

Floors & walls - Livetssted

- ◆ Floors & walls are sensitive to oil, grease and other lubricants. So please be aware and instantly remove spilled substances - Thanks for your help.
- ◆ **End cleaning floors:**
 - If you have not spilled any substances on the floors, you can vacuum clean the floors only.
 - If you have been using massage oil or other substances are spilled on the floor, you also have to wash the floors with “Brun Sæbe” (found under the kitchen zink)
