

When flying becomes personal

We provide the perfect private flight solution for people, groups and companies.

Leisure

As a "boutique broker" we can offer a highly personalized service to our customers, tailored to their needs and preferences.

We book your private jet and bring the pleasure back into vacation trips.

Jetworld will ensure the luxurious comfort and complete privacy you desire during your flight.

Business

Your meeting has ended sooner than you had planned, or has run rather late. Then you don't have to worry about catching that next flight, we just wait for you.

Your driver, or if necessary a private helicopter is waiting at the airport to take you directly to your destination.

Jetworld will arrange it all for you.

Groups

You will enjoy a 5-star service from start to finish.

By renting a private jet for groups, a world opens up for you and your fellow passengers to travel on your terms, where you want and when you want.

Our team is very experienced in organizing private charter flights for larger groups with aircraft ranging from business private jets, turbo-prop aircraft to large luxury liner aircraft.
