Major Jo's Column

Hallowed is a very old-fashioned word, many people struggle to understand it's meaning. One dictionary definition is sacred, venerated, regarded as holy. When we say hallowed be thy name it means "May your name be held holy". This is what the words mean but with written prayers and songs it is very easy to read off the words without thinking; it is a good habit to stop and ask ourselves questions from time to time. Do I mean these words in my heart, would people know that by my attitude and actions, do I really treat God with the reverence that he deserves. Revelation 5:13 'Then I heard every creature in heaven and on earth and under the earth and on the sea, and all that is in them, saying: "To him who sits on the throne and to the Lamb be praise and honour and glory and power, for ever and ever!"'

If you are able to help collect for the Big Collection 2024 then please add your name to the list in the foyer.
