INDUSTRIAL SENSORS EXPO

Live virtual event for next level networking

25th Feb 2021

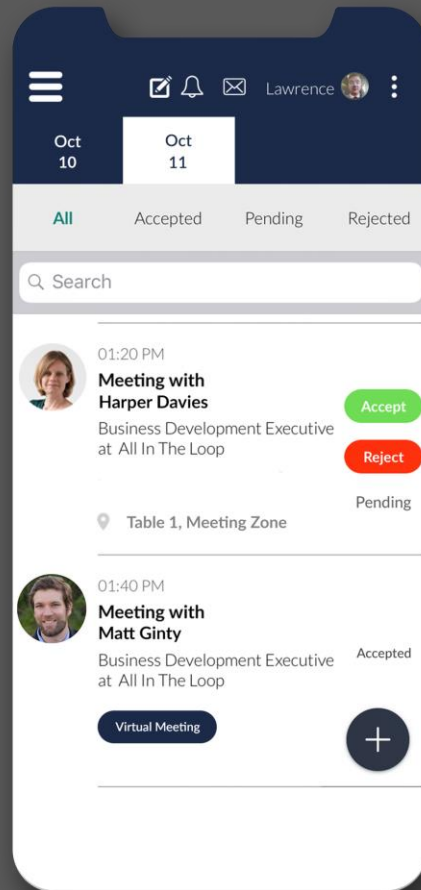

Exhibitor Opportunities

The **Industrial Sensors market** size is expected to grow from USD 18.2 billion in 2020 to USD 29.0 billion by 2025, at a CAGR of 9.8%.

Growing popularity of industrial 4.0 and IoT and increasing demand of industrial robotics are the key factors driving the growth of the market.

Next level networking

Before & during the event

- Visibility of ALL attendees
- Connect with industry professionals
- Pre-book meetings & calls
- Share promotional content

During the event

- Host group chat rooms for Q&A's
- Offer On-demand Webinars & tutorials
- Connect "live" with voice or video calls

Exhibitor Profile

Distributors, Manufacturers,
Suppliers covering

Exhibitor Booth

Each exhibitor will have the option of a branded banner being placed at the top of their profile page

Banner - 3000px width : 800px height JPEG (if including any text the ideal area is the right hand side)

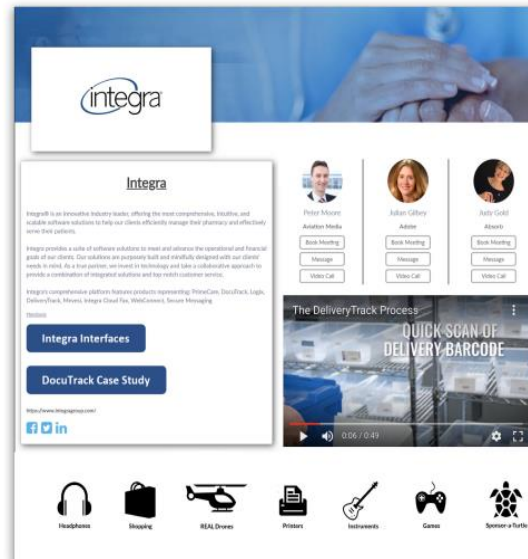

Logo 500px : 500px JPEG

Include a Company name and description

Include a website URL, Twitter URL and LinkedIn URL

Include promotional videos/links

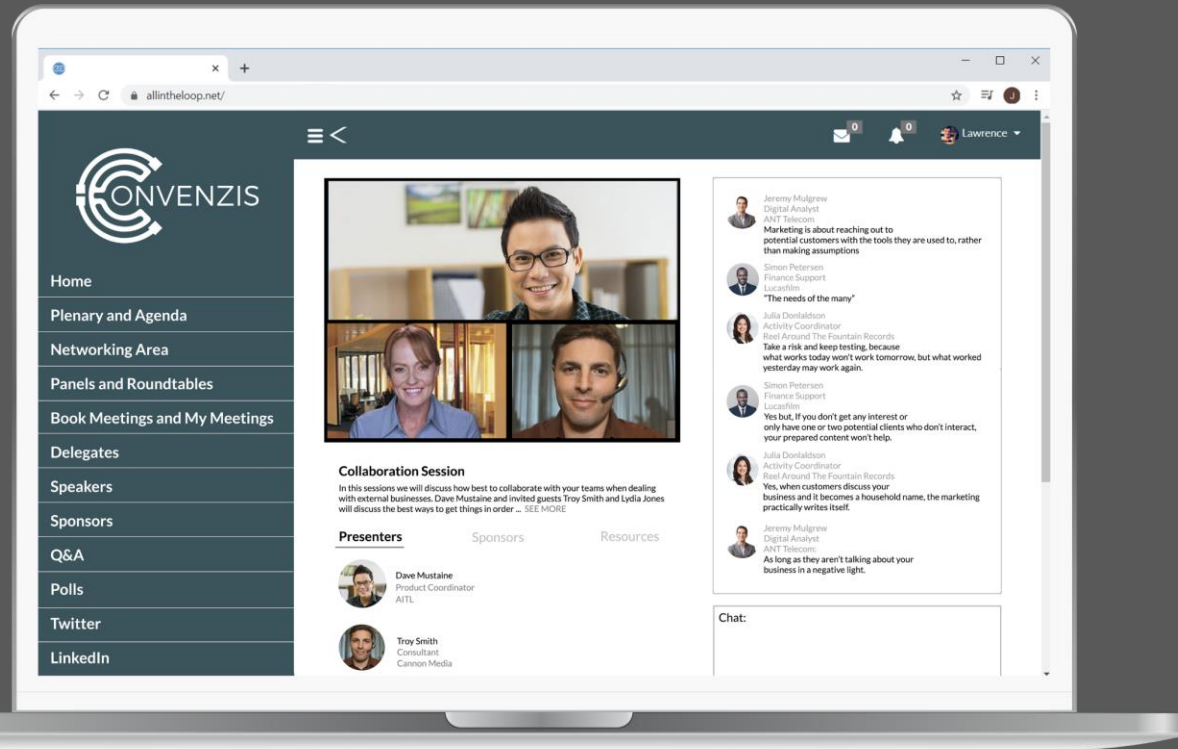

See which attendees visit the booth and how many times

- Level Sensors
- Smart Sensors
- Automation Sensors
- Image Sensors
- Vision Sensors
- Gas Sensors
- Pressure Sensors
- Position Sensors
- Temperature Sensors
- Humidity Sensors
- Moisture Sensors
- Location Sensors

Visitor Profile

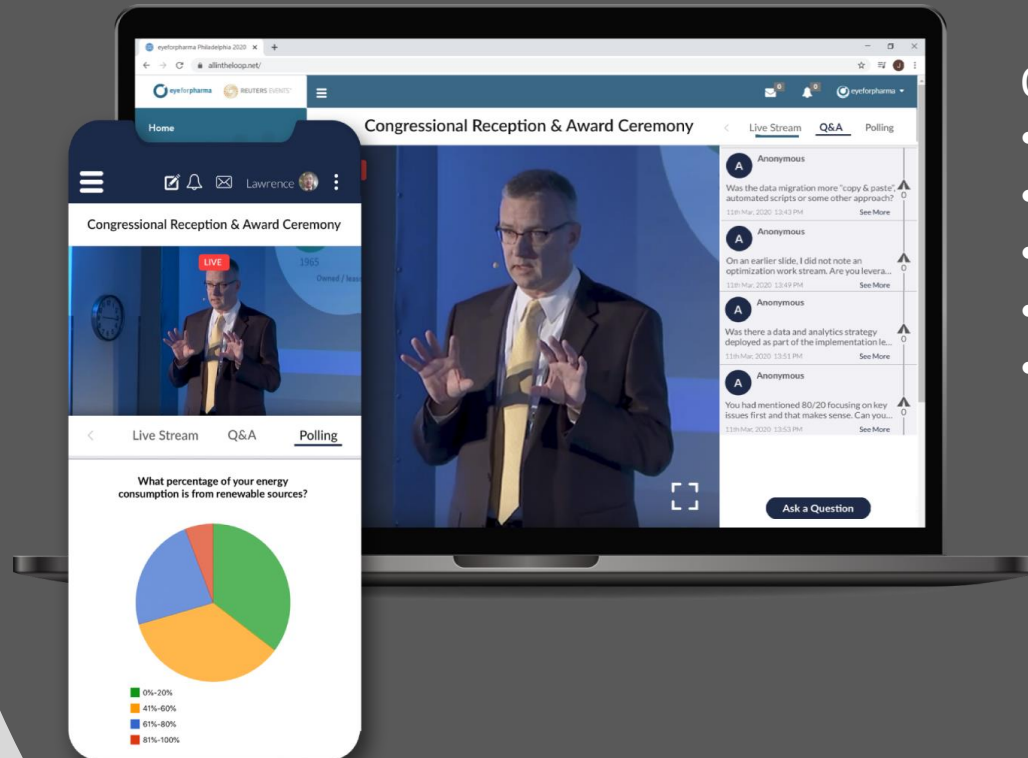

- CEO/ CTO
- Head of R&D
- Development Directors & Chief Engineers
- Sensor Team Leaders
- Sensor Engineers
- Head of Engineering
- Senior Electrical Engineers
- Senior Mechanical Engineers

INDUSTRIAL SENSORS EXPO

Live virtual event for next level networking

Promote your message

Offer an enhanced “live” experience

- Perfect your message – pre-record your video
- Engage during event with “Live” Q&A
- Online for increased audience accessibility
- Available “anytime/anywhere” after the event
- Additional content can be linked/included
