Hey UNHCR  
How should we describe Humanity &  
basic human rights to you?  
So that you can learn that we are Human  
beings in pain, not customers of

A man wearing a light blue surgical mask is holding a black sign with yellow text. The sign reads "6 YEARS IN TRANSIT WITH MEDICAL CONDITION". The background shows a park-like setting with trees, a road with a car, and a person walking. The man is wearing a dark t-shirt. To his left, another person's arm with a blue and white tiger print shirt is visible. To his right, a person in a light blue striped shirt is partially visible. The scene is outdoors during the day.

The United Nations' motto is to protect people. The UN's action is to keep people undecided. Dear refugees Welcome to the purgatory of uncertainty

the best years of my child's

A young child with dark hair and a blue shirt is holding a white sign with red handwriting. The child is standing outdoors, with a person in a patterned shirt behind them. In the background, there is a stroller, a utility pole, and a road with a car.
