

Attendance Policy

Point System and Penalties

At Helvetian Investment Club, our goal is to provide outstanding finance events for students at the University of St. Gallen. To ensure that our events run as intended, we have implemented a clear attendance policy. This policy outlines the rules and procedures for attending our selective HIC events and the consequences of not following them. Our aim is to ensure the best outcome for both students and our partner corporations.

Please note that the following rules apply only to our selective events, and not to non-selective events.

1. Event Attendance

Our selected events require an application process where only a select few are invited to attend. We understand that attending our events is a commitment, which is why we give you the option to cancel attendance of an event within 24 hours after receiving confirmation. If you are unable to attend after obtaining confirmation, please notify our team as soon as possible, so that we can plan accordingly and the spot does not just go to waste. Noncompliance will result in fines under our point system.

2. Point System

The point system tracks attendance and cancellations. Students can notify the HIC team within 24 hours of receiving the invitation that they cannot attend without any repercussions. However, if you cancel your attendance after the initial 24-hour window, you will be fined one point. Failure to show up without prior notice will be charged two points. Accumulating two points will result in being blacklisted from attending HIC events for a period of six months.

We understand that plans can change unexpectedly and ask you to inform us in a timely manner. Thank you for your cooperation in helping us maintain the high standards of our club.

Best,
HIC Team
