

HYTEC

established since 1986

HYDRAULIC & TRANSPORT EQUIPMENT | FOUNDATION & PILING EQUIPMENT

ABOUT HYTEC

Hytec was established in 1986 in Dubai (UAE) and with branch offices in Abu Dhabi (UAE), Muscat (Oman), Salalah (Oman) and Sohar (Oman), Hytec is your trusted partner for supply and servicing of hydraulic equipment and components. Today Hytec has rental fleet of vibratory equipment in the Middle East and is a leading supplier of innovative and highly efficient hydraulic & transport equipment for the mobile market. Hytec is also specialised in high quality, custom engineered sealing solutions offering a comprehensive range of machined seals for many industries.

Hytec represents over 20 renowned brands with a team of specialists, deals and manages a wide range of equipment and provides maintenance services for tipper hydraulics, cranes, hook loaders, skip loaders, foundation & piling equipment. Hytec offers a range of support, repair, maintenance and rental services in addition to equipment sales, making us your one-stop shop.
