HEALTH & SOCIAL CARE

Professional staffing services

About Our Company

Kimarchie Health and Social Care provides the National Health Service and private social and health care providers with a steady supply of qualified staff to meet their changing needs for resources.

The majority of healthcare facilities favour Kimarchie Health and Social Care as a service provider. We accept applications from all competent candidates, regardless of colour, gender, age, disability, religion or other views, or sexual orientation.

Kimarchie Health and Social Care is a social healthcare staffing business established in the United Kingdom that specialises in finding and hiring qualified healthcare workers for the commercial and public social and healthcare sectors. We are conscientious, perpetually creative, and extremely empathetic.

Our clients are satisfied with the quality of our work and the professionalism of our personnel, as well as with our candid, impartial advice. We are a collection of lively, active, enthusiastic, focused, devoted, and action-oriented young entrepreneurs.

Permanent Staffing Solutions

Because we recruit reliable permanent staff who are committed to providing excellent medical care, Kimarchie Health and Social Care is able to provide individualised pricing. This dedication helps us meet your expectations.

Our kind, respectful, and decent employees consistently go above and beyond expectations while maintaining their expertise and years of experience. We are aware of the impact that rotas have on the expenses and budgets of your department.

Our mission is to accommodate the requirements of both major and small suppliers. The issues associated with permanent healthcare recruitment are the primary focus of our workforce. Our expansion as a business has been facilitated by the provision of critical assistance at important times.

Our team of healthcare professionals is always available to provide personalised medical treatment advice and support. We are a group of knowledgeable individuals who are always able to provide services of the highest possible standard.

Temporary Staffing Solutions

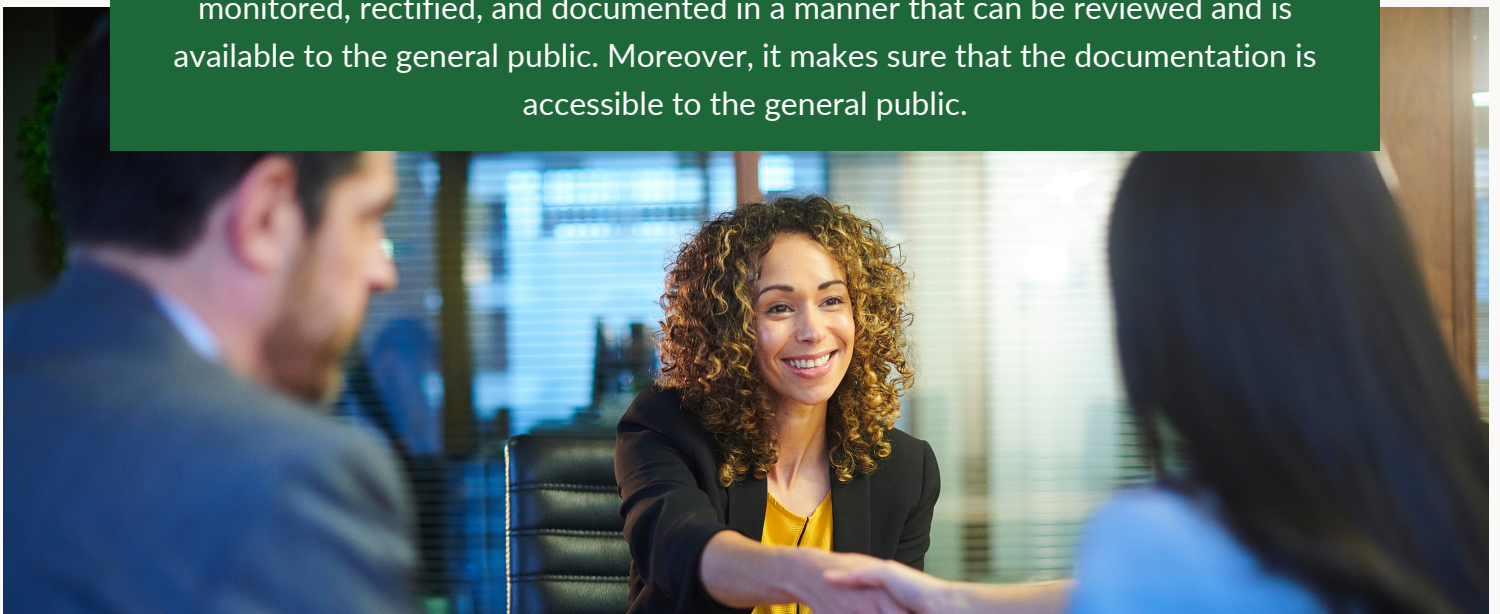

We maintain a consistent supply of qualified employees in order to fulfil the ever-changing requirements of our customers, which include the National Health Service (NHS), private hospitals, nursing care homes, residential care homes, day centres, homecare providers, mental health facilities, and prison hospitals.

Because we are approved members of all of the main temporary staffing frameworks, we are able to satisfy your staffing needs, regardless of whether they are for days or nights, short shifts or long shifts, emergency call-outs or call-outs at the last minute.

We make available to our customers a significant pool of highly qualified healthcare professionals, including registered nurses, licensed practical nurses, registered nurses in midwifery, senior career nurses, healthcare assistants, and care workers.

Our platinum compliance standards are backed up by a network of resource professionals in the UK who can be reached 24 hours a day, seven days a week.

Our clients truly respect our independent service. It guarantees that any concerns regarding the safety of staff members and difficulties with communication are monitored, rectified, and documented in a manner that can be reviewed and is available to the general public. Moreover, it makes sure that the documentation is accessible to the general public.
