## Lesson Guide

*(List updated weekly)*

Good Morning Stargazers! Thank you for continuing to be a part of the Learning Community! The following has been created just for you by my natal Virgo ♍ planets! This organized list will allow you to proceed with your education in an orderly fashion. Feel free to go through in any order you like, but this guide has been designed so that each lesson builds on the previous *(except for Bonus Lessons)*.

## What Does the Future Hold?

*(to be released in 2024)*

A Prediction Tier, perhaps? After we dissect the Natal Chart to the content of everyone's Virgo ♍ and Gemini ♊ planets, we'll dive into prediction lessons! We'll also do deep dives into the various topics previously introduced, e.g. The Role of the Moon & other planets in fulfilling needs, the Houses of Relationship & Love, Blending the Big Three, Repeating Patterns and locating "Themes", etc. Exciting stuff!
