Questions about mentees personality:

- Can you give a brief description of your background / Would you tell a little about yourself?
- How do you work under pressure?
- What is characteristic of you as a person?
- What do you do in your spare time?
- Can you talk a little about how a manager should be to bring out the best in you?

Questions regarding metees summer jobs:

- What responsibility did you have in your summer job?
- What tasks did you have?
- Describe your greatest success in your previous job!
- Describe your biggest failure!

Questions regarding mentees study:

- Of all the things you have learned during your current study what do you think you can use when and if you get this job?
- Can you give examples of a situation where cooperation is not working?
- What subjects did you like most?
- How did you experience the exam situation?
- If you had the chance to start over, what training would you choose?

Questions regarding the position the talk is about:

- Why have you applied for this particular position
- Which information do you already have for our business?
- Why would you like to work in our company?
- Why are you the right person for this job?
- How can you contribute?
- What do you think is important to do to solve the task?
- What are your salary demands?

Other issues that could also be good to look at:

- What plans do you have for the future?
- Give 5 good reasons why the company should hire you!
- Name 3 skills that can be connected with you!
- Have you ever been resigned from a job?
- Are you still interested in the job?
