

10th International Congress of Coaching Psychology 2020

8th & 9th October, 2020
Join us for this virtual
interactive learning event

2020 Vision: Navigating adversity with coaching psychology and positive psychology

This Two-Day virtual Conference offers Masterclasses, Keynote and Invited Speakers, Skills-based Sessions and Poster Presentations. The event will focus upon the practice and research of Positive and Coaching Psychology exploring themes such as:

- ▶ Acceptance and Commitment
- ▶ Neurodiversity
- ▶ Performance and Resilience
- ▶ The Coaching Alliance
- ▶ Navigating Covid-19
- ▶ Creativity
- ▶ Adversity, challenge & flourishing
- ▶ Health and wellbeing
- ▶ Managing transitions
- ▶ Ecopsychology

This exciting event will bring together professionals from a wide range of settings, interested in the application of positive and coaching psychology. The conference will be a superb opportunity to extend your professional horizon.

Parallel Day One Masterclasses by Dr Suzy Green (Australia) and Dr Rachael Skews (UK). Further details will be announced very soon...
