

FÆLLESSANG

DER VAR ET YNDIGT LAND

Der var et yndigt land
det stod med brede bøge
nær salten østerstrand
nær salten østerstrand
Men dansken hugged' skoven ned
og dræned' hver en mose
og alt levende led
ja, alt levende led

Det land, der var så skønt
thi klar sig søen bælted'
og løvet stod så grønt
og løvet stod så grønt
Nu havets nød er endeløs
kun fedtemøg og alger
kan findes langs vor kyst
kan findes langs vor kyst

Vi er et for'gangsland
som elsker ting og sager
og dansken køber ind
ja, dansken køber ind
Så air-fryers og plastik-shit
må sejles rundt om kloden
for det er u-undværligt
ja, det er u-undværligt

Vi mestrer storforbrug
en sjetteplads i verden
men har vi ikke nok?
jo, vi har mer end nok!
Hvis gamle Danmark skal bestå
må dette vanvid slutte
Vi siger: Nu' det nok!!
Vi sir': Nu' det nok!!

Hvis gamle Danmark skal bestå
må dette vanvid slutte
Vi siger: Nu' det nok!!
Vi sir': Nu' det nok!!

FÆLLESSANG

HEY DUC

Hey DUC, don't make it bad
You made a sad song, now make it better.
Remember we need your business to change
And only you can make it better

Hey DUC, don't be afraid.
Take a big leap and show a greener way
The minute you let the sun do the job
Then you will start to build a new day.

And anytime you feel the pain,
Hey DUC, refrain,
Don't burden the world with all your power
For now you know it's just a fool who plays it cool
By making his world a little warmer.

Hey DUC, don't let us down.
You found oil, now reconsider
Remember to let this into your heart,
Then you can start to make it better.

So let it out and let it in,
Hey DUC, begin,
Let go of the past, turn off your pipeline
For now you know it's just a fool who plays it cool
By waiting to act till after deadline

Hey DUC, don't make it bad.
You made a sad song, now make it better.
Remember we need your business to change
And only you can make it better.
Better better better, oh.

Na nana nananana, nannana, hey DUC
