APPLICATION NOTICE

The original application has to be handed over by the player to the home National Federation for authorisation, in time, before the start of the season.

The home Federation keeps this original document and has to hand it over to the CEB on its request (in case of controversy)

One application-form per authorisation to play and per host country is to be handed over by the releasing (home) Federation to the applying player for submission to the host club / host country.

One application with original authorisation by the home Federation has to be sent to the CEB sports director for permission to play, before the **30th of August** at the latest, and, in any case, before the start of the respective seasons.

After this date no more authorisation to play for foreign countries for the upcoming season can be granted.

After the 1st of September of each year the CEB sports director will publish the international list of releases.
