

Workshops for exchange of experiences for mentees in SUND's mentor program 2022

Output: Gain ideas and input to raise the quality of your mentoring process and meetings for the remaining part of the programme.

Duration: 2 hours

Date and time: 10 November 2022, 16.00-18.00.

Format: (Short) presentations, discussion, reflections

Many mentees have requested a meeting with the other mentees during the mentoring program. This is now an option!

We would like to invite all mentees to participate in a workshop in the autumn. Here you can share your experiences with other mentees in SUND's mentor program for postdocs – and have ample opportunity for networking.

To address your needs, we will - before the workshop - ask for your input for the content, e.g. topics of interest to be discussed. This way, we can tailor the workshop to your needs and wishes.

Please mark the date and time in your calendar: *10 November 2022, 16.00-18.00.*

We are looking forward to an engaging afternoon and seeing you then.

Best wishes,

Mette Abildgaard Nielsen, Mia Dabelsteen, Nicole Schmitt and Lisa Ott
