

October 2023

Imperial Oak Preparatory School is now officially open!

We held our grand opening day on Friday 6th October and welcomed the Mayor of Southwark to the event.

It was wonderful to be able to share the school's values and facilities with all the visitors on the day.

Visiting children enjoyed exploring a range of different activities. They listened to a story and made a treasure box to take home. One of the children said "I wish I could come here".

What is next?

Join us for a **taster session** on **Wednesday 8th November** or **Saturday 11th November**. Book now on the website. Come and have a tour, meet the teachers and see what we have to offer.
