

Mentor – March 2023

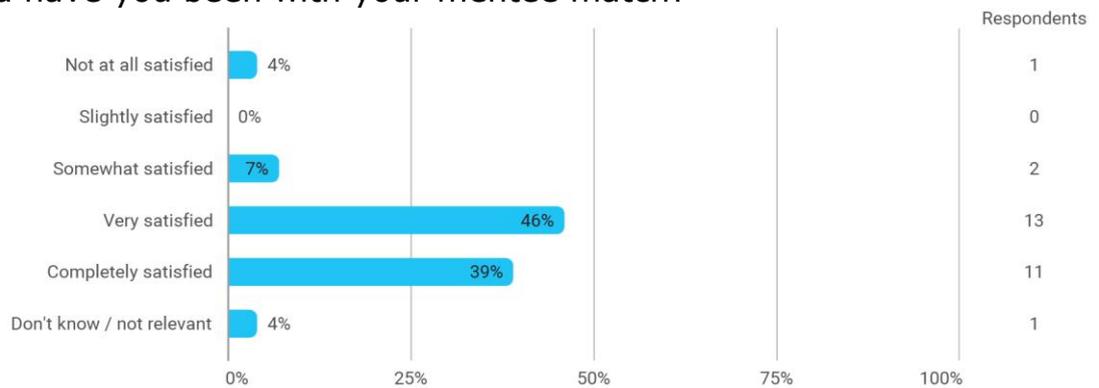

Overall Status

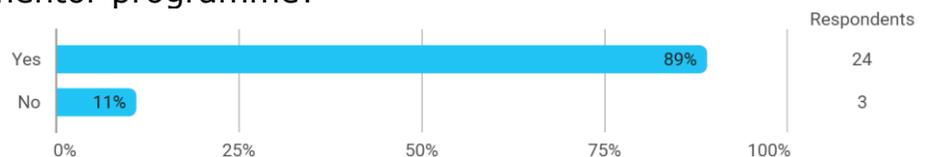

How satisfied were you with the introduction meetings in terms of content, duration and tools given?

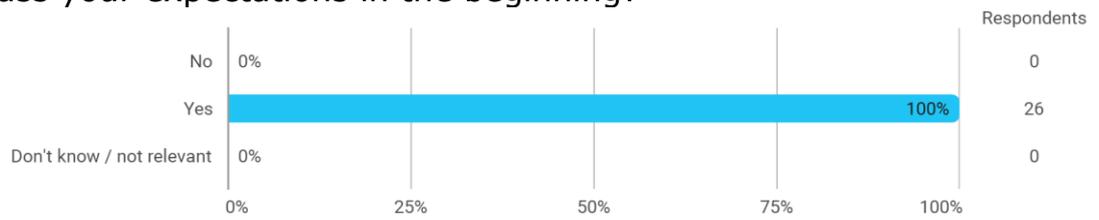

How satisfied have you been with your mentee match?

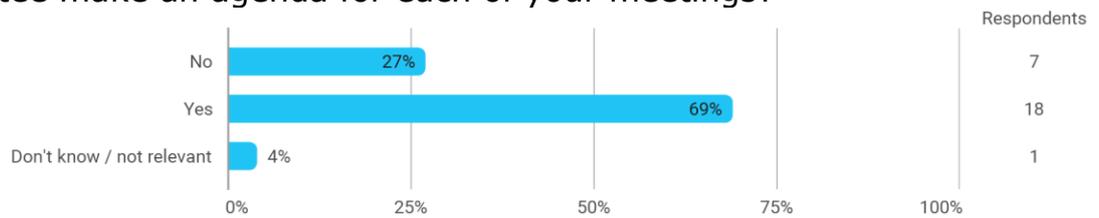

Did you complete the mentor programme?

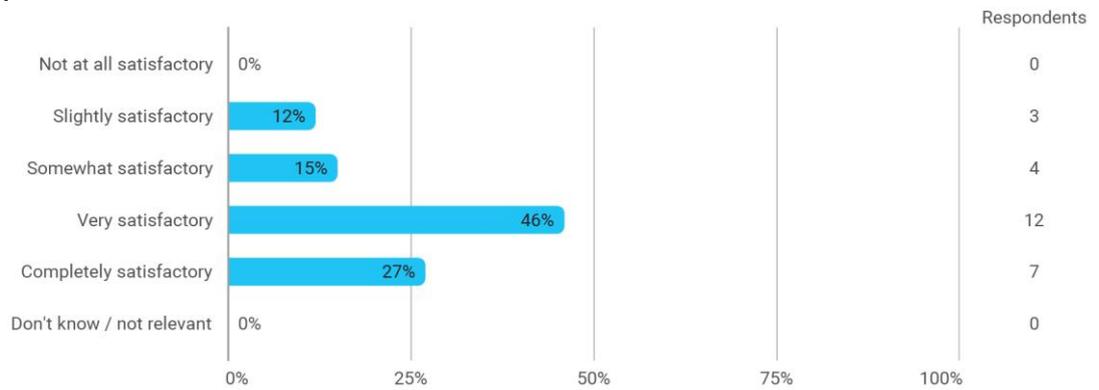

Did you discuss your expectations in the beginning?

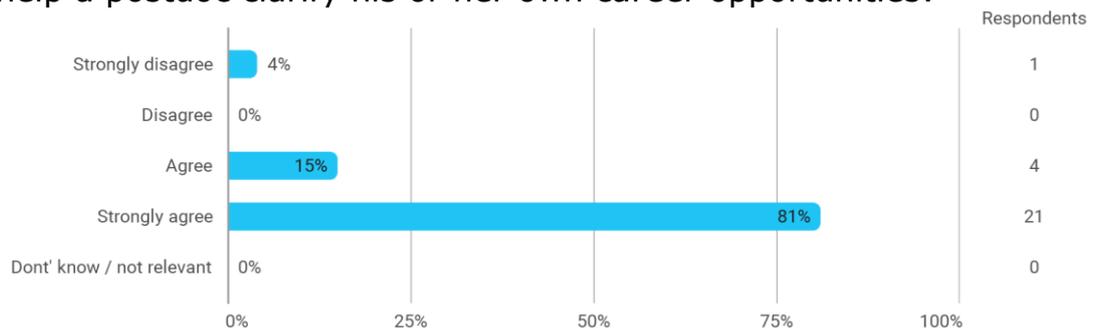

Did the mentee make an agenda for each of your meetings?

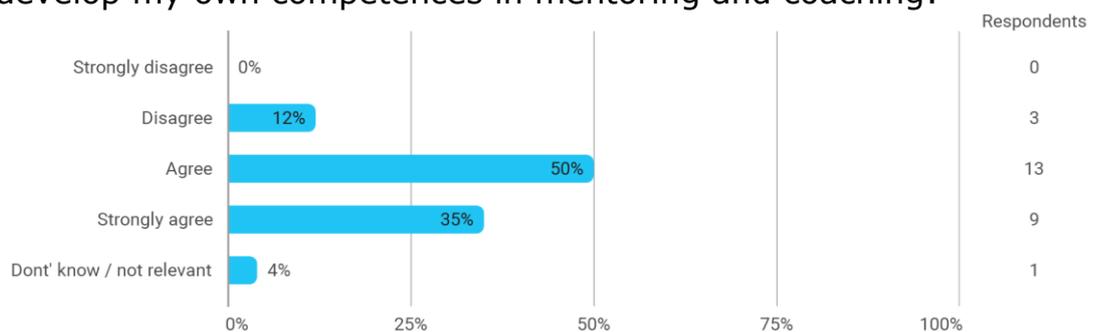

What do you think about the programme's duration and the recommended 6-10 meetings?

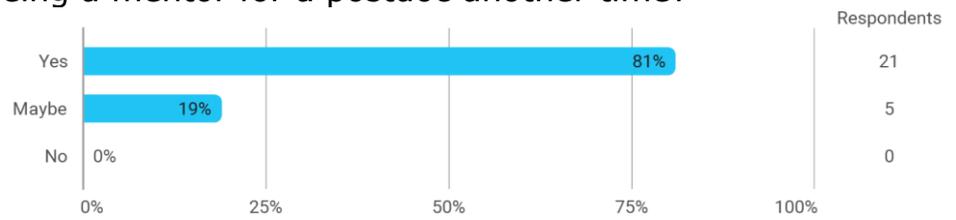

I wanted to help a postdoc clarify his or her own career opportunities:

I wanted to develop my own competences in mentoring and coaching:

Would you consider being a mentor for a postdoc another time?

What is your overall impression of the mentor programme for postdocs?
