

Johan Fornäs & Ulf Boëthius

Ungdom och kulturell modernisering

FUS-rapport nr 2

Stockholm/Stehag: Symposion 1990, 96 s.

Youth and cultural modernization is the second report from the research program Youth Culture in Sweden, FUS. It presents general theories of modernity, relating them to youth and popular culture. Fornäs' chapter is reworked in his *Cultural Theory and Late Modernity*; Boëthius' chapter in Fornäs & Bolin (eds): *Youth Culture in Late Modernity*; both London: Sage 1995.
