Welcome to Copenhagen!

Dear Colleagues and Friends,

The Nordic Association for Clinical Sexology Conference invites you to Denmark, to share your experience in Sexology in a Changing World.

October 2-4, 2026 at CPH-Conference, Copenhagen.

From the early pioneers' curious explorations in the 20th century, sexology has evolved into a recognized, interdisciplinary field where research, clinical practice, and societal understanding go hand in hand.

Modern sexology embraces a wide spectrum of topics: sexual health, identity, behavior, and diversity. Professionals from many different disciplines contribute to strengthening sexual well-being, equality, and rights – both at the individual and societal level.

Why Should You Support the NACS2026 conference in Copenhagen?

BRANDING:

It provides your business with unique marketing possibilities through the NACS2026 website, emails, newsletters, invitations, brochures, banners and merchandise before and during the conference.

NETWORKING:

It provides your business with ideal conditions for networking by creating informal spaces – in between sessions and at receptions, breaks and cultural events where you can meet e.g. with potential clients or decision makers in Clinical Sexology assessment within NACS2026 delegates.

DISPLAYING YOUR PRODUCTS OR SERVICES:

An exhibition stand at the conference increases the visibility of your business and offers an easy way to make possible clients come to you. All exhibition stands will be placed near the eating and drinking locations, common facilities and joint events to ensure the highest possible visibility and accessibility.
