EMERGENCY, CRISIS & DISASTER RISK MANAGEMENT INSTITUTE
(Established by Act of Parliament of the Federal Republic of Nigeria Gazetted Bill No. HB.1707 of 2021)

MAIDEN ANNUAL NIGERIA CLIMATE CRISIS & EMERGENCY WEEK/CONFERENCE, LAGOS, 2024

The Annual Nigeria Climate Crisis and Emergency Week/Conference 2024 is a national event aimed at raising awareness and prompt action on the urgent need to address the climate crisis; the impacts of climate change and promoting emergency preparedness and response strategies in Nigeria.

The event will bring together stakeholders from government, civil society, private sector, and international organizations to share knowledge, experiences, and best practices in addressing climate-related crises and emergencies. The event will focus on raising awareness about climate change impacts and vulnerabilities in Nigeria; promoting emergency preparedness and response strategies; showcasing innovative solutions and technologies for climate crisis management and fostering collaboration and partnership among stakeholders. The event will feature keynote speeches, panel discussions, thematic knowledge engagement sessions, workshops and interactive sessions.
