JAVEA NIGHTLIFE TOP BARS, NIGHT CLUBS AND CHIRINGUITOS

Javea is best known for its coves and beaches – but after the sun goes down, Javea nightlife does not disappoint.

The most popular area is the [Arenal beachfront](#) boulevard and surroundings. Here you'll find busy bars and restaurants, and nightclubs which only open after midnight. But Javea nightlife also includes lively bars and tapas restaurants in the [port area](#), as well as in the narrow, historic streets of [Javea's old town](#).

In fact, Javea's most famous nightclub (Molí Blanc) is actually closer to the old town than the Arenal.

Below, we've split our list of the best bars and nightclubs in Javea into three – the Arenal, the port area and the old town – to help you make the most of Javea nightlife.

Below, we'll cover the process of how to buy a property in Javea, the costs involved, as well as the requirements for British, American, Canadian and EU citizens to acquire Spanish residency.

P.S. We've included opening hours and locations to help you
