

*Control the future  
of allergen testing—  
**YOUR WAY***

*Introducing the first  
breakthrough in its  
class in 20 years*

# *Discover the breakthrough platform*

NOVEOS™ empowers you with groundbreaking efficiency and less waste. **Step confidently into the future—only with NOVEOS.**

## Run more allergens with less labor

- Up to 8 hours without intervention
- ~100 tests per hour after first test result
- Up to 700 tests per run
- Up to 140 allergen reagents on board
- Run up to 75 tests per allergen reagent position
- Liquid, ready-to-use reagents
- Uses the chemiluminescent technology you've relied on for years

## Discover the next generation of standardized allergens

## Foundational menu today, rapidly growing menu into the future

- More than 500 allergens in development

## Significant reduction in sample size

- Requires only 4  $\mu$ L of serum per test – 1/10<sup>th</sup> of the market leader

### 1 Sample Rotor

- Equipped with calibrators, controls, test samples, and diluents
- 60 positions for multiple tube and barcode types

### 2 Reaction Rotor

### 3 Reagent Rotor

- 150 positions houses: substrates, capture reagents, conjugates, and probe wash
- Automated on-board inventory management

### 4 Probes

### 5 Fluo Beads™

- Fluorescently-tagged streptavidin microbeads – universal to all assays
- Dramatic surface area offers excellent sensitivity

### On-board kitting

- Form solid phases for testing with the unique combination of capture reagents and Fluo Beads
- Better homogeneity and consistency of results
- Vastly condensed allergen storage

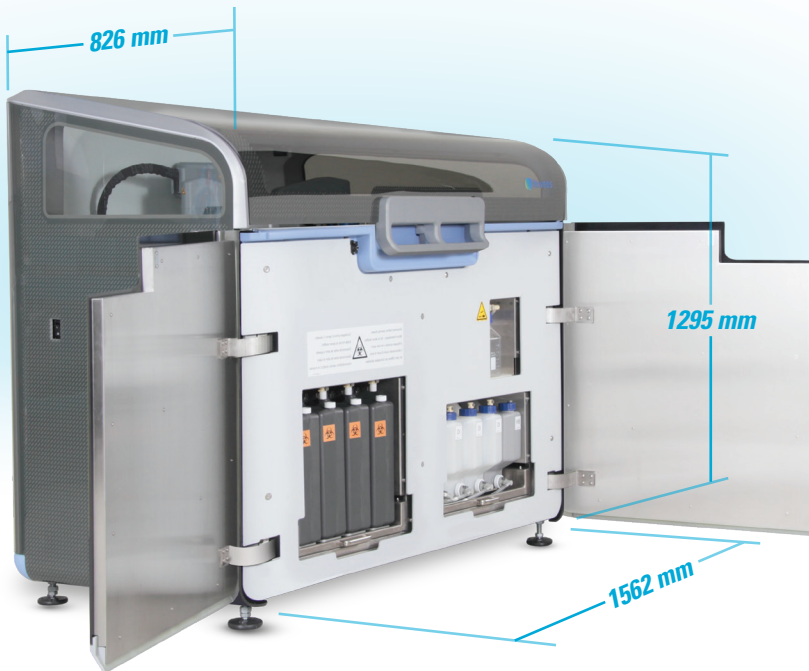

## Access information with ease

- Intuitive user interface with touchscreen
- Displays results in real time
- High capacity database
- Icon driven
- Flexible quality control

# Step confidently into the future – **ONLY WITH NOVEOS**

## NOVEOS dimensions

	Length	Height	Depth
<b>NOVEOS</b>	1562 mm (61.5 in.)	1295 mm (51 in.)	826 mm (32.5 in.)
<b>Doors open</b>	2032 mm (80 in.)	1295 mm (51 in.)	1461 mm (57.5 in.)
<b>Canopy open</b>	–	1867 mm (73.5 in.)	–

**Weight:** 400 kg (881 lbs), with empty waste, wash, and DI water containers.

**NOTE:** Allow an extra 914.4 mm (36 in.) to one side and to the front for servicing.

## Our family of allergens

-  **Drugs**
-  **Epidermal & animal proteins**
-  **Food**
-  **Grass/weeds**
-  **Mites, insects, parasites**
-  **Molds**
-  **Occupational**
-  **Trees**
-  **Component allergens**
-  **Total IgE**

NOVEOS™ not for sale in the United States.
