Over yonder stands little Maggie
With a dram glass in her hand
She's passin' away her troubles
And a-foolin' with another man

Go away, go away Little Maggie
Go and do the best you can
I'll get me another woman
You can get you another man

I would rather be in some dark holler
Where the sun could never shine
Than to know she's another man's darlin'
And no longer a darlin' of mine.

Well the last time I seen Little Maggie
She was sittin' by the banks of the sea
Had a forty-five a-lyin' beside her
And a banjo on her knee
