TELL YOUR STORY

Do you have a story to share? A hobby you are proud of? A particular issue who needs a bit more attention than every day's life? Then you are the person I am looking for!

Just People is a photo project that started in Sweden 2012. It is a photo project with a mission. A mission of spreading understanding, love and acceptance across the world. Since then we have crossed the borders and included Germany and Italy in our project and now the time has finally come to Ireland!

WE NEED YOUR HELP!

Tell us your story and let us create art together! Let us show the world and Ireland, the beautiful humans who live here. Feel free to share bravely both your words but also yourself. Because we are all Just People, beautiful, wonderful as we are.

The project is all about acceptance, tolerance, and humanity. Equality and sharing stories as the ancient times. We just do it through portraits of you and your own written words. Fill in the application form and more information on our home page: <http://www.justpeople.se/people-of-eire/>

CORNELIA SCHMIDT

I am a photographer based in Sweden, born and raised in Switzerland. In 2012, I started the photo project Just People. The project covers stories of people from all around the world, of any age and gender. True nude stories of people like you and me. Feel free to check out the homepage to understand more. www.justpeople.se

I have been travelling to Ireland ever since my childhood and have always felt at home on this beautiful island. Now finally, along with THE GLENS CENTRE in Manorhamilton, I begin this project, "People of Éire".
