

Securities and Investment Webinars

International College of Commerce

One of Europe's leading business schools, with over 20 years' experience delivering professional accounting and finance qualifications from the Benelux, United Kingdom and United States. We are trusted by many of the most influential accounting firms and we train aspiring accountants from over 100 organisations.

Chartered Institute for Securities & Investment

The British institute for securities and investment offer a range of qualifications to help you enter the financial services sector and progress in your chosen discipline. Exams are taken in over 80 countries and are designed, developed and reviewed regularly by senior practitioners to ensure they are purpose-built for the market and remain relevant.

The practical knowledge you gain can be immediately transferred to business activities and client-facing functions, helping you to get ahead in your career.

Corporate Supporters

Major banks and financial organisations worldwide use CISI qualifications to benchmark the knowledge of their staff.
