

As-Stevie Wonder

As around the sun the earth knows she's revolving
And the rosebuds know to bloom in early may
Just as hate knows love's the cure
Mother Earth can rest assure
That we are here for her always

As now can't reveal the mystery of tomorrow
But in passing will grow older every day
Just as all that's born is new
to all life we will stay true
with all the love we have always

Until the rainbow burns the stars out of the sky
Until the ocean covers every mountain high
Until the dolphins fly and parrots live at sea
Until we dream of life and life becomes a dream

Did you know that nature asks for nothing
Giving space for life is how we pay
Did you know that life has given love a guarantee
To last through forever and another day

As around the sun the earth knows she's revolving
And the rosebuds know to bloom in early may
Just as hate knows love's the cure
Mother Earth can rest assure
That we are here for her always

As now can't reveal the mystery of tomorrow
But in passing will grow older every day
Just as all that's born is new
to all life we will stay true
with all the love we have always

Until the rainbow burns the stars out of the sky
Until the ocean covers every mountain high
Until the dolphins fly and parrots live at sea
Until we dream of life and life becomes a dream
