

ENTREPRENEUR MEETS INVESTOR

PROFESSIONAL SERVICE FROM JUST £150 PER HOUR

- Do you need an investment to get your brilliant idea of running in the market?
- Are you facing difficulty to get into a joint venture with another business?
- Having trouble in growing your business due to lack of liquidity?
- Are you having trouble pitching to your potential investors?
- You might want an angel investor who understands you and is ready to give you the financial wall your business rightfully deserves.
- No need to look here or there for crowdfunding your business or business ideas.
- We know it is not easy to find investors who believe in you, but we do!
- We both believe there is potential in your business but you are having trouble finding private equity and venture capital.

You have a business pitch deck representation and we have the time to watch and listen to all your ideas, plans and schemes!
Tell us what you have and we will find your "Perfect Investor"
