## 10 TOP RESTAURANTS IN JAVEA

Where to eat in Javea is a crucial issue. In this restaurant guide of Javea we include the top ten restaurants that have true creativity, impeccable quality of the products, decoration, pleasant service and, finally, a checked value for money. The restaurants we list in this guide are only our favorites, not a list of all the restaurants in [Javea](#).

The gastronomy of Javea is linked to its history and its geographical location. From the agricultural activity the typical dishes of legumes and vegetables are born and from the relationship with the sea the great variety of recipes with fish, shellfish and molluscs.

Practical and easy. When visiting the different quarters of Javea, we believe to be a good idea to send you to the restaurant we like on every quarter of the city. Do not doubt, we have tried them and we recommend them. Here is our list of best restaurants in Javea.

## VOLTA I VOLTA IN JAVEA HISTORIC CENTER

Volta I Volta is a restaurant placed in Xàbia's historical center. The cooking concepts is developed based on the idea of 'New tradition', in the sense of bringing back Mediterranean traditional recipes and giving them a personal, different, and contemporary touch. The Volta I Volta team have been lucky enough to work in very different parts of the world, allowing them to keep the best and most enriching of other culinary culture.

Pickles, conserves, syrups, marinades...everything you'll try out in Volta i Volta is 100% home made. They select quality products and conserve them so every single thing that reaches your plate will have the best flavour and that differentiator point which will make you enjoy every single bite.
