

Næstved 7th of October 2019

Dear

Næstved Cultural Association reaches out to you as we intend to publish a book which features artists who have participated throughout the years in the art fairs Handi-Art and Art With Soul/Kunst med Sjæl.

This book is supposed to be an overall work describing the art displayed at the art fairs since the very beginning.

The book will not be for sale, but a copy will be given to all participating artists. The book will also be donated to partners and contributors. Furthermore the book will be used for promotion of outsider art.

Each artist will have a page of their own. You will be presented with a picture of yourself, a brief text about you and your art as well as one to two artworks.

There will be some requirements as to the size and quality of pictures and amount of text which must be met.

The book's prologue will be in several languages.

Næstved Cultural Association hereby asks you if you are interested in being a part of this book.

For the sake of the preparations regarding the production of this book we kindly ask that you give us a response already now, telling us whether you wish to participate or not.

For further communication, please contact me on the e-mail address below:

We expect the book to be published in the late summer of 2020.

We are looking forward to hearing from you.
