

## JWL Cleaning Gun

Effective degreasing, washing and shampooing.

JWL Cleaning gun is a powerful and efficient cleaning gun suitable for most kinds of cleaning agents. JWL Cleaning gun is ideal for degreasing, cleaning and detergent coating purposes, even where aggressive chemicals are used.

The nozzle is easy to adjust as to spreading of the liquid.

JWL Cleaning gun is designed to assist you in the best possible way on a daily basis. Therefore, JWL Cleaning gun is user-friendly and easy to operate – the liquid flow is infinitely adjustable and easily regulated using the trigger. We use the compressed air to ease the activating of the handle making it easy, accurate and simple to operate. All other materials are impact and corrosion resistant.
