Video Chat

1 Keep the users in the video chat **as long as** possible.

2 You can make a **random** video call or accept a **direct** video call.

3 Each match **5 points** (matched calls should last at least 20 seconds)

4 Each success **60 points** (success:calls last more than 30 seconds)

5 Earn **40 points** at the beginning and **120 points** per minute in direct calls.

Video Chat

1 — Daily match limit:100 matches(match: calls longer than 20 seconds)
If your performance score is more than 85 you will get 1000 matches everyday.

2 — 10 extra matches for each 1 minute of paid call. (ex. 5 minute-long call= 50 matches).

3 — Match limit is reseted at 00:00 UTC.

4 — When you are out of matches you can still be able to do random video chat, but you will not earn points from matches.

5 — Your daily limit may be increased if your performance is sufficient.
You can increase your match limit with each success(success: calls more than 30s or direct calls)

Success Points and Match Limit

For each random call lasting more than 30 seconds or each direct call you will earn 1 success point.

Each 1 minute of paid call 1 success point (ex.5 minute-long chat means 5 success points 50 more matches)

1 success point 10 extra matches

Earn more success points to increase your match limit!
