BRIAN PALMER 50 years of beekeeping

Our President, Brian Palmer, celebrates 50 years of beekeeping this year. He started his working life as an apprentice compositor in 1951 and took up beekeeping in 1963.

Over the years he has worked extremely hard to educate new beekeepers, running courses and lecturing at Hadlow College as well as evening classes in Canterbury. For some years he was a member of the BBKA Examination Board.
