## Les chansons

Le chanteur veillera à vibrer le moins possible. Idéalement il se rapprochera le plus possible d'une esthétique « folk ». Eviter donc le plus possible une voix « lyrique ».

### 1. **DURME** – chanson Séfarade

Durme, Durme hermosa donzella  
Durme, durme sin ansia y dolor.  
Durme, durme sin ansia dolor.

Hay los anos que sufre mi alma  
Porti joya mi linda dama  
Porti joya mi linda dama.

Que tu esclavo que tando desea  
Ver tu sueno con gran de amor  
Ver tu sueno con gran de amor

Siente, siente al son de mi gitara  
Siente hermosa mis males cantar  
Siente hermosa mis males cantar.

### 2. **KORIEDZEKI** – Traditionnel turc

Sans texte : élaborer des onomatopées.

### 3. DRIVE THE COLD WINTER AWAY – Traditionnel anglais (1651)

All hail to the days that merit more praise  
Than all the rest of the year,  
And welcome the nights that double delights  
As well for the poor as the peer!  
Good fortune attend each merry man's friend  
That doth but the best that he may,  
Forgetting old wrongs with carols and songs  
To drive the cold winter away.

This ill for a mind to anger inclined  
To think of small injuries now,  
If wrath be to seek, do not lend her thy cheek,  
Nor let her inhabit thy brow.  
Cross out of thy books malevolent looks,  
Both beauty and youth's decay,  
And wholly consort with mirth and with sport  
To drive the cold winter away.

This time of the year is spent in good cheer,  
And neighbours together do meet,  
To sit by the fire, with friendly desire,  
Each other in love to greet.  
Old grudges forgot are put in the pot,  
All sorrows aside they lay;  
The old and the young doth carol this song,  
To drive the cold winter away.

When Christmas's tide comes in like a bride,  
With holly and ivy clad,  
Twelve days in the year much mirth and good cheer  
In every household is had.  
The country guise is then to devise  
Some gambols of Christmas play,  
Where at the young men do best that they can  
To drive the cold winter away.
