

RC Trading Company Hosts Reseller Meet for IGT Gas Regulator Resellers: Fostering Cooperation, Safety, and Prosperity

Sauraha, Chitwan - August 19, 2023 - RC Trading Company, a prominent name in the gas equipment industry, conducted a reseller meet for IGT Danish Gas Regulator resellers on August 19, 2023. The event took place in the scenic town of Sauraha in Chitwan, embodying the spirit of "Cooperation for Safety and Prosperity" among sub-distributor and resellers.

The primary objective of the event was to foster a collaborative environment among resellers of IGT Danish Gas Regulator, offering them a platform to discuss strategies for business growth, enhance after-sales service, and reinforce brand value. The reseller meet embodied the essence of the event's slogan - **"Cooperation for Safety and Prosperity"** - by emphasizing the importance of unity in ensuring both customer safety and mutual business success.

The event, led by the Managing Director, Mr. Rup Kumar Chhetri of RC Trading Company, featured insightful discussions on business accountability, future expansion plans, and potential challenges that might arise in the ever-evolving gas equipment market.

One of the highlights of the event was the distribution of certificates to sub-distributor and resellers in recognition of their contribution to the growth and success of IGT Danish Gas Regulator. This gesture not only acknowledged their hard work but also encouraged them to continue their dedication to providing quality checked products and after sales service to customers.

The reseller meet was not solely focused on business discussions; it also provided attendees with a cultural experience. The program included captivating cultural dance performances that added a touch of local tradition and entertainment to the event. Following the program, all participants were treated to a delightful dinner.

RC Trading Company's reseller meet for IGT Danish Gas Regulator not only underscored the company's commitment to innovation, collaboration, and customer-centric approaches but also resonated with the theme of "Cooperation for Safety and Prosperity." By creating an environment that fosters communication, unity, and growth, the event highlighted the company's dedication to delivering exceptional products and services while prioritizing safety and prosperity for all.
