

MasterMover®

Danmark Electric Tug Solutions

SM100+

Smart Mover

**Powered Tug |
SmartMover SM100+**

The SM100+ is the only SmartMover in the range to feature a hydraulic coupling point. A press of a button is all that is needed to engage the hydraulics, creating an unbreakable connection to the load. This, combined with the leveraged weight transfer system and 2 powerful drive motors makes it suitable for moving 1,200 kg loads, even on slopes. Other standard features include a battery monitoring system that tells you when a quick battery change is required.

SmartMover® SM100+

Industries

Suitable for use in a wide range of applications and sectors

Retail and Logistics

Aerospace

Airports

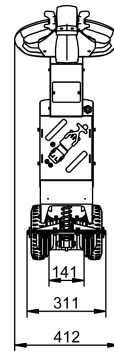

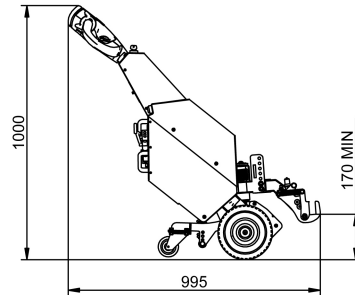

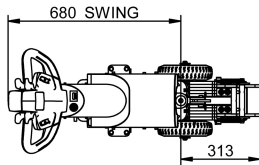

Retail and Logistics

KeyBenefits

1 year full guarantee

- Battery monitoring system
- FEA tested steel chassis
- All steel covers
- 2 Drive motors
- Hydraulic coupling point
- Leveraged weight transfer

Castors

Up to 1,200 kg*

Rails

Up to 4,800 kg*

*"Maximum load weight" is only a recommendation that we arrive at by estimating rolling resistance. Your environment and wheel type may affect this figure which is why we carry out a detailed technical evaluation on every project. All of our calculations include a "safe work load" factor to ensure safe operation in all circumstances.

Identification

Product code	SM100+
Recommended load weight - Castors	1200 kg
Recommended load weight - Rails	4800 kg
Machine weight including battery	80 kg
Drive type	Electric DC
Parking brake	Electromagnetic
Drive wheel type	Puncture-proof, non-marking
Drive motor power	2 x 0.22 kW
Controller type	110 DC Permanent
Variable machine speed	0.1 km/h - 5 km/h

Battery options

Battery pack - sealed - 22Ah 24V - interchangeable

Charging options

Charger - external - 5A 24V - 85V-265V

Additional equipment

Option - forward facing LED

Option - roll cage pivot link bar - universal

Option - XrissXcross roll cage connection straps

Option - flashing safety light and motion bleeper

Male coupling options

Coupling - hydraulic - 50mm x 25mm (A frame)

Coupling - hydraulic - A frame and sunlight

Female coupling options

Coupling - adaptor - 50mm x 25mm - straight

Coupling - adaptor - 50mm x 25mm - angled

Coupling - adaptor - waste bin A frame
