# Environmental Change due to Socio-Economic Change

*How can we explain the linkages between natural and political systems in the context of rapid socioeconomic change?*

**Organizers:**

**Prof. Dr. Solveig Richter**

Heisenberg Professor for International Relations  
and Transnational Politics  
University of Leipzig

**Dr. Carlos A. Sierra**

Max Planck Institute for Biogeochemistry,  
Jena, Germany  
Swedish University of Agricultural Sciences,  
Uppsala, Sweden

## Full Program

**Nov 23rd**

**18:00-20:00**

**Nov 24th:**

**12.00-20.00 Hrs**

**Nov 25th:**

**10.00-16.00 Hrs**

Max Planck Institute for  
Biogeochemistry  
Mälzerstraße 5  
(IT-Paradies)

07745 Jena

**Prof. Dr. Miguel D. Mahecha**

Remote Sensing Centre for Earth System Research,  
University of Leipzig,  
Helmholtz Centre for Environmental Research, UFZ

**Prof. Dr. Pablo A. Ramos**

School of Rural and Environmental Studies  
Pontificia Universidad Javeriana  
Bogotá, Colombia

UNIVERSITÄT  
LEIPZIG

Max-Planck-Institut  
für Biogeochemie

**Wednesday 23 November 2022**

University of Leipzig

**18:00 – 20:00 GUEST LECTURE**

**Environmental Peacebuilding**

by Prof. Dr. Pablo A. Ramos

**Neues Seminargebäude, Universitätsstraße**

**Room SO15 – Uni Leipzig**

---

**Thursday 24 November 2022**

Max Planck Institute in Jena

**Full Program**

**Nov 23rd**

**18:00-20:00**

**Nov 24th:**

**12.00-20.00 Hrs**

**Nov 25th:**

**10.00-16.00 Hrs**

Max Planck Institute for  
Biogeochemistry

Mälzerstraße 5

**12:00 Joint lunch**

**13:00-14:00**

**Introductory session and get together**

“Why interdisciplinary approaches?”

**14:30-16:30 PANEL 1**

**Taking stock: what do we know?**

Where is the gap to move forward?

**Panelists:**

Dr. Alejandro Salazar

Dr. Carlos A. Sierra

UNIVERSITÄT  
LEIPZIG

Max-Planck-Institut  
für Biogeochemie

**17:00-19:00 PANEL 2**

**Local leaders, ecosystem change, and  
governance instruments:**

A research agenda for Colombia

**Panelists:**

Prof. Dr. Solveig Richter

Dr. Monica Amador Jiménez

Prof. Dr. Pablo A. Ramos

**20:00 Dinner**

---

**Friday 25 November 2022**

Max Planck Institute in Jena

**10:00-12:00 PANEL 3**

**Producing knowledge and data.**

How can it help?

**Panelists:**

Prof. Dr. Pablo Palacios

Prof. Dr. Nicola Clerici

Prof. Dr. Miguel D. Mahecha

**12:00-13:00 Light Lunch**

**13:00-15:00 PANEL 4:**

Wrap up - way ahead

**16:00 City Tour of Jena**

**Full Program**

**Nov 23rd**

**18:00-20:00**

**Nov 24th:**

**12.00-20.00 Hrs**

**Nov 25th:**

**10.00-16.00 Hrs**
