cubs have been out learning tracking skills, whilst Scouts have been brushing up on map skills for their upcoming expedition.

We believe in bringing people together to enjoy fun, friendship and adventure in a place they can belong.

Do more. Share more. Be more.

The Countryside Code

Your guide to enjoying parks and waterways, coast and countryside

Respect everyone

- be considerate to those living in, working in and enjoying the countryside
- leave gates and property as you find them
- do not block access to gateways or driveways when parking
- be nice, say hello, share the space
- follow local signs and keep to marked paths unless wider access is available

Protect the environment

- take your litter home – leave no trace of your visit
- take care with BBQs and do not light fires
- always keep dogs under control and in sight
- **dog poo – bag it and bin it – any public waste bin will do**
- care for nature – do not cause damage or disturbance

Enjoy the outdoors

- check your route and local conditions
- plan your adventure – know what to expect and what you can do
- enjoy your visit, have fun, make a memory

EYECARE DURING **THE COVID-19 OUTBREAK**

We have been open for emergency and urgent eyecare throughout the pandemic, but are now able to offer more routine eye test appointments.

**We do need to prioritise the most in need first,
so please call us to book:**

- If you are concerned in anyway about your eyesight
 - Feel your prescription has changed
 - Have glasses that are broken or lost
- Have lenses in your glasses that are scratched or damaged
- Have other symptoms that need investigating ie headaches etc.
 - Are being monitored for an eye condition

We have put numerous measures in place to ensure your safety.

We also need to control the number of people in the premises, so please call us on the usual number **01377 200040** before attending.

We ask that anyone entering the premises must wear a mask.

This advice was correct at the time of print, check our website or social media for any updates.
